## **Chairman's Report**

### **2021 Annual Report**

The 2021 season, not too dissimilar to 2020, was heavily impacted by the COVID-19 pandemic. The whole of New Zealand spent the majority of the back half of the season with some sort of restrictions in place disrupting their ability to operate at full capacity.

Auckland Table Tennis Association (“the Association”), like a number of other district associations in the Auckland region, spent a significant amount of time in a state of lockdown in Alert Levels 3 and 4 which ultimately meant the Auckland table tennis stadium was closed and we were unable to open our doors. While this was undoubtedly disappointing for all our stadium keyholder members, players, officials, and administrators the lockdown was set down by the NZ Government in order to protect the health of all New Zealanders. The financial impact of the lockdown is not witnessed in the Financial Accounts contained within this Annual Report because the lockdown began on 17<sup>th</sup> August 2021 and the Association's Financial Year ended on 31<sup>st</sup> August 2021.

The length of the lockdowns saw a number of table tennis events and tournaments throughout the country postponed, or cancelled altogether, which was heart-breaking for all the players who had been working and training so hard in order to achieve their goals.

Unfortunate for the Association was that the COVID-19 pandemic resurfaced with the country going into lockdown a week before The Victor 2021 Auckland Open – the Association's flagship event. Preparations were well underway with 255 entries received for the event and major sponsors on board. While the Association is still planning to hold the event at some date in 2021, at the time of writing it is unknown when Auckland will move to an Alert Level where we could feasibly hold the event and emulate the success of previous years.

On a positive note, prior to the lockdown the Association was able to run a number of competitions and events. A record number of entries were received for the 2021 ANZAC Open, 2021 Auckland Junior Open, and the 2021 Auckland Max-Play Tournament. Throughout the 2021 season the Association experienced strong growth in areas such as stadium keyholder membership, Interclub team entries, and School Holiday Coaching programme revenue.

The Tables in Communities project continues to gain interest and support from outside agencies, funders, and other sporting codes. The number of partnerships developed, and the number of opportunities to participate in table tennis within the Auckland region, have grown markedly during the 2021 season which bodes well for the ongoing success of the project. Table tennis tables have been placed in indoor and outdoor table sites to allow access at all times of day. There are currently 58 table sites listed on the free Seekapong app. The table sites host 157 table tennis tables for community use (some sites host more than one table tennis table). Seekapong links players with table tennis tables in public spaces and places, and with fellow members of the table tennis community who share an interest in table tennis. The Seekapong app currently has 2,037 user registrations and the number of registrations grows weekly. The Association has a goal of 15,000 user registrations on Seekapong. Progress has been hampered primarily due to the impact of the COVID-19 pandemic however the Association continues to strive towards the goal.

Likewise, the numbers in the grassroots and school coaching programmes delivered by Eberhard Kleiser and Dinyar Irani have grown considerably. Revenue from the 2021 April

School Holiday Coaching programme was the highest since the School Holiday Coaching programme began.

The Association is committed to improving the quality of our extensive development coaching programme. The Association continues to invest heavily into our coaching programmes and to create pathways for its players and coaches to develop and grow. The number of coaches and training partners contracted to assist with delivery continues to increase and the Association is grateful for their support and input. In particular, I acknowledge the dedication and hard work of the Auckland coaching team spearheaded by Head Coach Wei Zhong Jiang, and assisted by Hyo Joo Lee, Dinyar Irani, Roger Wang, Eberhard Kleiser, Hea Youn Choi, Yuchong Zhou, and Patrick Low.

The Auckland representative squad coaching programme run by Head Coach Wei Zhong Jiang continues to grow in numbers. Competition is fierce to fill the available places in the Auckland representative training squads. Internal qualification tournaments are utilised to allow players to move up and down the training squad tiers (Junior Club Small Group, Intermediate B Squad, Intermediate A Squad, and Elite Squad). Qualification tournaments also double as a vehicle to assist in selecting Auckland representative teams. Two qualification tournaments were held throughout the year which created an exciting competitive atmosphere within the wider group.

The 2020 Winter Interclub competition was completed just prior to Christmas 2020 due to delays caused by the COVID-19 pandemic. This meant that the 2021 Summer Interclub competition began in January 2021 (as opposed to October of the previous year). The 2021 Summer Interclub competition was completed however the 2021 Winter Interclub competition was only into its second round when COVID-19 struck subsequently postponing the continuation of the competition until further notice.

Despite the lockdowns, the Association delivered the majority of its tournament calendar including the 2021 Auckland Summer Open, 2021 ANZAC Open, 2021 Auckland Max-Play Tournament, and the 2021 Auckland Junior Open. Auckland players continued to perform well in tournaments that were held domestically.

There were no opportunities for our top-level players to compete internationally during the 2021 season. The 2021 New Zealand Open Table Tennis Championships were originally scheduled to be held in October, postponed to November, and finally cancelled due to the COVID-19 pandemic. This was heart-breaking for players, coaches, managers, and particularly Table Tennis Canterbury who had spent significant time preparing and planning to host the event.

The Association adjusted the criteria for the 2021 Commute Transportation Consultants ATTA Elite Player Scholarships several times during the season. This was due to the cancellation of the 2021 Oceania Championships, the postponement of the 2021 Auckland Open, and the cancellation of the 2021 NZ Open Table Tennis Championships. As a result, at the time of writing the Scholarships have not been awarded. Scholarship recipients for the 2021 season will be decided in the coming months. Nathan Xu was awarded the Errol Cheal Memorial Trophy for the 2021 Auckland Player of the Year for his performances winning the 2021 Auckland Summer Open Men's singles title, 2021 ANZAC Open Men's singles title, and the 2021 North Shore Open Men's singles title.

Due to increased demand for table tennis in the Auckland region, the Association made the important decision to expand staffing and welcomed Hongbing (Peter) Wu to the role of Stadium Administrator in late April 2021. Peter has been a long-time supporter and contributor to the Association and has already made a significant difference to our team

within the short period he has been employed, particularly in promoting stadium keyholder memberships and generating event sponsorship.

As always, the Association is eternally grateful for contributions from Gaming Societies, Community Trusts, Local Boards, and Sport Auckland who have been very supportive of our programmes during the 2021 season. Special mention must go to Cliff Freeman (Funding Officer) who continued to shine for the Association in obtaining funding for our many projects. The Association acknowledges the support of Blue Sky Community Trust, Blue Waters Community Trust, Dragon Community Trust, Foundation North, Four Winds Foundation, Grassroots Trust, Milestone Foundation, Mt. Wellington Foundation Ltd., NZCT, Pub Charity Limited, Rano Community Trust, TAB NZ, The Lion Foundation, The Trusts Community Foundation, and Trillian Trust who approved grants to the Association in a year when the funding sector also faced significant challenges and uncertainty due to the COVID-19 pandemic. We are grateful to Albert-Eden Local Board, Howick Local Board, Maungakiekie-Tamaki Local Board, and Orakei Local Board for their support during the past financial year. We are pleased to have received District Association Development Investment from Table Tennis New Zealand, and Tu Manawa Active Aotearoa funding support from Sport Auckland.

To our family of sponsors, a big thank you for continuing to support the Association in these challenging times. Sponsors included; Commute Transportation Consultants, Penberthy Insurance, Ray White Real Estate, Anran International (NZ) Limited, PRIZM Group, The Gateau House, and UNO Property Management. Product sponsorship was received from Rialto Cinemas, Domino's Pizza, and Coca-Cola.

The Association received support from the Ministry of Social Development in the form of Wage Subsidies, and support from the Inland Revenue Department in the form of Resurgence Support Payments due to the impact of the COVID-19 pandemic.

On a sad note, the Association farewelled one of its long-time stalwarts Jim Coad who passed away in August this year. Jim was a Life Member of the Association. Words cannot do justice to the contribution Jim made to the Association over many years. Jim will always be remembered fondly by members of the Management Committee, stadium keyholder members, and the wider Auckland table tennis community.

On behalf of the Association, I wish district associations and members of the table tennis community all the best for the festive season. I am hopeful that we can reopen our doors soon and get back to some semblance of normality growing the sport and providing more opportunities for people to play table tennis in Auckland.

Go well.

## **2020 / 2021 Auckland Interclub competition**

The Auckland Interclub competition continued to offer the option for teams to play with either two players or three players in a team on any one given night. Players in two-player teams contested two singles matches and one doubles match each. In three-player teams one player contested two singles matches, and two players each contested one singles match and one doubles match. Two-player teams could compete against three-player teams. The preference was for grades to be comprised of six teams and to contest a full round robin over the course of each five-week round. The top six grades competed on Thursday nights and the lowest grades competed on Wednesday nights. The Auckland Interclub competition continued to be run with a promotion / relegation system being employed between all grades.

The 2020 Auckland Winter Interclub competition attracted entries from 66 teams that were placed into eleven grades (66 teams entered during the 2019 season). The competition began on 22<sup>nd</sup> July, 2020 and was scheduled to run for two rounds, finishing in late September 2020. However, the competition was put on hold due to the Auckland Alert Level 3 lockdown in August 2020 and The Players' Domestic Table Tennis Championships in early October 2020. The competition resumed in mid-October 2020 and concluded on 10<sup>th</sup> December, 2020 after 10 weeks of play.

The 2021 Auckland Summer Interclub competition attracted entries from 72 teams that were placed into twelve grades (60 teams entered during the 2019 / 2020 season). The competition was scheduled to run for three rounds. The first and second rounds of the competition were slightly lengthened due to short Auckland Alert Level 3 lockdowns in February 2021 and March 2021. The third round of the competition ran without interruption. The competition concluded on 3<sup>rd</sup> June 2021 after 15 weeks of play.

The 2021 Auckland Winter Interclub competition attracted entries from 76 teams that were placed into twelve grades (66 teams entered during the 2020 season). In order to cater for all teams the Association introduced two eight team grades – B1 Grade on Thursday night, and D1 Grade on Wednesday night. The eight team grades were split into two pools of four teams that each contested a full round robin with semi-final crossovers and a final to determine the final placings for promotion / relegation purposes. The competition began on 9<sup>th</sup> June, 2021 and was scheduled to run for three rounds finishing in late September 2021. However, the competition was put on hold due to the Auckland Alert Level 4 lockdown in August 2021. One round of competition was completed for inclusion in this Annual Report.

The Interclub Player of the Year Awards were decided by determining the player who accumulated the most singles and doubles wins irrespective of grade. Awards were presented for the 2020 Auckland Winter Interclub competition and the 2021 Auckland Summer Interclub competition respectively. Oscar Jiang was the winner of the Bill Burns Memorial Trophy for Winter Interclub Player of the Year. Carrie Guo was the winner of the Dick Rassie Memorial Trophy for Summer Interclub Player of the Year. Prizes were also awarded to the first placed teams in each grade after the final round of competition.

All Auckland junior representative players, and all Auckland senior representative players vying for selection in the Auckland Open Men's A team, Open Men's B team, Open Women's A team, and Open Women's B team were required to compete in at least 50% of Auckland Winter Interclub team contests. However, the New Zealand Open Table Tennis Championships were cancelled in the 2021 season.

Funding was received from Blue Waters Community Trust and NZCT as a contribution towards the contract fees of David Jackson (Competitions Manager) which included delivery of the Auckland Interclub competition.

## **2021 Auckland Interschools table tennis competition**

The Auckland Table Tennis Association was responsible for collection and processing of entries for the Auckland Interschools table tennis competition Term One (Pre-season) competition. The competition attracted 54 entries, which was a large increase compared with the 36 entries received for the same competition in the 2020 season and continued a recent trend. All team contests for the Term One (Pre-season) competition were delivered from the Auckland table tennis stadium in one session that ran on Fridays from 3.45p.m. – 6.00p.m. The competition was revised to run for four weeks (as opposed to the usual six weeks) due to short Auckland Alert Level 3 lockdowns in February 2021 and March 2021 because of the COVID-19 pandemic. Certificates were awarded based on results after four weeks of play.

College Sport collected entries for the Auckland Interschools table tennis competition Term Two (Winter) and Term Three (Early Spring) competitions. Entries were collected via the EnterNow system and then forwarded to the Association following the close of entries. Two venues hosted the four sessions of the 2021 Auckland Interschools table tennis competition in Term Two (Winter) and Term Three (Early Spring):

- a) Central Auckland venue: Auckland table tennis stadium; Thursday 3.45p.m. – 6.00p.m., Friday 3.45p.m. – 6.00p.m., Friday 6.00p.m. – 8.15p.m.
- b) East Auckland venue: St. Kentigern College sports hall, Friday 3.45p.m. – 5.35p.m.

The Auckland Interschools table tennis competition Term Two (Winter) was played to completion. There were seven weeks of play. Certificates were awarded.

The Auckland Interschools table tennis competition Term Three (Early Spring) competition was discontinued after two weeks of play due to the Auckland Alert Level 3 and Alert Level 4 lockdown that began in August 2021 because of the COVID-19 pandemic. Certificates were awarded based on results after two weeks of play.

Entry numbers were as follows:

- a) 2021 Auckland Interschools table tennis competition Term One (Pre-season): 54 teams (from 36 teams in 2020), competition revised to run for four weeks due to the COVID-19 pandemic
- b) 2021 Auckland Interschools table tennis competition Term Two (Winter): 143 teams (from 149 teams in 2019, not held in 2020), competition played to completion over seven weeks
- c) 2021 Auckland Interschools table tennis competition Term Three (Early Spring): 137 teams (from 129 teams in 2020), competition discontinued after two weeks of play

Funding was received from Blue Waters Community Trust and NZCT as a contribution towards the contract fees of David Jackson (Competitions Manager) which included delivery of the Auckland Interschools table tennis competition.

## **2021 Auckland Primary & Intermediate Interschools table tennis team competition**

The Auckland Table Tennis Association continued to deliver the Auckland Primary & Intermediate Interschools table tennis team competition that was first established during the 2016 season. The competition primarily catered for Year 5, 6, 7, and 8 students and was offered at a venue in Central Auckland and a venue in East Auckland to address the barrier of transport. The competition ran during Term Two and Term Three and experienced solid growth in participation numbers, particularly at the Central Auckland venue.

The 2020 Auckland Primary & Intermediate Interschools table tennis competition (Term Three) began in late July 2020 however, after two weeks of play, the competition was put on hold due to the Auckland Alert Level 3 lockdown that began in August 2020 because of the COVID-19 pandemic. The competition resumed in Term Four, and concluded in late November 2020. Unfortunately, eight teams from St. Peter's College were not able to compete in the Central Auckland competition in Term Four and had to withdraw. Certificates were awarded.

The Auckland Primary & Intermediate Interschools table tennis team competition was played to completion. There were eight weeks of play. Certificates were awarded.

The 2021 Auckland Primary & Intermediate Interschools table tennis competition (Term Three) competition was discontinued after two weeks (as opposed to the usual eight weeks) due to the Auckland Alert Level 3 and Alert Level 4 lockdown that began in August 2021 because of the COVID-19 pandemic. Certificates were not awarded.

Funding was received from Blue Waters Community Trust, Four Winds Foundation, NZCT, Pub Charity Limited, and The Trusts Community Foundation as a contribution towards Eberhard Kleiser's Development Coach salary. Part of Eberhard Kleiser's role was to deliver junior table tennis development programmes, and offer increased opportunities for juniors to participate in table tennis, which included promotion, support, and delivery of the Auckland Primary & Intermediate Interschools table tennis team competition.

## The Victor 2020 Auckland Open

6<sup>th</sup> – 8<sup>th</sup> November 2020, Auckland

The Auckland Open continued to be the premier event on the Auckland Table Tennis Association tournament calendar. Naming rights sponsorship was secured from The Victor for the 2020 event.

The Victor 2020 Auckland Open was originally scheduled to be contested in August 2020 however the tournament was affected by the COVID-19 pandemic and the resulting lockdowns. Therefore, the tournament was postponed to November 2020.

The Association received 197 entries from players affiliated to Auckland, Counties-Manukau, Manawatu, Northland, North Shore, Otago, and Waitemata. The COVID-19 pandemic resulted in less players being prepared to travel and congregate in large groups to participate in tournaments. There was a significant reduction in entry numbers as compared to the 2019 Auckland Open which hosted 252 players.

The Association continued to advertise, promote, build recognition, and raise awareness of the Auckland Open. Advertising continued to be conducted via e-mail, the Association website, Facebook, printed flyers, and word of mouth. The Open Finals session was held on the evening of Saturday 7<sup>th</sup> November, 2020. Over 181 spectators collected free tickets to enter the spot prize draws held during the Open Finals session. The number of spectators decreased significantly as compared with the 2019 Auckland Open which attracted over 300 spectators.

The Open event sponsors were; Penberthy Insurance, Commute Transportation Consultants, Ray White Real Estate – Parnell, UNO Property Management, and PRIZM DataTech. Coca-Cola donated merchandise. The Gateau House donated gift vouchers. Free food and soft drinks were distributed to spectators during the Open Finals session including Tip Top ice cream, confectionery donated by Jim Coad, and baked goods.

The Open Finals session began with the Open Men's doubles final, followed by the Open Women's singles final, and concluded with the Open Men's singles final. Only one final was in progress at any one time which enabled a centre court atmosphere to be created around a single table. Dinyar Irani was appointed as Open Finals session MC.

Errol started playing table tennis as an 11 year old on the kitchen table and kept competing until failing eyesight forced him to stop at the age of 88. Errol was a table tennis player, administrator, coach, and mentor, and achieved a number of milestones throughout his lifetime:

- Eila Bower: wife of John Bower (former Chairman & President of the Association), and mother of Hagen Bower (New Zealand representative player, Olympian, & former Chairman of the Association)
- Jim Coad: Life Member of the Association (1986), President (2011-2012), Management Committee member for 40 years, Drawn Doubles originator & coordinator, master fundraiser, volunteer, and Interclub player
- Corallie Eagle (nee McGuire): stylish defensive player, Auckland representative player, and achieved a National Ranking of 10 in the 1956 season

## **JIM COAD**

**10<sup>th</sup> August 1925 – 10<sup>th</sup> August 2021**

### **Auckland Table Tennis Association:**

Life Member (1986)

President (2011-2012)

On a playing note, Jim Coad was a regular participant in Interclub. One interesting table tennis title Jim won was the Generation Doubles, with his son Trevor, at the Valley Kwok Family Tournament in 1982. In later years Jim enjoyed participating at Day Club.

Jim was an extremely dedicated volunteer. Jim joined the Association Management Committee in 1982. Jim took on the role of convenor of the Fundraising Committee at a time when the Auckland Table Tennis Association (“the Association”) was rebuilding after an arsonist set fire to the Auckland table tennis stadium. Jim arranged garage sales, Las Vegas evenings, tote tickets, raffles, and Pingpongathons.

Jim’s standout fundraising activity was Housie which he introduced at the Association beginning in 1984 and hosted weekly on Saturday evenings. Jim coordinated all aspects of the Housie evenings which quickly became the major fundraising activity for the Association. Jim spent 11 years’ worth of Saturday evenings organizing and delivering Housie with his team of helpers, hardly having a weekend off during that time – an example of Jim’s incredible qualities of reliability and dependability. Jim’s wife Yvonne was often by his side preparing supper in the cafeteria, particularly in the early years. Housie evenings ended in October 1995 having generated a profit of over \$210,000 for the Association. To put that achievement in perspective, the average Auckland house price was only \$138,000 in 1995.

Jim was always looking for ways to contribute and to serve. Jim volunteered at the Hosting Inclusive Table Tennis special needs programme at the Association. Jim bought bananas for the students and volunteers to eat at morning tea. It became such a tradition that the volunteers affectionately named him “Banana Jim”.

Jim ran social Drawn Doubles evenings for the Association. Drawn Doubles became a fixture on the Association calendar. The 2020 Christmas Drawn Doubles was the 49<sup>th</sup> edition. The Management Committee would receive a full breakdown of expenditure for Drawn Doubles after the event, meticulously typed out on Jim’s typewriter. However, the most memorable part of Drawn Doubles evenings was the close Coad family bond. It started with Jim’s wife Yvonne preparing supper in the cafeteria, and son Trevor playing. In recent years we saw Jim’s daughters Alison and Sharon, and grandchildren Jasmine, Claire, and Ben all contribute to keeping the Drawn Doubles running.

Jim was elected a Life Member of the Association in 1986 and served as President of the Association in 2011 and 2012. Jim was still a member of the Management Committee in 2021 after 40 years of service.

The Management Committee, stadium keyholder members, and the Auckland table tennis community will miss Jim’s presence around the Association. Jim was an icon, who was well respected, and cannot be replaced.

## **COVID-19 pandemic**

The Auckland table tennis stadium was required to shut due to the COVID-19 pandemic and the ensuing short Auckland Alert Level 3 lockdowns in February 2021 and March 2021. The stadium re-opened under Alert Level 2 with access granted on a booking basis only. The Association committed to staffing the stadium from 10.00a.m. – 11.59p.m. during Alert Level 2 to allow players the best opportunity to get back to participating in table tennis. Clubs did not run during Alert Level 4 or Alert Level 3. The Association resumed development coaching groups in the Auckland table tennis stadium under Alert Level 2.0 with appropriate measures in place. The Association returned to normal activity at Alert Level 1 with continued hygiene precautions in place.

The Auckland table tennis stadium was required to shut due to the COVID-19 pandemic and a major Auckland Alert Level 3 and Alert Level 4 lockdown that began on 17<sup>th</sup> August 2021. The lockdown has not ended at the time of writing (late October 2021). The Association continues to monitor NZ Government guidance and make announcements as information comes to light. Delivery of sport and recreation will be required to change in the future, particularly for indoor sport and recreation providers.

During the lockdowns the Association kept in regular contact with the table tennis community through e-mail, website, Facebook, Instagram, and You Tube. The Association is in the process of creating an e-book for distribution to the table tennis community.

The Association received COVID-19 support from the Ministry of Social Development in the form of the wage subsidies and resurgence support payments. The Association applied for support from the Tamaki Makaurau Sector Support Fund in October 2021.

## **Club activities external to the Auckland table tennis stadium**

### **East Auckland Table Tennis Club:**

Eberhard Kleiser continued to deliver the East Auckland Table Tennis Club at the Pakuranga Community Hall on Tuesday nights. The Pakuranga Community Hall was shut during COVID-19 Alert Level 3 and Alert Level 4. As a result, the East Auckland Table Tennis Club ran on 31 occasions during the period November 2020 – August 2021. There was an average attendance of 16 players per session.

### **Eastern Table Tennis Club:**

Bob Inns coordinated the Eastern Table Tennis Club which ran on Monday nights in the St. Thomas' School Hall. The St. Thomas' School Hall was shut during COVID-19 Alert Level 3 and Alert Level 4. The Club offered free membership for all participants (students and seniors). Attendance numbers were strong. One team from the Eastern Table Tennis Club regularly competed in the Auckland Interclub competition.

Eberhard Kleiser began delivery of free development coaching to students at St. Thomas' School on Monday lunchtimes in March 2021. Attendance numbers were strong with an average of 27 students attending each development coaching session. St. Thomas' School students also received free entry into the Eastern Table Tennis Club. In return, the Eastern Table Tennis Club received free hall hire from St. Thomas' School.

### **French Bay Table Tennis Club:**

Bryce Kay delivered the French Bay Table Tennis Club in the St. John Vianney Catholic Church Hall in Hillsborough on Tuesday nights. The Club ran from 30<sup>th</sup> March 2021 until 10<sup>th</sup> August 2021 before closing due to the COVID-19 pandemic and ensuing lockdowns. The Club intends to start 4 weeks earlier in the 2022 season due to lost playing time during the 2021 season. During the 2021 season the Club experienced reduced attendance numbers (an average of 5 – 6 players per night). The reduction in attendance numbers was primarily attributed to the disrupted 2021 season.

### **Tune Table Tennis Club:**

Dinyar Irani (Tables in Communities Project Manager / Development Coach) continued to deliver Tune Table Tennis Club on Saturday afternoons which was first established in the 2019 season. The Club was based in the Pakuranga College School Hall in Pakuranga. Tune Table Tennis Club ran on 24 occasions during the 2021 season. A total of 122 players attended the Club during the 2021 season (79 players attended in the 2020 season).

In 2021, Tune Table Tennis Club saw an increase in the number of players who were interested in developing their game to become to competitive club level players, then to progress to become Auckland representative players. To cope with this demand, Tune Table Tennis ran two group coaching sessions on Saturday afternoons. The first group coaching session (Tune Table Tennis B Squad) ran from 2.00p.m. – 4.00p.m. and targeted younger children and beginners. An average of 18 players attended Tune Table Tennis B Squad each week. The second group coaching session (Tune Table Tennis A Squad) ran from 4.00p.m. – 6.30p.m. and targeted players aiming to become competitive club level players or Auckland representative players. An average of 14 players attended Tune Table Tennis A Squad each week.

The COVID-19 pandemic, local elections, and school productions affected availability of the Pakuranga College School Hall which led to irregular training opportunities for Tune Table Tennis Club members.

Tune Table Tennis Club acknowledged the support of the Auckland Table Tennis Association and Pakuranga College.

### **Waiheke Table Tennis Club:**

Herve Mavre continued to deliver the Waiheke Table Tennis Club on Sunday afternoons which was first established in the 2019 season. The Club was based in the Onetangi Hall on Waiheke Island. The Club stopped all play in August 2021 due to the COVID-19 pandemic and ensuing lockdowns.

### **Club activities based at the Auckland table tennis stadium**

**Central Club:** Continued to run on Monday evenings from 7.00p.m. – 10.00p.m. Eberhard Kleiser coordinated the Central Club which was run on a ladder system. Matches were played the best of one game to 11 points, and play was self-managed via a series of boards placed at the end of each table which allowed players to move their name tag up or down a table based on the result of their match. The Central Club was shut during COVID-19 Alert Level 3 and Alert Level 4. As a result, Central Club ran on 31 occasions during the period November 2020 – August 2021. Central Club attendance numbers were very strong with an average attendance of 47 players per session.

**Day Club:** The New Zealand Chinese Table Tennis Association (NZCTTA) delivered the Day Club on Mondays, Wednesdays, Saturdays, and Sundays from 9.30a.m. – 12.30p.m. The Day Club was shut during COVID-19 Alert Level 3 and Alert Level 4. The NZCTTA delivered a Team Tournament in November 2020, Open Individual Tournament in August 2021, and a Junior Individual Tournament in August 2021. The Association and the NZCTTA continued their partnership whereby stadium keyholder members' annual Day Club administration fee was covered by the Association for the 2021 season. It is intended for this partnership to continue in future seasons.

**Korean Club:** Continued to be delivered by Hyo Joo Lee and Richard Kang under the auspices of the Korean Table Tennis Association of New Zealand. The Club ran on Saturday nights from 6.00p.m. – 10.00p.m. The Korean Club was shut during COVID-19 Alert Level 3 and Alert Level 4. The Club was open to all players. Hyo Joo Lee and Hea Youn Choi delivered free coaching to attendees at the Club. The coaching was funded by the Association.

**University of Auckland Table Tennis Club:** Sophie Low succeeded George (Honggang) Zhang as President of the University of Auckland Table Tennis Club for the 2021 season. The Club ran on Sunday nights from 6.30p.m. – 9.30p.m. Attendance numbers were strong which placed pressure on table availability at various points in the season. The Club was shut during COVID-19 Alert Level 3 and Alert Level 4. The Club ran from March 2021 to August 2021.

### **Stadium keyholder memberships & table hire**

The Association experienced strong growth in stadium keyholder membership numbers during the 2021 season. Directly prior to COVID-19 lockdown beginning on 17<sup>th</sup> August 2021 there were 412 paying stadium keyholder members – a record number. In addition, the Association had close to a full financial year of generating stadium keyholder membership revenue. As a result, revenue from stadium keyholder memberships increased markedly for the 2021 season as compared to the 2020 financial year which was significantly disrupted by COVID-19 lockdowns.

The majority of stadium keyholder members pay a lump sum membership fee in advance (306 members). The balance of stadium keyholder members pay a weekly membership fee via Debit Success (106 members). The Association has committed to extending stadium keyholder memberships by the period that Auckland is at COVID-19 Alert Level 3 and Alert Level 4. Therefore, the receipt of revenue from stadium keyholder memberships paid by lump sum will be delayed in the 2021 / 2022 financial year. The financial impact of the long Alert Level 3 and Alert Level 4 lockdown (beginning on 17<sup>th</sup> August 2021) on stadium keyholder memberships will be realised in the next financial year. Historically the majority of stadium keyholders have been quick to return to play whenever Auckland moves to Alert Level 2.5 or below.

Stadium keyholder members were entitled to free attendance at Central Club, Day Club (including the Day Club administration fee), Day Club U19 training, Girls Coaching, Junior Club, Interclub (excepting the team entry fee), and Korean Club. In addition, stadium keyholder members received a 15% reduction in entry fees when they entered Auckland regional tournaments and were eligible to enter a draw to win a free extension equal to the term of their current stadium keyholder membership at The Victor 2020 Auckland Open.

Revenue from stadium and table hire increased significantly as compared with the previous financial year due to the amount of time the Auckland table tennis stadium was required to be shut as a result of the COVID-19 pandemic during the 2020 season. The Auckland table tennis stadium was booked by organisations such as the Aotearoa Maori Table Tennis Association, Auckland Chinese Table Tennis Association, New Zealand Chinese Table Tennis Association, Table Tennis New Zealand, Summit Chess Club, and Manukau Institute of Technology. Tables were hired for coaching by school groups such as ACG Parnell College, Dilworth School, and St. Peter's College.

The Association Management Committee made a significant change to the way in which coach fees were administered from 1<sup>st</sup> March 2021. The Gold coach fee and the Standard coach fee were discontinued. Association registered coaches were charged a table fee of \$10.00 per hour while delivering coaching from Monday – Friday. Association registered coaches were charged a table fee of \$20.00 per hour while delivering coaching from Saturday – Sunday. Association registered coaches were invoiced for table fees on a fortnightly basis with 7-day payment terms. The change led to a significant revenue stream being created from coach table fees.

Stadium keyholders continued to actively arrange their own practice independent of Clubs and other organised play opportunities. This was key to allowing a quick return to play for stadium keyholders at Alert Level 2. The Association coordinated and managed bookings for players in the Auckland table tennis stadium at Alert Level 2 between the hours of 10.00a.m. – 11.59p.m.

The marked increase in stadium keyholder members using the Auckland table tennis stadium in conjunction with increased participation in Association development coaching, competitions, events, and casual play led to increased pressure on table availability. The Association worked to

address the issue by erecting additional tables at strategic times and instituting a coach booking system. However, long-term there is a shortage of table tennis courts which must be addressed.

## **Facilities Development Projects**

a) Facilities Development Project 1: The Association, in conjunction with the Auckland Badminton Association, recognise that facility space is a major constraint in meeting the demand for table tennis and badminton in the Auckland community. Auckland Council has acknowledged that there is a shortage of indoor court space in the greater Auckland region. Both table tennis and badminton have large demand and participation rates, especially amongst junior players, and rate well amongst the increasingly diverse Auckland community. The Association is partnering with Auckland Badminton Association and Olympic Weightlifting Auckland to pursue funding for the staged redevelopment of the existing Gillies Avenue site through the Auckland Council Sport & Recreation Facilities Investment Fund. The key strategy to meet demand is to develop the Gillies Avenue site that will then serve as the regional facility for table tennis and badminton in Auckland. Stage 1 is creating a building with under-croft parking to bridge the carpark between the existing Auckland table tennis stadium and Badminton Hall and create additional court space that would be shared by table tennis and badminton as demand necessitated. Olympic Weightlifting Auckland would be housed within the new development.

b) Facilities Development Project 2: the Association is a founding member of the Lloyd Elsmore Community Hub. The purpose of the Hub is to construct a multi-club and code facility at Lloyd Elsmore Park to accommodate the four Founding Members (Auckland Table Tennis Association, Howick Gymnastics Club, Pakuranga Bowling Club, and Pakuranga Tennis Club). The Hub will reflect the values and principles of member organisations and will embrace and encourage community use of the Hub for sport and other recreation activities. The Hub is engaging with Howick Local Board, Auckland Council, and Sport Auckland.

## **Drawn Doubles**

Jim Coad and his family delivered a Drawn Doubles evening in conjunction with the 2020 Winter Interclub prizegiving. The Drawn Doubles was the Association's end of year social function and was held on 26<sup>th</sup> November 2020. The Drawn Doubles attracted 64 entries (there were 60 entrants in the 2019 season).

Jim Coad passed away on 10<sup>th</sup> August, 2021. The Association plans to continue holding Drawn Doubles evenings in memory of Jim and his amazing contribution to the Association over an extended period of time. Drawn Doubles evenings will be held during November each year (when possible), and will be held in conjunction with Winter Interclub prizegiving. The date of the 2021 Drawn Doubles and Winter Interclub prizegiving will likely be delayed due to the COVID-19 pandemic and ensuing lockdowns.

Dinyar Irani delivered regular development coaching sessions to schools including ACG Parnell College, Glendowie College, and Pakuranga College.

### **Tables in Communities project**

The Association undertook the Tables in Communities project (Year 3) with the vision to link table tennis resource with technology in conjunction with a comprehensive development programme. Dinyar Irani was employed as Tables in Communities Project Manager.

The Tables in Communities project is growing junior and community participation by putting table tennis tables into community indoor and outdoor spaces, supporting those tables with localised programmes, and building a new network of playing communities at multiple sites across Auckland. The project includes an innovative approach that uses technology to link players with table tennis tables in public spaces and places and with fellow members of the table tennis community.

The Association promoted the free Tables in Communities app – Seekapong – which shows people where to access table tennis within their community and links people with each other through the sport of table tennis, thus forming an interactive table tennis community. Table sites are listed on the free Seekapong app. Seekapong links players with table tennis tables in public spaces and places, and with fellow members of the table tennis community who share an interest in table tennis. Engagement with the table tennis community is ever increasing. The Seekapong app currently has 2,037 user registrations and the number of registrations grows weekly. The Association finalized trademark registration of “Seekapong” in New Zealand and Australia in April 2021. The Association finalized Phase 2.1 development of Seekapong to enable the Association to distribute the app wider than the Auckland region in August 2021.

Table tennis tables have been placed at indoor and outdoor table sites to allow access at all times of day. New table sites have been established, and partnerships have been formed with existing table sites. There are currently 58 table sites listed on the free Seekapong app. The table sites host 157 table tennis tables for community use (some sites host more than one table tennis table). The number of table sites spread throughout the community has reduced transport as a barrier to participation.

Table tennis tables, bats, and balls were placed in community spaces and places and made available to the general public free of charge, or at very low cost. 41 of the table tennis table sites are free to participate at, and a further 6 of the table sites cost \$5.00 or less to participate, thereby removing cost as a barrier to participation.

The Association engaged with community groups, Clubs, Marae, recreation centres, schools, libraries, corporates, Local Boards, and Auckland Council. Some examples of the diverse array of groups that have entered into a Memoranda of Understanding (MOU) with the Association include Aotea Sport & Recreation Association, Auckland Normal Intermediate, Dunkirk Road Activity Centre, East Tamaki Tavern, Glen Taylor School, Gribblehirst Community Hub, Headway: Brain Injury Auckland, Kahui Tu Kaha, Orakei Bay Village, Otahuhu Pataka Korero

Library, Pakuranga Plaza shopping centre, Refugees As Survivors New Zealand, S-energy Sports Club, Tatai Hono Marae, and many others.

The Association conducted a survey of participants in the Tables in Communities project. Responses were received from 125 people and revealed the following:

- a) 100% of respondents enjoyed playing table tennis
- b) 86.4% of respondents played table tennis with someone they did not know before they met through table tennis
- c) 81.6% of respondents reported that if there was a table tennis table close to their home (within 5km) they would play table tennis more often
- d) 80% of respondents made a new friend through playing table tennis

The goals for the Tables in Communities project to be achieved by 1<sup>st</sup> December, 2021 are as follows:

- a) 15,000 players registered on the Seekapong app (currently 2,037 player registrations)
- b) 100 table tennis tables distributed in the community (92 table tennis tables purchased with 62 of those table tennis tables distributed in the community)
- c) 40 MOUs signed with Local Boards and facilities (57 MOUs signed)

Progress towards player registrations on the Seekapong app and distribution of table tennis tables in the community has been hampered by the COVID-19 pandemic and ensuing lockdowns. However, the Association continues to strive towards the identified goals for the Tables in Communities project.

Funding was received for Dinyar Irani's role from Blue Sky Community Trust, Foundation North (funding received in May 2020), Maungakiekie-Tamaki Local Board, Mt. Wellington Foundation, NZCT, Table Tennis New Zealand, and Tu Manawa Active o Aotearoa. In addition, Dinyar Irani was contracted out to North Harbour Table Tennis Association to conduct development programmes in the North Harbour region.

Funding was received for Tables in Communities project table tennis tables, bats, and balls from Albert-Eden Local Board, Four Winds Foundation, Lion Foundation, Pub Charity Limited, Trillian Trust, and Tu Manawa Active o Aotearoa. Lion Foundation provided funding as a contribution towards the cost of Seekapong app development.

During the 2021 season the Association delivered Tables in Communities project activations for Dunkirk Road Activity Centre, Glenfield Intermediate School, Mt. Eden Normal Primary School, Northcote Intermediate School, Onehunga Community Centre, Pakuranga Plaza shopping centre, Panmure Bridge School, Parnell District School, Refugees as Survivors New Zealand Youth, and Tupu Youth Library. The Association delivered a table tennis activation in Newmarket Train Station Square in conjunction with Sport Auckland over two weekends in March 2021.

**Members of the table tennis community gathered for a Seekapong Shootout Tournament at the Pakuranga Plaza shopping centre in July 2021**

The Association continued to create content and build a social media following during the 2021 season. Social media is an important avenue to promote registration on Seekapong and to create further interest in table tennis throughout the Auckland region, nationally, and internationally. As of October 2021 the Association has:

- a) Facebook account – over 3,610 friends
- b) Facebook page – over 2,360 likes
- c) Instagram – over 770 followers
- d) WeChat Official page – promotes Association activities and Seekapong
- e) You Tube channel – over 220 subscribers

Rialto Cinemas Newmarket and Dominos Newmarket (pizza) continued to support the Tables in Communities project with product sponsorship. The product sponsorships form the basis of an incentives and giveaways programme to promote registrations on Seekapong and increased usage of the app.

Funding was received for Hea Youn Choi's role from Lion Foundation and Milestone Foundation.

**School Holiday Coaching:** Operated over the course of one week in each of the school holidays and ran from 9.00a.m. – 4.00p.m. each day of the programme. The School Holiday Coaching programme continued to attract strong attendance numbers. Students had the option of attending for a single day, multiple days, or the entire week. The Association limited the number of registrations to 80 students on any one day for health and safety considerations and in order to ensure quality of delivery. Revenue from the School Holiday Coaching programme continued to increase due to the price increase instituted in October 2020.

Dinyar Irani, Eberhard Kleiser, and Patrick Low promoted the programme directly to students in schools while conducting demonstrations, promotions, and development coaching. The Association continued to maintain a School Holiday Coaching programme contact list and promoted directly to past attendees. The programme was delivered by Dinyar Irani, Eberhard Kleiser, Hyo Joo Lee, and Patrick Low. Students aged from 5 - 16 years participated in the programme. The programme was structured to develop students' basic table tennis skills.

In addition, the results were used to assist in selecting Auckland representative teams to compete in the 2021 New Zealand Open Table Tennis Championships.

The results of the first Auckland Elite Squad qualification tournament (in August 2021) were used to assist in selecting Auckland representative teams to compete in the 2021 New Zealand Open Table Tennis Championships.

The Association continued to implement selection criteria to deem players eligible for selection in Auckland representative teams to compete at the 2021 New Zealand Open Table Tennis Championships. ## **Sponsorship**

**Commute Transportation Consultants** provided sponsorship of \$3,000 to the Association for the 2021 season. The funds were targeted towards the continuation of the Commute ATTA Elite Player Scholarships for the 2021 season. The 2021 season was the third year in which Commute Transportation Consultants were associated with the scholarships.

The 2021 international season was cancelled due to the COVID-19 pandemic. Traditionally the scholarships assisted elite players with costs associated with attending international table tennis events. The Association adjusted the criteria for the 2021 Commute Transportation Consultants ATTA Elite Player Scholarships several times due to the cancellation of the 2021 Oceania Championships, the postponement of the 2021 Auckland Open, and the cancellation of the 2021 NZ Open Table Tennis Championships. It is my pleasure to present this Financial Report as Treasurer of the Auckland Table Tennis Association (Inc).

You are referred to the Accounts enclosed in this Annual Report.

The Association had an excess of Income over Expenditure for the year of \$42,676. This compares to last year's result of an excess of Income over Expenditure of \$6,522.

The Statement of Financial Performance shows the impact of the (partial) return to a normal operating environment. Of particular note is the increasing impact of Coaching and School Holiday Camps as the Association accommodates ever-increasing numbers of attendees and re-aligns its coach charging regime to a more-marketed approach. In addition, Stadium Memberships and Trust income remain significant contributors to the Association's income. The operational costs of the Association are dominated by the salaries and associated costs of its 4 salaried staff and by stadium-related costs and the Tables in Communities initiative.

The Statement of Financial Position shows that the Association remains in a healthy financial state with significant funds-although the impact of the current lockdown will make some inroads into this position.

Regards,

**Bob Inns**  
Honorary Treasurer

## **AUDITOR'S REPORT TO THE MEMBERS OF THE AUCKLAND TABLE TENNIS ASSOCIATION (Inc.)**

I have audited the accompanying Financial Statements which show an excess of income over expenditure for the year \$42,676.

The Financial Statements provide information about the past financial performance and position of Auckland Table Tennis Association (Inc.) as at 31 August 2021. This information is stated in accordance with the statement of accounting policies detailed in the financial statements.

### **Responsibilities of the Management Committee**

The Management Committee is responsible for the preparation of Financial Statements, which fairly reflects the financial position of the Association as at 31 August 2021 and of the results of their operations for the year ended on that date.

### **Auditor's responsibilities**

It is my responsibility to express an independent opinion on the Financial Statements presented by the Management Committee and report my opinion to you. As I am not a member of the Management Committee nor am I involved in the day-to-day activities of the Association I believe that I am able to give an independent opinion.

### **Basis of Opinion**

An audit includes examining on a test basis, evidence relevant to the amounts and disclosures in the Financial Statements. It also includes assessing:

- The significant estimates and judgements made by the elected officers in the preparation of the Financial Statements, and
- Whether the accounting policies are appropriate to the Association's circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted New Zealand auditing standards, except that my work was limited as explained below. I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the Financial Statements are free from material misstatements, whether caused by fraud or error. In forming my opinion I have also evaluated the overall adequacy of the presentation of information in the Financial Statements.

### **Qualified Opinion**

In common with organizations of a similar nature, a portion of the Association's recorded income is from cash sources and there is limited control over this income prior to its being recorded. There are no practical audit procedures to determine the effect of this limited control.

In my opinion, subject to the possible effect of the limited control referred to in the preceding paragraph, the accompanying Financial Statements reflect the financial position of the Association as at 31 August 2021 and the results of its operations for the year ended on that date.

My audit report was completed on 29th October 2021 and my qualified opinion is expressed as at that date.

J.R.Hally CA (Hon. Retired)
