Chairman's Report

2020 Annual Report

There is no doubt that 2020 was a year like no other with the sporting sector particularly affected by the COVID-19 pandemic. Like many of the other district table tennis associations around the country, the capacity for the Auckland Table Tennis Association to operate and run its scheduled programmes was severely impacted during the lockdown periods.

During the lockdowns we kept in regular contact with the table tennis community through e-mail, website, Facebook, and Instagram. We increased our following and influence on social media. Dinyar Irani was instrumental in creating original content and developing the Association's YouTube channel.

A major focus for the 2020 season was the Tables in Communities project and the further development of the Seekapong app. The Tables in Communities project is creating a network of indoor and outdoor table tennis tables that turn public spaces and places into social sporting hubs with table tennis playing communities established in each neighbourhood – a decentralised sport delivery model that allows people to participate in their local community. The Seekapong app gives people access to information about where they can play table tennis all over Auckland and the ability to connect with others interested in table tennis in their community. The Tables in Communities project serves to overcome the major barriers to participation – cost and transport. Dinyar Irani (Project Manager) was tasked with delivering the Tables in Communities project, and growing its reach. The lockdowns affected day to day business and created some challenges with regards to delivery however the Association innovated to continue to grow the number of users registered on Seekapong and add to the number of table tennis table sites offered in the community. The Tables in Communities project experienced positive growth this year, despite the disruption caused by the COVID-19 pandemic.

The Association built on partnerships with facilities, other sporting codes, and Local Boards. The Association is a founding member of the Lloyd Elsmore Community Hub which was formed with the purpose to provide fun inclusive sport, recreational, cultural and education activities in multi-purpose spaces based at Lloyd Elsmore Park that reflect the values and principles of all involved. To gain synergies by embracing community and commercial partnerships that grow participation in the activities that we offer.

The Association's development and coaching programmes are back on track in the majority of cases however the two lockdowns meant that some school and community partners have requested a conservative approach to re-engagement.

The lockdowns meant re-shuffling of some events. The 2020 ANZAC Open, 2020 Auckland Junior Open, and 2020 Auckland Spring Open were cancelled. The 2020 Auckland Open has been postponed to November. The 2019 / 2020 Summer Interclub competition was cut short and the 2020 Winter Interclub competition is being delivered over a longer absolute timeframe. The 2020 Auckland Interschools table tennis competition (Term Two) was cancelled. The 2020 Auckland Interschools table tennis competition (Term Three) was offered and received strong entry numbers however the competition was cut short due to the second lockdown in Auckland. The 2020 April School Holiday Coaching programme was cancelled.

Despite the COVID-19 pandemic, the Association experienced strong attendance at the 2020 January, July, and October School Holiday Coaching programmes. Eberhard Kleiser continued to deliver Central Club which was popular with attendees when it was able to be offered.

The Association continued to look at ways to enhance the quality and delivery of competitions and events. The Association contracted David Jackson (Competitions Manager) to this end. The 2020 New Zealand Open was scheduled to be held at the Auckland table tennis stadium, until the Open was cancelled by order of the Table Tennis New Zealand Board. David Jackson and the Association delivered an alternative event – The Players’ Domestic Table Tennis Championships 2020 – on the same scheduled dates and using the same proposed timetable as the 2020 New Zealand Open. Team and individual events were offered, and the Championships were well received by those who participated. Of note, entries were received from players who originated from the South Island, and players who represented the Aotearoa Maori Table Tennis Association.

The Association continued to develop its coaching and training pathway for our junior and senior representative players with the addition of several new coaches and training partners. I would like to acknowledge the dedication and hard work of the Auckland coaching team spear-headed by Head Coach Wei Zhong Jiang, and assisted by Hyo Joo Lee, Dinyar Irani, Roger Wang, Eberhard Kleiser, Hea Youn Choi, Yuchong Zhou, and Pat Low.

There was limited opportunity for our top-level players to compete nationally and internationally during the 2020 season. However, a number of our players continue to train, improve, and perform at a top level showing the way for our up and coming younger players. Special mention goes to players such as Dean Shu (who came back to New Zealand after an overseas stint in Germany), Nathan Xu, Roger Wang, and Jin (Kim) Wang who continually showed up as great role models in both the training and competitive environment. Notable results were achieved domestically by several of our up and coming juniors such as Joanna Yang, Carrie Guo, Jack Chen, and Timothy Choi. The recipients of the 2020 Commute Transportation Consultants ATTA Elite Player Scholarships were Dean Shu and Nathan Xu.

Circumstances meant that some planned developments and improvements for the Association and the Auckland table tennis stadium were put on hold. However, the Association was still able to complete the Auckland table tennis stadium LED lighting replacement project which was well received by regular users of the Auckland table tennis stadium and visiting players from around the country. Another welcome addition was a new electronic sign which can be seen on entry to the Auckland table tennis stadium above the office window.

The Association is very grateful for support from Gaming Societies, Community Trusts, and Local Boards. It goes without saying that we, as an Association, would not be able to deliver our many programmes and activities without their support. We are indebted to Foundation North, Four Winds Foundation, Milestone Foundation, Pub Charity Limited, and New Zealand Community Trust who approved grants to the Association in a year when the funding sector also faced significant challenges and uncertainty due to the COVID-19 pandemic. We are grateful to Albert-Eden Local Board, Waitemata Local Board, and Mangere-Otahuhu Local Board for their support during the past season. Special mention must go to Cliff Freeman (Funding Officer) who continued to shine for the Association obtaining funding for our many projects.

I would like to make special mention of our family of sponsors who continued to support the Association through these challenging times. Sponsors included; Commute Transportation Consultants, Penberthy Insurance, Anran International (NZ) Limited, DDS Massage, PRIZM DataTech PayPlus, Ray White Real Estate, The Gateau House, and UNO Property Management. Product sponsorship was received from Rialto Cinemas, Domino's Pizza, and Coca-Cola.

As a result of the challenges faced due to COVID-19, the Association received support from the Ministry of Social Development in the form of the wage subsidy, wage subsidy extension, and resurgence wage subsidy. The Association also received significant funding from the Sport NZ Community Resilience Fund and the Sport NZ Community Resilience Fund 2.0 for which we are extremely grateful.

2020 has been one of the most challenging years for not only sport but life in general. Despite the challenges I am proud to report that the Association continued to make progress. On behalf of the Association I wish all district table tennis associations and members of the table tennis community all the best for the festive season and a positive year in 2021.

2019 / 2020 Auckland Interclub competition

The Auckland Interclub competition continued to offer the option for teams to opt to play with either two players or three players in a team on any one given night. Players in two-player teams contested two singles matches and one doubles match each. In three-player teams one player contested two singles matches, and two players each contested one singles match and one doubles match. It remained possible for a two-player team to compete against a three-player team.

The 2019 Auckland Summer Interclub competition attracted entries from 59 teams that were placed into ten grades (60 teams entered during the 2018 / 2019 season). Each grade was comprised of six teams. The top six grades competed on Thursday nights and the four lowest grades competed on Wednesday nights. The first round of the competition ran from 23rd October, 2019 – 20th November, 2019. The second round of the competition began on 5th December, 2019 and was scheduled to continue into the 2020 season. The competition eventually resumed in March 2020. However, concerns over the developing COVID-19 pandemic meant that a number of teams withdrew from the competition, and then New Zealand moved into the first lockdown. As a result, the Association decided to cancel the second round of competition and determine winning teams and individual rankings based on results after the first round of play (5 weeks of play). Therefore, there was no promotion / relegation.

Prizes were awarded for team and individual results attained during the 2019 / 2020 Auckland Summer Interclub competition. Carrie Guo was the winner of the Dick Rassie Memorial Trophy for Summer Interclub Player of the Year which was awarded to the player who accumulated the most singles and doubles wins irrespective of grade.

The 2020 Auckland Winter Interclub competition attracted entries from 66 teams that were placed into eleven grades (66 teams entered during the 2019 season). Each grade was comprised of six teams. The top six grades competed on Thursday nights and the five lowest grades competed on Wednesday nights. The competition began on 22nd July, 2020 and was scheduled to run for two rounds, finishing in late September 2020. However, the competition was put on hold due to the Auckland Alert Level 3 lockdown in August 2020 and The Players' Domestic Table Tennis Championships in early October 2020. The competition resumed in mid-October 2020 and is scheduled to conclude on 10th December, 2020 (10 weeks of play). The 2020 Auckland Winter Interclub competition continued to be run with a promotion / relegation system being employed between all grades. One round of competition was completed for inclusion in this Annual Report.

All Auckland junior representative players, and all Auckland senior representative players vying for selection in the Auckland Open Men's A team, Open Men's B team, Open Women's A team, and Open Women's B team were required to compete in at least 50% of Auckland Winter Interclub team contests. However, the New Zealand Open Table Tennis Championships was cancelled in the 2020 season.

Funding was received from NZCT as a contribution towards the contract fees of David Jackson (Competitions Manager) which included delivery of the Auckland Interclub competition.

2020 Auckland Interschools table tennis competition

The Auckland Table Tennis Association was responsible for collection and processing of entries for the Auckland Interschools table tennis competition Term One (Pre-season) competition. The competition attracted 36 entries, which was a large increase compared with the 14 entries received for the same competition in the 2019 season. All team contests for the Pre-season competition were delivered from the Auckland table tennis stadium in one session that ran on Fridays from 3.45p.m. – 6.00p.m. Unfortunately, the competition was discontinued after three weeks of play due to the COVID-19 pandemic and the first New Zealand lockdown that began in March 2020. Certificates were awarded on the basis of results after the first three weeks of play.

The Auckland Interschools table tennis competition Term Two (Winter) competition was cancelled due to the COVID-19 pandemic and the ongoing first New Zealand lockdown.

The Association introduced a new competition – the Auckland Secondary Schools Grade Championships – that was held on Friday 3rd July at the end of Term Two. The competition started at 4.00p.m. and ran to its conclusion. Players were able to enter the grade in which they usually play during the Auckland Interschools table tennis competition, or a higher grade. Unfortunately, in some cases the level of players was difficult to ascertain because the Auckland Interschools table tennis competition Term Two was not held in 2020. Entries were received from 71 players (53 male, 18 female). The Association intends to offer the Championships in future years and will work on growing the number of participants.

College Sport collected entries for the Auckland Interschools table tennis competition Term Three (Early Spring) competition. Entries were collected via the EnterNow system and then forwarded to the Association following the close of entries. Two venues hosted the four sessions of the 2020 Auckland Interschools table tennis competition Term Three:

- a) Central Auckland venue: Auckland table tennis stadium; Thursday 3.45p.m. – 6.00p.m., Friday 3.45p.m. – 6.00p.m., Friday 6.00p.m. – 8.15p.m.
- b) East Auckland venue: St. Kentigern College sports hall, Friday 3.45p.m. – 5.35p.m.

Unfortunately, the Auckland Interschools table tennis competition Term Three competition was discontinued after two weeks of play due to the COVID-19 pandemic and the Auckland Alert Level 3 lockdown in August 2020. Certificates were not awarded.

Entry numbers were as follows:

2020 Pre-season Auckland Interschools competition (Term One): 36 teams (from 14 in 2019), competition was discontinued after three weeks of play

2020 Winter Auckland Interschools competition (Term Two): Not held (from 149 in 2019)

2020 Early Spring Auckland Interschools competition (Term Three): 129 teams (from 130 in 2019), competition was discontinued after two weeks of play

Funding was received from NZCT as a contribution towards the contract fees of David Jackson (Competitions Manager) which included delivery of the Auckland Interschools competition.

2020 Auckland Primary & Intermediate Interschools table tennis team competition

The Auckland Table Tennis Association continued to deliver the Auckland Primary & Intermediate Interschools table tennis team competition that was first established during the 2016 season. The competition primarily catered for Year 5, 6, 7, and 8 students and was offered at a venue in Central Auckland and a venue in East Auckland to address the barrier of transport. It was intended to run the competition for 8 weeks in Term Two and 8 weeks in Term Three. However, the 2020 Auckland Primary & Intermediate Interschools table tennis competition (Term Two) competition was cancelled due to the COVID-19 pandemic and the first New Zealand lockdown that began in March 2020.

The 2020 Auckland Primary & Intermediate Interschools table tennis competition (Term Three) began in late July 2020 however, after two weeks of play, the competition was put on hold due to the COVID-19 pandemic and the Auckland Alert Level 3 lockdown that began in August 2020. In addition, no play was possible over the October School Holidays. The competition restarted in Term Four and will run to its conclusion in late November 2020. Unfortunately, eight teams from St. Peter's College were not able to compete in the Central Auckland competition in Term Four and had to withdraw. Certificates have not yet been awarded.

There was growth in the number of entries received for both the Central Auckland and East Auckland venues despite the COVID-19 pandemic and subsequent lockdowns – which was a positive sign and bodes well for the future.

Funding was received as a contribution towards the Development Coach salary (NZCT) to deliver junior table tennis development programmes, and offer increased opportunities for juniors to participate in table tennis, which included promotion, support, and delivery of the Auckland Primary & Intermediate Interschools table tennis team competition.

COVID-19 pandemic

The Auckland table tennis stadium was shut during COVID-19 Alert Level 4 and Alert Level 3. The stadium re-opened under Alert Level 2.5 with a reduced number of tables on the floor and access granted on a booking basis only. The Association committed to staffing the stadium from 10.00a.m. – 11.59p.m. during Alert Level 2.5 to allow players the best opportunity to get back to participating in table tennis. Clubs did not run during Alert Level 4, Alert Level 3, or Alert Level 2.5. The Association resumed development coaching groups in the Auckland table tennis stadium under Alert Level 2.0 with appropriate measures in place. The Association returned to normal activity at Alert Level 1 with continued hygiene precautions in place.

During the lockdowns the Association kept in regular contact with the table tennis community through e-mail, website, Facebook, Instagram, and You Tube. The Association placed attention on creating online content and increased its following and influence on social media.

The Association received support from the Ministry of Social Development in the form of the wage subsidy, wage subsidy extension, and resurgence wage subsidy. The Association also received significant funding from the Sport NZ Community Resilience Fund and the Sport NZ Community Resilience Fund 2.0.

Club activities external to the Auckland table tennis stadium

East Auckland Table Tennis Club:

Eberhard Kleiser continued to deliver the East Auckland Table Tennis Club at the Pakuranga Community Hall on Tuesday nights. The Pakuranga Community Hall was shut during COVID-19 Alert Level 4, Alert Level 3, and Alert Level 2.5. The Pakuranga Community Hall was also shut for the New Zealand General Election. As a result, the East Auckland Table Tennis Club ran on 27 occasions during the period November 2019 – October 2020. There was an average attendance of 14 players per session.

Eastern Table Tennis Club:

Bob Inns coordinated the Eastern Table Tennis Club which ran on Monday nights in the St. Thomas' School Hall. The St. Thomas' School Hall was shut during COVID-19 Alert Level 4, Alert Level 3, and Alert Level 2.5. The Club opened when possible. The Association continued to promote the Eastern Table Tennis Club through the East & Bays Courier listings on Neighbourly. One team from the Eastern Table Tennis Club regularly competed in the Auckland Interclub competition.

Eberhard Kleiser began delivery of free development coaching to students at St. Thomas' School on Monday lunchtimes in October 2020. St. Thomas' School students also received free entry into the Eastern Table Tennis Club. In return, the Eastern Table Tennis Club received free hall hire from St. Thomas' School.

French Bay Table Tennis Club:

Bryce Kay delivered the French Bay Table Tennis Club in the St. John Vianney Catholic Church Hall in Hillsborough on Tuesday nights. The Club reported a disjointed year due to the COVID-19 pandemic which was reflected in reduced attendance numbers, particularly after the Auckland Alert Level 3 lockdown. The Club was granted two Double Fish 201 rollaway table tennis tables from the Association during the 2020 season. The Club now has a total of four Double Fish 201 rollaway table tennis tables available for use. One team from the French Bay Table Tennis Club regularly competed in the Auckland Interclub competition.

Tune Table Tennis Club:

Dinyar Irani (Tables in Communities Project Manager / Development Coach) continued to deliver Tune Table Tennis Club on Saturday afternoons which was first established in the 2019 season. The Club was based in the Pakuranga College School Hall in Pakuranga. There was significant disruption to delivery due to the COVID-19 pandemic and the New Zealand General Election which impacted on Hall availability.

Waiheke Table Tennis Club:

Herve Mavre continued to deliver the Waiheke Table Tennis Club on Sunday afternoons which was first established in the 2019 season. The Club was based in the Onetangi Hall on Waiheke Island. There was significant disruption to delivery due to the COVID-19 pandemic.

Club activities based at the Auckland table tennis stadium

Central Club: Continued to run on Monday evenings from 7.00p.m. – 10.00p.m. as per the change instituted during the 2019 season. Eberhard Kleiser coordinated the Central Club which ran on a ladder system. Matches were played the best of one game to 11 points, and play was self-managed via a series of boards placed at the end of each table which allowed players to move their name tag up or down a table based on the result of their match. The Central Club was shut during COVID-19 Alert Level 4, Alert Level 3, and Alert Level 2.5. Despite the disruption, Central Club attendance numbers were strong with an average attendance of 40 players per session.

Day Club: The New Zealand Chinese Table Tennis Association (NZCTTA) delivered the Day Club on Mondays, Wednesdays, Saturdays, and Sundays. The Day Club changed to deliver from 10.00a.m. – 12.30p.m. on Mondays and Wednesdays, and continued to run from 9.30a.m. – 12.30p.m. on Saturdays and Sundays during the 2020 season. Day Club was shut from February 2020 due to the COVID-19 pandemic and reopened in June 2020. The Day Club then shut from mid-August 2020 and reopened in October 2020. The NZCTTA organized one individual tournament in October 2020 and plans to run a team tournament in November 2020. The Association and the NZCTTA agreed to a partnership whereby stadium keyholder members' annual Day Club administration fee was covered by the Association during the 2020 season. It is intended for this partnership to continue in future seasons.

Korean Club: Continued to be delivered by Hyo Joo Lee and Richard Kang under the auspices of the Korean Table Tennis Association of New Zealand. The Club ran on Saturday nights from 6.00p.m. – 10.00p.m. The Korean Club was shut during COVID-19 Alert Level 4, Alert Level 3, and Alert Level 2.5. The Club was open to all players. Hyo Joo Lee and Hea Youn Choi delivered free coaching to attendees at the Club. The coaching was funded by the Association.

University of Auckland Table Tennis Club: Continued to be delivered by George (Honggang) Zhang on Sunday nights. However, there was significant disruption during the 2020 season due to the COVID-19 pandemic. The Club only began running in October 2020 and concluded in November 2020.

Stadium keyholder memberships & table hire

The number of players purchasing stadium keyholder memberships was strong for the period September 2019 – February 2020. The COVID-19 pandemic caused significant disruption. Despite the disruption revenue from stadium keyholder memberships only decreased by 3% as compared with the previous financial year. The majority of stadium keyholders pay a lump sum membership fee in advance. The Association extended those stadium keyholder memberships by the period of time that Auckland was at COVID-19 Alert Level 4 and Alert Level 3. As a result, the receipt of revenue from stadium keyholder memberships will be delayed in the 2020 / 2021 financial year. The true financial effect of COVID-19 on stadium keyholder memberships has yet to be seen. On a positive note, the majority of stadium keyholders were quick to return to play whenever Auckland moved to Alert Level 2.5 or below.

Stadium keyholder members were entitled to free attendance at Central Club, Day Club (including the Day Club administration fee), Day Club U19 training, Girls Coaching, Junior Club, Interclub (excepting the team entry fee), and Korean Club. In addition, stadium keyholder members received a 15% reduction in entry fees when they entered Auckland regional tournaments and are eligible to enter a draw to win a free extension equal to the term of their current stadium keyholder membership at the 2020 Auckland Open when it is held in in November.

Revenue from stadium and table hire decreased by 28% as compared with the previous financial year due to the amount of time the Auckland table tennis stadium was required to be shut as a result of the COVID-19 pandemic. The Auckland table tennis stadium was booked on a number of occasions by organisations such as the Aotearoa Maori Table Tennis Association, Auckland Chinese Table Tennis Association, New Zealand Chinese Table Tennis Association, and Tomlinson Group. Tables were hired for coaching by school groups such as Dilworth School and St. Peter's College.

Stadium keyholders continued to actively arrange their own practice independent of Clubs and other organised play opportunities. This was key to allowing a quick return to play for stadium keyholders at Alert Level 2.5. The Association coordinated and managed multiple groups of eight players in the Auckland table tennis stadium at Alert Level 2.5 between the hours of 10.00a.m. – 11.59p.m. Stadium keyholders were required to make bookings for singles play only at Alert Level 2.5.

Drawn Doubles

Jim Coad and his family delivered a Drawn Doubles evening in conjunction with the 2019 Winter Interclub prizegiving. The Drawn Doubles was the Association's end of year social function and was held on 28th November 2019. The Drawn Doubles attracted 60 entries (the same number as attended in the 2018 season).

The Association plans to hold a Drawn Doubles evening during November 2020, to be held in conjunction with the 2019 Summer Interclub prizegiving. The date of the 2019 Summer Interclub prizegiving was delayed due to COVID-19 lockdowns and resulting disruptions to the Auckland Interclub competition.

Tables in Communities project

The Association undertook the Tables in Communities project (Year 2) with the vision to link table tennis resource with technology in conjunction with a comprehensive development programme.

The Tables in Communities project is growing junior and community participation by putting table tennis tables into community indoor and outdoor spaces and supporting those tables with localised programmes. The Tables in Communities project is building a new network of playing communities at multiple sites across Auckland. The project includes an innovative approach that uses technology to link players with table tennis tables in public spaces and places and with fellow members of the table tennis community. The project overcomes the major barriers to participation – cost and transport. It is free to access many of the table tennis tables in the community. People can play table tennis in their local community without the requirement to travel long distances.

There are three project components:

- a) Tables in Communities to create new indoor and outdoor participation spaces
- b) Community Partnerships to develop long term sustainability of the project
- c) Directing new junior players into Clubs, school competitions, and other opportunities to take part in organized play

The goals for the Tables in Communities project to be achieved by 1st December, 2021 are as follows:

- a) 15,000 players registered on the Seekapong app
- b) 100 table tennis tables distributed in the community
- c) 40 Memoranda of Understanding signed with Local Boards and facilities

Dinyar Irani was contracted as Tables in Communities Project Manager for Year 2. Funding was received for Dinyar Irani's role from Foundation North.

The Association promoted the free Tables in Communities app – “Seekapong” – which shows people where to access table tennis within their community and links people with each other through the sport of table tennis, thus forming an interactive table tennis community. The Association reviewed the Seekapong Terms and Conditions and Privacy Policy during the 2020 season. The Association has undertaken further development of Seekapong to enable the Association to distribute the app wider than the Auckland region. It is envisaged that the development work on Seekapong will be completed and released by the end of the 2020 season.

The Association actively registered people on the Seekapong app during the 2020 season. Over 1,100 users were registered on Seekapong as of October 2020. The Association continued to actively grow the network of table sites across the Auckland region. There were 26 table sites listed on Seekapong as of October 2020. The network is a mix of new and existing table sites. Memoranda of Understanding (MOU) were agreed to between the Association and partner organisations that oversee the table sites listed on Seekapong. The Association, Albert-Eden Local Board, and Auckland Transport worked together to install the first permanent outdoor table tennis table listed on Seekapong outside Pt. Chevalier Library. Discussions are taking place to install further permanent outdoor table tennis tables at selected sites within the Albert-Eden Local Board boundary in the 2021 season.

During the 2020 season the Association delivered activations for Epsom Library, Otahuhu Pataka Korero Library, Pakuranga Plaza shopping centre, Refugees as Survivors New Zealand Youth, and Tupu Youth Library.

The Association has joined the newly formed Lloyd Elsmore Community Hub that is working on development of a multi-sport community hub at Lloyd Elsmore Park in conjunction with Auckland Council, Howick Local Board, and Sport Auckland.

The Association focused on creating content and building a social media following during the 2020 season. Social media is an important avenue to promote registration on Seekapong and to highlight table tennis activity in communities around the Auckland region in which people can take part. As of October 2020 the Association has:

- a) Facebook account – over 3,000 friends
- b) Facebook page – over 1,950 likes
- c) Instagram – over 660 followers
- d) WeChat Official page – promotes Association activities and Seekapong
- e) You Tube channel – over 160 subscribers

Dinyar Irani created the ATTA Stay Home Table Tennis 2020 Challenge Series that ran for 30 consecutive days during the COVID-19 Alert Level 4 lockdown from March – April 2020. In the Challenge Series, Dinyar Irani delivered table tennis coaching for beginners, and offered extra for experts, proving that table tennis could still be played in the face of COVID-19.

Rialto Cinemas Newmarket and Dominos Newmarket (pizza) continued to support the Tables in Communities project with product sponsorship. The product sponsorships form the basis of an incentives and giveaways programme to promote registrations on Seekapong and increased usage of the app.

The Association is indebted to Foundation North for providing significant funding to deliver the Tables in Communities project (Year 2).

Once girls developed basic skills and gained confidence they progressed into the Junior Club which was a mixed group of boys and girls. Girls’ Coaching delivery was disrupted due to the COVID-19 pandemic. There was an average attendance of 26 players per session. Funding was received for Hea Youn Choi’s role from Milestone Foundation.

School Holiday Coaching: Operated over the course of one week in each of the school holidays and ran from 9.00a.m. – 4.00p.m. each day of the programme. The School Holiday Coaching programme continued to attract strong attendance numbers. Students had the option of attending for a single day, multiple days, or the entire week. The Association increased the cost to attend the programme from October 2020. The increased cost had no significant effect on registrations. Students aged from 5 - 16 years participated in the programme. The programme developed students’ basic table tennis skills.

Dinyar Irani, Eberhard Kleiser, and Patrick Low promoted the programme directly to students in schools while conducting demonstrations, promotions, and development coaching. The first qualification tournament (in March 2020) determined three players to be promoted from Auckland Intermediate A Squad to Auckland Elite Squad, and three players to be promoted from Auckland Intermediate B Squad to Auckland Intermediate A Squad.

The second qualification tournament (in July 2020) determined:

- enter a team in Auckland Winter Interclub and compete in at least 50% of Interclub fixtures unless there was a viable excuse

The 2020 ANZAC Open and 2020 Auckland Junior Open were cancelled due to COVID-19 lockdowns therefore they did not form part of the selection criteria for the 2020 season.

Unfortunately, the 2020 New Zealand Open Table Tennis Championships were cancelled. Therefore, the results of the second qualification tournament were used to select Auckland teams to compete in The Players' Domestic Table Tennis Championships 2020.

By the end of the 2019 / 2020 financial year there were 13 players enrolled in the Auckland Intermediate B Squad, 15 players enrolled in the Auckland Intermediate A Squad, and 22 players enrolled in the Auckland Elite Squad. All players over the age of 18 years were exempt from paying squad coaching fees. The Association must continue to identify and develop coaching talent from within the Auckland table tennis community through the pathway of training partner to coach.

The Association continued to utilise the stadium member management and access control system supplied by Hello Club that was installed in September 2019. Hello Club created an integrated visitor sign-in solution to meet COVID-19 contact tracing requirements.

Nick Ning (general stadium maintenance), and Virginia Waters (gardening and landscaping) continued to volunteer their time to the Association to ensure that the Auckland table tennis stadium was well maintained.

Volunteers constructed 90 new barrier frames for the playing floor in the Auckland table tennis stadium. Anran International donated 101 Butterfly branded barrier covers to the Association.

Sponsorship

Commute Transportation Consultants provided sponsorship of \$3,000 to the Association for the 2020 season. The funds were targeted towards the continuation of the Commute ATTA Elite Player Scholarships for the 2020 season. The 2020 season was the second year in which Commute Transportation Consultants were associated with the scholarships. The scholarships assisted elite players with costs associated with attending international table tennis events. Scholarships were awarded to players who made significant sacrifice to develop their game, and who were deemed as promising prospects for the future of table tennis in Auckland, and New Zealand. In 2020 scholarships were awarded to Dean Shu and Nathan Xu.

Treasurer's Report **Year Ending 31st August 2020**

It is my pleasure to present this, my 32nd Financial Report, as Treasurer of the Auckland Table Tennis Association (Inc).

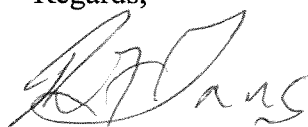

You are referred to the Accounts enclosed in this Annual Report.

The Association had an excess of Income over Expenditure for the year of \$6,522. This compares to last year's result of an excess of Income over Expenditure of \$19,238.

The Statement of Financial Performance shows the impact of the various lock-downs during the year. Particularly, the impact on Schools and Tournament activities. Without the assistance of the Government funding (in total, \$77,850) the Association would have suffered a substantial loss.

However, the Association has managed the situation it faced very well and preserved its core assets [staff, stadium and stadium members] in good shape. This is reflected in the Statement of Financial Position which shows that the Association remains in a healthy financial state with significant funds.

Regards,

Bob Inns
Honorary Treasurer

AUDITOR'S REPORT TO THE MEMBERS OF THE AUCKLAND TABLE TENNIS ASSOCIATION (Inc.)

I have audited the accompanying Financial Statements which show an excess of income over expenditure for the year \$6,522.

The Financial Statements provide information about the past financial performance and position of Auckland Table Tennis Association (Inc.) as at 31 August 2020. This information is stated in accordance with the statement of accounting policies detailed in the financial statements.

Responsibilities of the Management Committee

The Management Committee is responsible for the preparation of Financial Statements, which fairly reflects the financial position of the Association as at 31 August 2020 and of the results of their operations for the year ended on that date.

Auditor's responsibilities

It is my responsibility to express an independent opinion on the Financial Statements presented by the Management Committee and report my opinion to you. As I am not a member of the Management Committee nor am I involved in the day-to-day activities of the Association I believe that I am able to give an independent opinion.

Basis of Opinion

An audit includes examining on a test basis, evidence relevant to the amounts and disclosures in the Financial Statements. It also includes assessing:

- The significant estimates and judgements made by the elected officers in the preparation of the Financial Statements, and
- Whether the accounting policies are appropriate to the Association's circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted New Zealand auditing standards, except that my work was limited as explained below. I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the Financial Statements are free from material misstatements, whether caused by fraud or error. In forming my opinion I have also evaluated the overall adequacy of the presentation of information in the Financial Statements.

Qualified Opinion

In common with organizations of a similar nature, a portion of the Association's recorded income is from cash sources and there is limited control over this income prior to its being recorded. There are no practical audit procedures to determine the effect of this limited control.

In my opinion, subject to the possible effect of the limited control referred to in the preceding paragraph, the accompanying Financial Statements reflect the financial position of the Association as at 31 August 2020 and the results of its operations for the year ended on that date.

My audit report was completed on 21st^h October 2020 and my qualified opinion is expressed as at that date.

J.R. Hally CA (Hon. Retired)
