## **Chairman's Report**

### **2022 Annual Report**

The 2022 season was back to some sort of familiarity with the end of lockdowns, the traffic light system, and (fingers crossed) the Covid pandemic. The hangover effect from Covid has meant that a number of Association programmes are back running however programmes such as the Auckland Interschools table tennis competition, Day Club, and regional tournaments are not yet back up to pre-Covid numbers. That said, there has been continual progress and we are optimistic that we will be running at somewhere near capacity once again in the near future.

The last lockdown began on 17<sup>th</sup> August 2021. The Association reopened its doors after the lockdown on 3<sup>rd</sup> December 2021 with a vaccination policy and restrictions in place. The lockdown meant the cancellation of some activities such the 2021 Auckland Spring Open and 2021/2022 Summer Interclub. The Victor 2021 Auckland Open and the final rounds of 2021 Winter Interclub were postponed. The delays meant that it was a congested start to the 2022 season with the resumption of Winter Interclub from the previous season and holding The Victor 2021 Auckland Open soon after the 2022 ANZAC Open concluded in April 2022.

While the lockdown from 17<sup>th</sup> August – 3<sup>rd</sup> December 2021 had an impact on the financial accounts for this year it should be acknowledged that the Association received significant financial support from the Ministry of Social Development in the form of wage subsidies, from Inland Revenue Department in the form of resurgence support payments and the transition support payment, and from Sport New Zealand in the form of the Tamaki Makaurau Sector Support Fund. What this meant was that the Association was able to maintain its staff despite the Auckland table tennis stadium being closed for a substantial time and reopening with restrictions.

Once all restrictions were lifted the association was able to run its programmes and events without interruption. This included the hosting of events run by Table Tennis New Zealand such as the 2022 NZ Veteran Championships, 2022 TTNZ Hopes Event, a Northern Region training camp, and a National training camp.

2022 also saw the resumption of international tournaments within the Oceania region with the Oceania Youth and Senior Championships held in Melbourne, Australia. The Association was well represented in the New Zealand team with nine of the 20 team members being affiliated to Auckland, including several first-timers to international competition. It is hoped that opportunities for players from all over New Zealand to play internationally will increase as the world gets back to some sort of normality post the pandemic.

The 2022 season saw the New Zealand Open return after a two-year absence due to the pandemic. Auckland was proud to be the host venue. TTNZ did a fantastic job with their newly appointed competition team running the Championships. The Championships ran over nine days with a great turn out from around the country. The Association was very successful over the course of the Championships winning gold in the following team events; Under 15 Boys', Under 15 Girls', Under 19 Boys', Under 19 Girls', Open Men's, and Open Women's. In addition, there were several outstanding individual performances from Auckland players including Ayumi Moriyama-Picard winning the Under 13 Girls' singles, Carrie Guo winning the Under 15 Girls' singles and Under 19 Girls' singles, Alex Liu Cao winning the Under 19 Boys' singles, Joanna Yang winning the Under 21 Women's singles, Adrian Soh winning the

Over 30 Men's singles, and Jin (Kim) Wang winning the Open Women's singles. In addition, a number of Auckland players were successful in winning national titles in doubles and mixed doubles.

The Association's flagship event, the Auckland Open, was run twice in the 2022 season due to delays with the pandemic. Both events were well supported by both players and spectators with the \$1,000 spectator spot prize continuing to be a special draw card at the Open Finals session. Dean Shu won the Open Men's singles title and Carrie Guo won the Open Women's singles title at The Victor 2021 Auckland Open which was held in April 2022. Nathan Xu won the Open Men's singles title and Jin (Kim) Wang won the Open Women's singles title at The Victor 2022 Auckland Open which was held in August 2022. It was great to see some overseas participants from Australia at The Victor 2022 Auckland Open, and special mention should go to JFR International Development who donated \$8,000 towards prize money for the Open Men's singles and Open Women's singles.

The Association made adjustments to its normal criteria for the 2021/2022 Commute ATTA Elite Player Scholarships due to the limited opportunities to travel overseas for international play. Scholarships were awarded on the basis of combined results from The Victor 2022 Auckland Open and the 2022 New Zealand Open. Scholarship recipients for the 2022 season were Alex Liu Cao, Joanna Yang, Timothy Choi, Carrie Guo, Youngmin Kim, and Ayumi Moriyama-Picard. Jin (Kim) Wang was awarded the Errol Cheal Memorial Trophy for the 2022 Auckland Player of the Year. Alex Liu Cao was awarded the 2022 Auckland Junior Player of the Year (Boy) and Carrie Guo was awarded the 2022 Auckland Junior Player of the Year (Girl).

The Association's coaching and development programmes are now all back and running with the number of registered private coaches at an all-time high to cope with the increased demand for one-on-one individual coaching. The team of Auckland squad coaches consisting of Wei Zhong Jiang (Head Coach), Hyo Joo Lee, Dinyar Irani, and Roger Wang continue to work with Auckland's representative players. The Association acknowledges the support of our dedicated training partners who are brought in to assist and raise the level of training. Eberhard Kleiser, Patrick Low, and Dinyar Irani continue to deliver the majority of development work at grass roots. Eberhard Kleiser, Patrick Low, Dinyar Irani, Hyo Joo Lee, and Teng Teng Liu did a stellar job delivering School Holiday Coaching programmes which continued to grow in popularity and consistently reached registration capacity. The Association continues to investigate ways of developing and fostering these programmes to encourage growth in the areas of tournament participation and increasing stadium key holder memberships.

The Tables in Communities project continues to be a key project for the Association and, despite some setbacks due to Covid, there has been strong interest and support from outside agencies and funders. The Tables in Communities project has received support and endorsement from Table Tennis New Zealand. The number of table sites, and the number of tables in the community, continue to grow thereby offering increased opportunity for table tennis to be played within the Auckland region which is in keeping with the long-term vision of the project. The Association continues to review, analyse, and add to the project to make it more viable and sustainable for future generations.

The Association is actively engaged in two major Facility Development projects. Continued growth in table tennis participation within the greater Auckland region has increased the

demand for table availability. The Auckland table tennis stadium is often at capacity. While Facility Development projects are a long and arduous process, there has been strong progress in recent times which promises an eventful next 12-24 months.

Our family of sponsors and funders continues to grow and as always, the Association is eternally grateful for the contributions of Commute Transportation Consultants, Penberthy Insurance, Ray White Real Estate, Anran International (NZ) Limited, PRIZM Group, The Gateau House, UNO Property Management, and JFR International Development. Product sponsorship was received from Rialto Cinemas, Domino's Pizza, ASB Bank, Coca-Cola, Lone Star Alexandra Park, and The Warehouse #HereForGood. In addition, the Association is grateful for support from Gaming Societies, Community Trusts, Local Boards, corporate sponsors, individual sponsors, donors, Sport Auckland, and Table Tennis New Zealand who have been very supportive of our programmes during the 2022 season despite the trying times with the pandemic, increasing cost of living, and various other challenges. Funding Officer Cliff Freeman continues to do a sterling job for the Association obtaining funding for our many projects enabling us to deliver table tennis to the community. The Association acknowledges the support of Albert-Eden Local Board, Auckland Council Regional Sport & Recreation Fund, Blue Sky Community Trust, Blue Waters Community Trust, Dragon Community Trust, Foundation North, Four Winds Foundation, Grassroots Trust, Howick Local Board, The Lion Foundation, Maungakiekie-Tamaki Local Board, Milestone Foundation, NZCT, Pub Charity Limited, Puketapapa Local Board, Rano Community Trust, TAB NZ, The Trusts Community Foundation, and Waitemata Local Board for their support during the past financial year. We are pleased to have received District Association Development Investment from Table Tennis New Zealand, and Tu Manawa Active Aotearoa funding support from Sport Auckland.

We are aware that in today's climate these are challenging times so the continued support from sponsors and funding agencies alike can never be overstated.

To the Association Management Committee. Your commitment and desire to better the Association and drive the sport of table tennis forward is unquestionable and it is a pleasure to be your Chairman.

On behalf of the Association, I wish to acknowledge all other District Associations for getting through the tough times in the last couple of years. It was great to reconnect with so many of you this year, particularly at the New Zealand Open, and long may it continue. I wish you all the best for the festive season and look forward to catching up in 2023 for what will hopefully be a fruitful and uninterrupted season of table tennis.

Go well.

## **2021 / 2022 Auckland Interclub competition**

The Auckland Interclub competition continued to offer the option for teams to play with either two players or three players in a team on any one given night. Players in two-player teams contested two singles matches and one doubles match each. In three-player teams one player contested two singles matches, and two players each contested one singles match and one doubles match. Two-player teams could compete against three-player teams. The preference was for grades to be comprised of six teams and to contest a full round robin over the course of each five-week round. The top grades competed on Thursday nights and the lowest grades competed on Wednesday nights. The Auckland Interclub competition continued to be run with a promotion / relegation system being employed between all grades.

The 2021 Auckland Winter Interclub competition attracted entries from 76 teams that were placed into twelve grades (66 teams entered during the 2020 season). In order to cater for all teams the Association introduced two eight team grades – B1 Grade on Thursday night, and D1 Grade on Wednesday night. The eight team grades were split into two pools of four teams that played in two groups with play-offs for final positions for promotion / relegation purposes. The competition began on 9<sup>th</sup> June 2021 and was scheduled to run for three rounds finishing in late September 2021. However, the competition was put on hold due to the Auckland Alert Level 3 and Alert Level 4 lockdown that began on 17<sup>th</sup> August 2021. The competition resumed on 3<sup>rd</sup> February 2022 with 57 teams opting to continue participating. The 57 teams were placed into ten grades of six teams with byes in the A1 Grade, A2 Grade, and C2 Grade. The competition concluded on 10<sup>th</sup> March 2022.

The 2021 / 2022 Summer Interclub competition was cancelled.

The 2022 Auckland Winter Interclub competition attracted entries from 66 teams that were placed into eleven grades (76 teams entered during the 2021 season). The competition was scheduled to run for four rounds. COVID-19 affected player availability throughout the season. In 2022 Auckland Winter Interclub teams contested three “grading” rounds before the fourth and final “Championship” round equating to 20 weeks of play.

The Interclub Player of the Year Awards were decided by determining the player who accumulated the most singles and doubles wins irrespective of grade. Awards were presented for the 2021 Auckland Winter Interclub competition and the 2022 Auckland Winter Interclub competition respectively. Ivan Tan was the winner of the Bill Burns Memorial Trophy for 2021 Auckland Winter Interclub Player of the Year. William Wu was the winner of the Bill Burns Memorial Trophy for 2022 Auckland Winter Interclub Player of the Year. Prizes were also awarded to the first placed teams in each grade after the final round of competition.

All Auckland junior representative players, and all Auckland senior representative players vying for selection in the Auckland Open Men’s A team and Open Women’s A team, were required to compete in at least 50% of Auckland Winter Interclub team contests.

Funding was received from NZCT as a contribution towards the contract fees of David Jackson (Competitions Manager) which included delivery of the Auckland Interclub competition.

## **2022 Auckland Interschools table tennis competition**

College Sport continued to collect and process entries for the Auckland Interschools table tennis competition for the Term Two (Winter) and Term Three (Early Spring) competitions. Entries were collected via the EnterNow system and then forwarded to the Auckland Table Tennis Association following the close of entries. The Auckland Table Tennis Association was responsible for collection and processing of entries for the Term One (Pre-season) competition.

Two venues hosted the four sessions of the 2022 Auckland Interschools table tennis competition:

a) Central Auckland venue: Auckland table tennis stadium; Thursday 3.45p.m. – 6.00p.m., Friday 3.45p.m. – 6.00p.m., Friday 6.00p.m. – 8.15p.m.

b) East Auckland venue: St. Kentigern College sports hall, Friday 3.45p.m. – 5.35p.m.

The number of teams that entered the Auckland Interschools table tennis competition decreased as compared with the 2021 season. Of note was the following:

a) entries in the Pre-season competition were significantly impacted by the COVID-19 restrictions that were in place

b) several schools that entered in past years opted not to enter teams in the 2022 season citing lack of an organising teacher and/or coach

c) a number of teams that competed during Term Two opted not to compete during Term Three citing the need to prepare for senior exams given disruptions due to COVID-19 earlier in the year

The Friday 3.45p.m. – 6.00p.m. session continued to be the most popular playing session. 28 tables were utilized in the main hall of the Auckland table tennis stadium in order to cater for demand on Fridays during Term Two, and 24 tables were erected during Term Three. 15 tables were erected at St. Kentigern College sports hall during Term Two, and 13 tables were erected during Term Three.

There is room for growth in the Friday 3.45p.m. – 5.45p.m. session at the St. Kentigern College sports hall, and the Friday 6.00p.m. – 8.15p.m. session at the Central Auckland venue.

The Thursday 3.45p.m. – 6.00p.m. session at the Central Auckland venue overlaps with Junior Club and Girls' Coaching that run on Thursday evenings from 5.00p.m. – 6.30p.m. Due to significant, and growing, demand for Junior and Girls' Coaching it is necessary to review whether to continue offering the Thursday 3.45p.m. – 6.00p.m. session in the 2023 season.

Funding was received as a contribution towards the CEO/Development Officer salary (Blue Sky Community Trust, The Trusts Community Foundation, and Lion Foundation) to deliver junior table tennis development programmes, and offer increased opportunities for juniors to participate in table tennis, which included promotion, support, and delivery of the Auckland Interschools table tennis competition.

Entry numbers were as follows:

2022 Pre-season Auckland Interschools competition (Term One): 28 teams (from 54 in 2021)

2022 Winter Auckland Interschools competition (Term Two): 132 teams (from 143 in 2021)

2022 Early Spring Auckland Interschools competition (Term Three): 109 teams (from 137 in 2021)

## **2022 Auckland Primary & Intermediate Interschools table tennis team competition**

The Auckland Primary & Intermediate Interschools table tennis team competition was first established during the 2016 season. The competition primarily caters for Year 5, 6, 7, and 8 students. The competition is offered at a venue in Central Auckland and a venue in East Auckland to address the barrier of transport.

The number of teams competing in Term Two of the 2022 season decreased as compared with the number of teams that competed in Term Two of the 2021 season. This was primarily due to restrictions on the promotion and delivery of table tennis sessions in schools during Term One of the 2022 season due to the COVID-19 pandemic. There were eight weeks of play in Term Two. Certificates were awarded.

The number of teams competing in Term Three of the 2022 season increased as compared with both the number of teams that competed in Term Three of the 2021 season and the number of teams that competed in Term Two of the 2022 season. This was due to the easing of COVID-19 restrictions which allowed the Association's development staff to promote and deliver table tennis sessions in schools during Term Two of the 2022 season. There were eight weeks of play in Term Three. Certificates were awarded.

Funding was received from Blue Sky Community Trust, Lion Foundation, Rano Community Trust, and The Trusts Community Foundation as a contribution towards Shane Warbrooke's CEO / Development Officer salary. Part of Shane Warbrooke's role was to deliver junior table tennis development programmes, which included promotion, support, and delivery of the Auckland Primary & Intermediate Interschools table tennis team competition.

The Victor 2021 Auckland Open was originally scheduled to be contested in August 2021 however the tournament was affected by the COVID-19 pandemic and the resulting lockdowns. Therefore, the tournament was postponed to April – May 2022.

The Association received 232 entries from players affiliated to Auckland, Bay of Plenty, Counties-Manukau, Fiji, Manawatu, Northland, North Shore, Waikato, and Waitemata. There was a significant increase in entry numbers as compared to the 2019 Auckland Open which hosted 197 players.

The Association continued to advertise, promote, build recognition, and raise awareness of the Auckland Open. The Open Finals session was held on the evening of Saturday 30<sup>th</sup> April, 2022. Free tickets were issued to 216 spectators to enter the spot prize draws held during the Open Finals session. Only one final was in progress at any one time which enabled a centre court atmosphere to be created around a single table. Dinyar Irani reprised his role as the MC of the Open Finals session.

## 2022 Auckland Junior Open

29<sup>th</sup> May 2022, Auckland

The 2022 Auckland Junior Open had 97 participants in junior categories encompassing Under 11 events to Under 19 events. ## **COVID-19 pandemic**

The Auckland table tennis stadium was required to shut due to the COVID-19 pandemic. The Alert Level 4 lockdown began on 17<sup>th</sup> August 2021. During the lockdown the Association received COVID-19 support from the Ministry of Social Development in the form of the wage subsidies, from the Inland Revenue Department in the form of resurgence support payments, and from Sport NZ in the form of the Tamaki Makaurau Sector Support Fund. The Association kept in regular contact with the table tennis community through e-mail, website, Facebook, and Instagram.

New Zealand moved to the COVID-19 Protection Framework, also known as the traffic lights, at 11:59p.m. on 2<sup>nd</sup> December 2021. The stadium reopened on 3<sup>rd</sup> December 2021 with a vaccination policy and COVID-19 restrictions in place. Children under the age of 12 years who could not be vaccinated were treated as if they had a vaccine pass. Full return to play was slowed due to the COVID-19 restrictions.

The stadium operated from 10.00a.m. to 11.00p.m. daily. Association staff were required to man the stadium office during all opening hours.

From 11:59pm on 4<sup>th</sup> April 2022, there was no requirement to use My Vaccine Pass however there was a 200-person capacity limit.

At 11:59pm on Wednesday 13<sup>th</sup> April 2022, all of New Zealand moved to the Orange setting in the traffic light system with no capacity limits.

The COVID-19 Protection Framework (traffic lights) ended at 11:59p.m. on 12<sup>th</sup> September 2022.

## **Club activities external to the Auckland table tennis stadium**

### **East Auckland Table Tennis Club:**

The Pakuranga Community Hall was shut during COVID-19 lockdown. Geoff Taylor delivered the East Auckland Table Tennis Club at the Pakuranga Community Hall on Tuesday nights from January – May 2022. Eberhard Kleiser resumed delivery of the East Auckland Table Tennis Club from May 2022 onwards. The Association continued to promote the Club through the Eastern Courier listings on Neighbourly and via school development coaching. Attendance grew to 28 players per session by August 2022.

### **Eastern Table Tennis Club:**

Bob Inns coordinated the Eastern Table Tennis Club which ran on Monday nights in the St. Thomas' School Hall. The St. Thomas' School Hall was shut during COVID-19 lockdown. The Club resumed in March 2022 and offered free membership for all participants (students and seniors). The Association continued to promote the Club through the East & Bays Courier listings on Neighbourly and via school development coaching. Attendance numbers were strong with 22 players attending each session by August 2022. One team from the Eastern Table Tennis Club regularly competed in the Auckland Interclub competition.

Eberhard Kleiser began delivery of free development coaching to students at St. Thomas' School on Monday lunchtimes in June 2022. Attendance numbers were strong with 30 students attending each development coaching session by August 2022. St. Thomas' School students received free entry into the Eastern Table Tennis Club. In return, the Eastern Table Tennis Club received free hall hire from St. Thomas' School.

### **French Bay Table Tennis Club:**

Bryce Kay delivered the French Bay Table Tennis Club in the St. John Vianney Catholic Church Hall in Hillsborough on Tuesday nights. The Club resumed at the end of April 2022. The Club received a number of enquiries throughout the season with several players attending for one night only. An average of 5 players attended each club night.

### **Tune Table Tennis Club:**

Dinyar Irani (Tables in Communities Project Manager / Development Coach) continued to deliver Tune Table Tennis Club on Saturday afternoons which was first established in the 2019 season. The Club was based in the Pakuranga College School Hall in Pakuranga. Tune Table Tennis Club ran on 29 occasions during the 2022 season. A total of 111 players attended the Club during the 2022 season (122 players attended in the 2021 season). However, the average number of Club sessions that each player attended increased.

Tune Table Tennis ran two group coaching sessions on Saturday afternoons. The first group coaching session (Tune Table Tennis B Squad) ran from 2.00p.m. – 4.00p.m. and targeted younger children and beginners. Eric Irani, Carter Weng, and Yuchen Zhang assisted as volunteer training partners for the Tune Table Tennis B Squad. The second group coaching session (Tune Table Tennis A Squad) ran from 4.00p.m. – 6.30p.m. and targeted players aiming to become competitive club level players or Auckland representative players.

When the Pakuranga College School Hall was not available, Tune Table Tennis Club had the opportunity to deliver out of the Pakuranga College Gym. Therefore, the Club was able to offer more regular training opportunities. The Club has seen increased player retention due to more regular training opportunities and the overall player level has increased. This can be measured by the increased number of Tune Table Tennis Club players participating in the Auckland Interschools table tennis competition and Auckland regional tournaments.

### **Club activities based at the Auckland table tennis stadium**

**Central Club:** Central Club was shut during COVID-19 lockdown. When it resumed, Central Club ran on Monday evenings from 7.00p.m. – 10.00p.m. Yumin Lin delivered the Central Club from February – May 2022. Eberhard Kleiser delivered the Central Club from May 2022 onwards. Central Club was run on a ladder system. Matches were played the best of one game to 11 points, and play was self-managed via a series of boards placed at the end of each table which allowed players to move their name tag up or down a table based on the result of their match. Central Club attendance numbers rose to 50 players per session by August 2022.

**Day Club:** Day Club was shut during COVID-19 lockdown. Day Club resumed from April 2022 onwards. When it resumed, the New Zealand Chinese Table Tennis Association (NZCTTA) delivered the Day Club on Saturdays and Sundays from 9.30a.m. – 12.30p.m. The NZCTTA delivered an Open Individual Tournament and a Junior Individual Tournament in June 2022. **Korean Club:** Korean Club was shut during COVID-19 lockdown. Korean Club was delivered by Hea Youn Choi and Hyo Joo Lee under the auspices of the Korean Table Tennis Association of New Zealand. The Club resumed in February 2022 and ran on Saturday nights from 6.00p.m. – 10.00p.m. The Club was open to all players. Hea Youn Choi and Hyo Joo Lee delivered free coaching to attendees at the Club. The coaching was funded by the Association.

**University of Auckland Table Tennis Club:** Sophie Low continued as President of the University of Auckland Table Tennis Club for the 2022 season. The Club resumed in March 2022 and ran on Sunday nights from 6.30p.m. – 9.30p.m. Attendance numbers decreased compared with the 2021 season.

## **Stadium keyholder memberships & table hire**

The Association had 382 financial stadium keyholder members as at 31<sup>st</sup> August 2022. The number of financial stadium keyholder members has not yet returned to pre-COVID-19 levels (record high of 412 stadium keyholder members in August 2021).

The Auckland table tennis stadium was shut for three months during the 2021 / 2022 financial year due to COVID-19 Alert Level 3 and Alert Level 4 lockdown. The majority of stadium keyholder members pay a lump sum membership fee in advance (249 members). The balance of stadium keyholder members pay a weekly membership fee via Debit Success (133 members). The Association committed to extending stadium keyholder memberships by the period that the Auckland table tennis stadium was closed due to COVID-19 Alert Level 3 and Alert Level 4 lockdown. Therefore, the receipt of revenue from stadium keyholder memberships paid by lump sum was delayed by three months in the 2021 / 2022 financial year. The financial impact was realised in the 2021 / 2022 financial year with a significant decrease in fees collected from stadium keyholder memberships.

The Association offered stadium keyholder members the opportunity to cancel or suspend their membership when the Auckland table tennis stadium reopened with a vaccination policy and COVID-19 restrictions in place on 3<sup>rd</sup> December 2022. Approximately 15% of stadium keyholder members took the opportunity to either cancel or suspend their membership. Stadium keyholder membership steadily rose from the lows as the requirement to use My Vaccine Pass was removed and the COVID-19 Protection Framework (traffic lights) ended. A greater proportion of new stadium keyholder members joined paying a weekly membership fee via Debit Success as compared with the lump sum membership fee.

Stadium keyholder members were entitled to free attendance at Central Club, Day Club (including the Day Club administration fee), Day Club U19 training, Girls Coaching, Junior Club, Interclub (excepting the team entry fee), and Korean Club. In addition, stadium keyholder members received a 15% reduction in entry fees when they entered Auckland regional tournaments and were eligible to enter a draw to win a free extension equal to the term of their current stadium keyholder membership at The Victor 2021 Auckland Open and The Victor 2022 Auckland Open.

Revenue from stadium and table hire increased slightly as compared with the previous financial year despite the amount of time the Auckland table tennis stadium was required to be shut as a result of the COVID-19 pandemic during the 2021 / 2022 financial year. Hireage was comprised of coach table fees, casual table hire, visitor fees, venue hire, and meeting room hire.

The Auckland table tennis stadium was booked by organisations such as the Auckland Chinese Community Centre, Auckland Cricket Association, New Zealand Chinese Table Tennis Association, North Shore Table Tennis Association, Table Tennis New Zealand, and Pathways Health. Venue hire included the 2022 NZ Veteran Open Table Tennis Championships, 2022 TTNZ Hopes Event, National Training Camp, Northern Region Training Camp, 2022 North Shore Open, 2022 NZCTTA Open & Junior Individual Tournaments, and the 2022 NZCTTA Team Tournament.

Tables were hired for coaching by school groups such as Dilworth School, Glendowie College, St. Kentigern School, St. Peter's College, and Wentworth Computer Science College.

A significant contributor to strong revenue from stadium and table hire was Coach Table Fees. Association registered coaches were charged a table fee of \$10.00 per hour while delivering coaching from Monday – Friday. Association registered coaches were charged a table fee of \$20.00 per hour while delivering coaching from Saturday – Sunday. Association registered coaches were invoiced for table fees on a fortnightly basis with 7-day payment terms. The Association registered fourteen coaches during the 2022 season who coached varying amounts. The change led to a significant revenue stream being created from coach table fees.

Stadium keyholders continued to actively arrange their own practice independent of Clubs and other organised play opportunities. This was key in the early stages of returning to play when the Auckland table tennis stadium reopened with a vaccination policy and COVID-19 restrictions in place on 3<sup>rd</sup> December 2022. Clubs and junior coaching groups did not operate in the early stages of return to play so stadium keyholders needed to actively arrange their own practice. Strong stadium keyholder membership in conjunction with high participation in Association development coaching, competitions, events, and casual play continued to put pressure on table availability. The Association worked to address the issue by erecting additional tables at strategic times and maintained a coach booking system. However, long-term there is a shortage of table tennis courts which must be addressed.

## **Facilities Development Projects**

a) Facilities Development Project 1: The Association, in conjunction with the Auckland Badminton Association, recognise that facility space is a major constraint in meeting the demand for table tennis and badminton in the Auckland community. Auckland Council has acknowledged that there is a shortage of indoor court space in the greater Auckland region. The Association partnered with Auckland Badminton Association and Olympic Weightlifting Auckland to pursue funding for Investigation & Analysis of Gillies Avenue site redevelopment through the Auckland Council Sport & Recreation Facilities Investment Fund. The Albert-Eden Local Board allocated \$80,000 to the feasibility study and options assessment in April 2022. The Auckland Council Parks, Arts, Community and Events Committee approved the allocation of \$150,000 from the Sport and Recreation Facilities Investment Fund 2022/2023 to the Gillies Avenue site redevelopment project in September 2022. Auckland Badminton Association is the lead organisation for funding purposes.

b) Facilities Development Project 2: the Association is a founding member of the Lloyd Elmore Community Hub. The purpose of the Hub is to construct a multi-club and code facility at Lloyd Elmore Park to accommodate the four Founding Members (Auckland Table Tennis Association, Howick Gymnastics Club, Pakuranga Bowling Club, and Pakuranga Tennis Club). The Hub will reflect the values and principles of member organisations and will embrace and encourage community use of the Hub for sport and other recreation activities. Howick Local Board passed a resolution to allocate \$600,000 as a grant to Lloyd Elmore Community Hub to further progress the multisport project in September 2022. The next progression is Design & Consent.

## **Drawn Doubles**

A Drawn Doubles evening was not held at the conclusion of the 2021 season due to COVID-19 lockdown. The Association plans to hold a Drawn Doubles evening in conjunction with the 2022 Winter Interclub prizegiving in December 2022.

## **Tables in Communities project**

The Association undertook the Tables in Communities project (Year 4) with the vision to link table tennis resource with technology in conjunction with a comprehensive development programme. Dinyar Irani continued to be employed in the role of Tables in Communities Project Manager / Development Coach.

The Tables in Communities project is growing junior and community participation by putting table tennis tables into community indoor and outdoor spaces, supporting those tables with localised programmes, and building a new network of playing communities at multiple sites across Auckland. The project includes an innovative approach that uses technology to link players with table tennis tables in public spaces and places and with fellow members of the table tennis community.

The Association promoted the free Tables in Communities app – Seekapong – which shows people where to access table tennis within their community and links people with each other through the sport of table tennis, thus forming an interactive table tennis community. Table sites are listed on the free Seekapong app. Seekapong links players with table tennis tables in public

spaces and places, and with fellow members of the table tennis community who share an interest in table tennis. The Seekapong app had 2,421 user registrations as at 31<sup>st</sup> August 2022.

Table tennis tables have been placed at indoor and outdoor table sites to allow access at all times of day. New table sites have been established, and partnerships have been formed with existing table sites. There were 61 table sites listed on the free Seekapong app as at 31<sup>st</sup> August 2022. The number of table sites spread throughout the community has reduced transport as a barrier to participation.

The Association engaged with community groups, Clubs, Marae, recreation centres, schools, libraries, corporates, Local Boards, and Auckland Council.

The goals for the Tables in Communities project to be achieved by 1<sup>st</sup> December, 2021 were as follows:

- a) 15,000 players registered on the Seekapong app (2,421 player registrations)
- b) 100 table tennis tables distributed in the community (69 tables distributed)
- c) 40 MOUs signed with Local Boards and facilities (65 MOUs signed)

Progress towards player registrations on the Seekapong app and distribution of table tennis tables in the community was hampered by the COVID-19 lockdowns and restrictions during the last three years. However, the Association continues to strive towards the identified goals for the Tables in Communities project.

Funding was received for Dinyar Irani's role from the Auckland Council Regional Sport & Recreation Fund, Four Winds Foundation, Lion Foundation, NZCT, Table Tennis New Zealand, and Tu Manawa Active o Aotearoa. In addition, Dinyar Irani was contracted out to North Harbour Table Tennis Association to conduct development programmes in the North Harbour region.

Funding was received for Tables in Communities project table tennis tables, bats, and balls from Albert-Eden Local Board, Auckland Council Regional Sport & Recreation Fund, Foundation North, Lion Foundation, Maungakiekie-Tamaki Local Board, Puketapapa Local Board, Tu Manawa Active o Aotearoa, and Waitemata Local Board.

During the 2022 season the Association delivered Tables in Communities project activations at venues in the community. Popular events were the Seekapong Shootout Tournaments held at Epsom Library and the Pakuranga Plaza shopping centre.

The Association continued to create content and build a social media following during the 2022 season. Social media is an important avenue to promote registration on Seekapong and to create further interest in table tennis throughout the Auckland region, nationally, and internationally. As at 31<sup>st</sup> August 2022 the Association had:

- a) Facebook account – 4,089 friends
- b) Facebook page – 2,607 likes
- c) Instagram – 824 followers
- d) WeChat Official page – promotes Association activities and Seekapong
- e) You Tube channel – 251 subscribers

Rialto Cinemas Newmarket and Dominos Newmarket (pizza) continued to support the Tables in Communities project with product sponsorship. The product sponsorships form the basis of an incentives and giveaways programme to promote registrations on Seekapong and increased usage of the app.

## **Hosting Inclusive Table Tennis (HITT) programme**

The HITT programme is a no-charge coaching programme for special needs players and ran on Tuesday mornings throughout the school year. Eberhard Kleiser was convenor, coordinator, and coach of the HITT programme for the 2022 season and was assisted by Warwick Kitchen as required. Twelve people volunteered their time to assist the students at the coaching sessions.

No Ribbon Days were held during the 2021 season due to the COVID-19 pandemic, lockdowns, and restrictions.

The HITT programme resumed in May 2022. The 2022 season was the 21<sup>st</sup> year the Hosting Inclusive Table Tennis (HITT) programme was run by the Association. Over 90 special needs students from nine schools participated during the 2022 season.

## **Administration support, Competitions Manager & Funding Officer**

Hongbing (Peter) Wu continued in the role of Stadium Administrator throughout the 2021 / 2022 season and was particularly effective in generating event sponsorship. Funding was received for Hongbing Wu's role from Blue Waters Community Trust and NZCT.

Kelly Wu and Ying Ma provided administration support for the Association on Saturdays and Sundays. Kelly Wu moved overseas in August 2022.

David Jackson was contracted as Competitions Manager for the Association. David Jackson was responsible for Tournaments and Interclub. Funding was received for David Jackson's role from NZCT.

Cliff Freeman continued to be contracted to provide funding services for the Association and was very effective.

## **Stadium hire**

The Summit Chess Club continued to hire the upstairs lounge at the Auckland table tennis stadium. After a lengthy hiatus due to COVID-19 restrictions, the Summit Chess Club started running a club night on Fridays from May 2022 onwards.

Table Tennis New Zealand hired the Presidents Lounge at the Auckland table tennis stadium on Fridays from March 2022 onwards.

## **Stadium maintenance**

Auckland Council confirmed responsibility for maintenance of Pascoe Quarry Reserve including the grounds and carpark. The site was entered onto the Auckland Council schedule for maintenance. Virginia Waters contributed to gardening and landscaping the garden area in front of the Auckland table tennis stadium.

Nick Ning and Michael Wang (general stadium maintenance) volunteered their time to the Association to ensure that the Auckland table tennis stadium was well maintained.

Funding was received from Blue Sky Community Trust, Grassroots Trust, and TAB NZ to replace nine Butterfly Centrefold Rollaway table tennis tables on the Auckland table tennis stadium floor.

The Association conducted fortnightly Health & Safety meetings and Risk Assessment checks on the Auckland table tennis stadium. The Association continued to contract the services of Safety Online who provided Health & Safety Management Software to assist the Association in meeting Health & Safety requirements. The Association maintained an annual subscription for a Premium Plan and hardware integration from Hello Club for a stadium member management and access control system.

Consistence Quality continued to clean the Auckland table tennis stadium five days per week. Funding was received towards cleaning of the stadium from Dragon Community Trust.

The Management Committee held a working bee in March 2022 to conduct a “spring clean” of the Auckland table tennis stadium.

The Association purchased a new chest freezer for the cafeteria.

Funding was received towards insurance for the stadium from Four Winds Foundation.

## **Sponsorship**

**Commute Transportation Consultants** provided sponsorship of \$3,000 to the Association for the 2022 season. The funds were targeted towards the continuation of the Commute ATTA Elite Player Scholarships for the 2022 season. The 2022 season was the fourth year in which Commute Transportation Consultants were associated with the scholarships.

Commute ATTA Elite Player Scholarships were not awarded during the 2021 season therefore the funds were carried over to the 2022 season. Traditionally the scholarships assisted elite players with costs associated with attending international table tennis events. However, the 2022 international season was shortened due to the COVID-19 pandemic. Therefore, the Association adjusted the criteria for the 2021 / 2022 Commute Transportation Consultants ATTA Elite Player Scholarships. Scholarships were awarded to players on the basis of their combined results from The Victor 2022 Auckland Open and the 2022 New Zealand Open.

Commute Transportation Consultants and the Auckland Table Tennis Association jointly contributed funds to the 2021 / 2022 Commute ATTA Elite Player Scholarships. Scholarships were awarded to Alex Liu Cao, Joanna Yang, Timothy Choi, Carrie Guo, Youngmin Kim, and Ayumi Moriyama-Picard.

**Penberthy Insurance** provided sponsorship of \$3,500 for the Association for the 2021 / 2022 season. These funds helped to support the Association’s development and promotional activities, and general stadium maintenance

**PRIZM DataTech PayPlus** provided sponsorship of \$2,000 for the Association for the 2021 / 2022 season. These funds helped to support the Association’s development and promotional activities, and general stadium maintenance

The results of the Auckland Intermediate Squad qualification tournament (in July 2022) determined four players to be promoted from Auckland Intermediate A Squad to Auckland Elite Squad, and six players to be promoted from Auckland Intermediate B Squad to Auckland Intermediate A Squad. In addition, the results were used to assist in selecting Auckland representative teams to compete in the 2022 New Zealand Open Table Tennis Championships.

The results of the Auckland Elite Squad qualification tournament (in July 2022) were used to assist in selecting Auckland representative teams to compete in the 2022 New Zealand Open Table Tennis Championships. Funding was received towards Auckland team uniforms from Pub Charity Limited.

The Association continued to implement selection criteria to deem players eligible for selection in Auckland representative teams to compete at the 2022 New Zealand Open Table Tennis Championships. The selection criteria applied to the Open Men's A team, Open Women's A team, and all junior teams. Selection criteria was as follows:

- attend 50% of squad training
- enter the Auckland Summer Open, ANZAC Open, Auckland Junior Open (for players under the age of 18 years), and Auckland Open unless there was a viable excuse

Funding was received for Eberhard Kleiser's (Development Coach) role from Albert-Eden Local Board, Howick Local Board, Puketapapa Local Board, and Table Tennis New Zealand.

The Central Auckland school development programme was revised during the 2022 season due to COVID-19 restrictions. ## School Holiday Coaching division

School Holiday Coaching programmes were scheduled to operate over the course of one week (Monday – Friday) in each of the school holidays and to run from 9.00a.m. – 4.00p.m. each day. The 2021 October School Holiday Coaching programme was cancelled due to COVID-19 lockdown. However, the School Holiday Coaching programmes in the 2022 season were delivered as planned in January, April, and July.

Dinyar Irani, Eberhard Kleiser, and Patrick Low promoted the School Holiday Coaching programme directly to students in schools while conducting demonstrations, promotions, and development coaching. The Association continued to maintain a School Holiday Coaching programme contact list and promoted directly to past attendees.

The School Holiday Coaching programme was delivered by Dinyar Irani, Eberhard Kleiser, Hyo Joo Lee, Teng Teng Liu, and Patrick Low. Funding was received for Teng Teng Liu's role from Pub Charity Limited.

Students aged from 8 - 16 years participated in the programme. The programme was structured to develop students' basic table tennis skills.

The number of students who attended each School Holiday Coaching was as follows:  
October 2021 – cancelled due to COVID-19 lockdown (from 97 students in 2020)  
January 2022 – 89 students (from 104 students in 2021)  
April 2022 – 93 students (from 96 students in 2021)  
July 2022 – 82 students (from 93 students in 2021)

Students had the option of attending for a single day, multiple days, or the entire week. The Association limited the number of registrations to 70 students on any one day for health and safety considerations and increased the number of coaches delivering to five coaches to ensure quality of delivery. As a result, the Association increased the price of the School Holiday Coaching programme in January 2022.

It is my pleasure to present this Financial Report as Treasurer of the Auckland Table Tennis Association (Inc).

You are referred to the Accounts enclosed in this Annual Report.

The Association had an excess of Expenditure over Income for the year of \$1,572. Results this year are not strictly comparable with last year as the Association has transitioned from a GST-inclusive regime to a GST-exclusive regime and has adopted Xero for the recording of all financial transactions and financial reporting.

The Statement of Profit and Loss reflects the impact of the Lockdown from 17<sup>th</sup> August 2021 to 03 December 2021. Our "traditional" income streams were heavily affected and the reliance of the Association on Wage Subsidies and Resurgence Support Payments to allow us to maintain our basic support infrastructure is clearly demonstrated.

The Balance Sheet shows that, despite the impact of the lockdown, the Association remains in a healthy financial state with significant funds-although some of the consequences of the various lockdowns still remain with us. The Association must remain vigilant, particularly as we enter the realm of one of these consequences - inflation Cost structures are increasing at a rate that far exceeds anything experienced in the last 30+ years. Only careful financial management will see us through!

Regards,

**Bob Inns**  
Honorary Treasurer

## **AUDITOR'S REPORT TO THE MEMBERS OF THE AUCKLAND TABLE TENNIS ASSOCIATION (Inc.)**

I have audited the accompanying Consolidated Annual Accounts which show an excess of expenditure over income for the year of \$1,572. Pages 1to7 of these Accounts have not been audited.

The Financial Statements provide information about the past financial performance and position of Auckland Table Tennis Association (Inc.) as at 31 August 2022. This information is stated in accordance with the statement of accounting policies detailed in the financial statements.

### **Responsibilities of the Management Committee**

The Management Committee is responsible for the preparation of Financial Statements, which fairly reflects the financial position of the Association as at 31 August 2022 and of the results of their operations for the year ended on that date.

### **Auditor's responsibilities**

It is my responsibility to express an independent opinion on the Financial Statements presented by the Management Committee and report my opinion to you. As I am not a member of the Management Committee nor am I involved in the day-to-day activities of the Association I believe that I am able to give an independent opinion.

### **Basis of Opinion**

An audit includes examining on a test basis, evidence relevant to the amounts and disclosures in the Financial Statements. It also includes assessing:

- The significant estimates and judgements made by the elected officers in the preparation of the Financial Statements, and
- Whether the accounting policies are appropriate to the Association's circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted New Zealand auditing standards, except that my work was limited as explained below. I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the Financial Statements are free from material misstatements, whether caused by fraud or error. In forming my opinion I have also evaluated the overall adequacy of the presentation of information in the Financial Statements.

### **Qualified Opinion**

In common with organizations of a similar nature, a portion of the Association's recorded income is from cash sources and there is limited control over this income prior to its being recorded. There are no practical audit procedures to determine the effect of this limited control.

In my opinion, subject to the possible effect of the limited control referred to in the preceding paragraph, the accompanying Financial Statements reflect the financial position of the Association as at 31 August 2022 and the results of its operations for the year ended on that date.

My audit report was completed on 04<sup>th</sup> November 2022 and my qualified opinion is expressed as at that date.

J.R.Hally CA (Hon. Retired)

# Notes to the Financial Statements

## Auckland Table Tennis Association Inc For the year ended 31 August 2022

### 1. Reporting Entity

Auckland Table Tennis Association Inc is a registered incorporated society since 19 June 1934

### 2. Statement of Accounting Policies

#### Basis of Preparation

As the Association is not a Registered Charity, the Management Committee has elected not to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting -Accrual (Not-For-Profit) to these accounts.

For the 2022 financial year, Auckland Table Tennis Association Inc prepared its financial statements in accordance with approved Financial Reporting Standards (FRSs) and Statements of Standards Accounting Practice (SSAPs) as appropriate for entities that qualified and applied for New Zealand differential reporting concessions. The financial statements for the year ended 2022 have been prepared in accordance with SPFR for FPE which is not New Zealand Generally Accepted Accounting Practice (NZ GAAP).

#### Historical Cost

These financial statements have been prepared on a historical cost basis. The financial statements are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

#### Changes in Accounting Policies

The Association transitioned in the 2022 financial year from preparation using the general principles as recommended by the Institute of Chartered Accountants of New Zealand for the measurement and reporting of results and Financial Position under the historical cost method to special purpose financial reporting in accordance with SPFR for FPE's. The transition had minimal impact on the accounting policies of the Association.

#### Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services, excluding goods and services tax rebates and discounts, to the extent it is probable that the economic benefits will flow to the entity and revenue can be reliably measured.

Sales of services are recognised in the period by reference to the stage of completion of the transaction at the end of the reporting period.

Lease income is recognised on a straight line basis over the life of the lease.

Interest received is recognised as interest accrues, gross of refundable tax credits received.

Dividends received are recognised on receipt, net of non-refundable tax credits.

Government grants requiring specified future conditions to be met are recognised as a liability on receipt. The grants are recognised as income over the period that the specified conditions are complete and the associated costs are recognised.

#### Inventories

Inventories are stated at the lower of cost, determined on a first-in first-out basis, and net realisable value.

### Fixed Assets

Fixed Assets are stated at historical cost less any accumulated depreciation and impairment losses. Historical cost includes expenditure directly attributable to the acquisition of assets, and includes the cost of replacements that are eligible for capitalisation when these are incurred.

An item of fixed asset is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

Upon derecognition, the asset revaluation reserve relating to the asset disposed shall be transferred to retained earnings.

### Insurance

The association has the following insurance policies in place

- Material Damage Policy on Stadium and Contents
- Business Interruption Policy
- General and Statutory Liability Policy

### Income Tax

Auckland Table Tennis Association Inc is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

### Goods and Services Tax

All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

The "Coaching, Squads and Development Division" and "Holidays Coaching Program Division" divisions have been approved by the IRD as being excluded from the GST regime and therefore these accounts are showing as GST Inclusive in the annual report.
