

Dear table tennis community,

Auckland is moving to Alert Level 1 at 11.59p.m. on Monday 22nd February 2021.

At Alert Level 1, everyone can return without restriction to work, school, sports, and domestic travel, and you can get together with as many people as you want. The Auckland table tennis stadium will have a full 20 x table setup. Bookings will be on a first come first serve basis. The changing rooms and showers will reopen.

It is still important that we keep the basic hygiene measures, including washing your hands and coughing or sneezing into your elbow. Importantly, stay home if you are sick. Get tested if you have cold or flu symptoms. Keep track of where you have been and who you have seen.

The Auckland Table Tennis Association will continue to help people keep track of where they have been by displaying the NZ COVID Tracer QR code poster.

Thank you for your understanding and cooperation over this time. We appreciate your support.

Yours sincerely,

Shane Warbrooke
