## **Chairman's Report**

### **2023 Annual Report**

With COVID-19 firmly behind us, the 2023 season was one where we were back to running our programmes, tournaments, and activities on a full schedule. With participation largely back to pre-COVID levels and above, it has been a fulfilling year for the Association.

The challenge from an increase in participation is the limited capacity of the Auckland table tennis stadium. The stadium simply cannot cater for all those that wish to play at peak times. As a way of mitigating this, the Association continues to invest in the Tables in Communities project where we now have 70 different table sites listed within the community. Table tennis tables have been distributed and members of the community can actively play table tennis within their local community. Venues include community halls, schools, libraries, public parks, shopping malls, and others.

In addition, the Association continues its work on two major Facility Development projects – the Gillies Avenue redevelopment project and the Lloyd Elsmore Community Hub. Although Facility Development is a gradual process, there has been positive progress with the Lloyd Elsmore Community Hub where we are well into the design phase. It is hoped by this time next year we will be nearing a date for the start of the construction phase. In the meantime, the Association will continue to invest in the Tables in Communities project adding to the number of venues where members of the community can play table tennis throughout the greater Auckland region. This approach addresses the two major barriers to participation of cost and transport, and can serve to mitigate capacity issues at the Auckland table tennis stadium.

In 2023 the Association has faced increased cost of sales and increased expenses, which is echoed by the cost-of-living crisis in the community. Increased costs led the Association to conduct a full price review and analysis of charging methods. Changes are necessary to future-proof the Association so we can continue to ensure that stadium users receive the best experience possible. There are several major projects planned to refurbish and maintain the Auckland table tennis stadium including sanding and re-polyurethaning the playing floor, replacing vinyl and carpet, and exterior painting and maintenance.

The Association ran its standard number of tournaments, and the Auckland table tennis stadium was also the venue for a number of additional events including the 2022 New Zealand Open Table Tennis Championships, 2023 Barfoot & Thompson Table Tennis Championships, 2023 TTNZ Hopes Event, 2023 North Island Team Championships, 2023 North Shore Open, 2023 NZCTTA Open & Junior Individual Tournaments, 2023 Auckland Chinese Community Centre Team Tournament, National Training Camps, and the Northern Region Training Camp.

The JFR 2023 Auckland Open was the biggest Auckland Open ever with 263 entrants and almost 1,000 matches to be played. This meant there had to be some changes to the format from previous years and this is something the Association will continue to look at to create a positive experience for all participants and spectators who attend future Auckland Opens. The \$1,000 cash give-away to all those present at the Open Finals evening continues to be a great hit. The event was once again generously supported by naming rights sponsor JFR International Development who donated \$8,000 towards prize money for the Open's Men's singles and Open Women's singles. Event sponsors included Anran International (NZ)

Limited, Commute Transportation Consultants, Penberthy Insurance, PRIZM Group, Ray White Real Estate, and The Gateau House. Product sponsorship was received from Coca-Cola Euro-Pacific Partners and Drift Academy. The 2023 Open Men's and Open Women's singles titles were taken out by internationals. Xuqi Lin (Australia) won the Open Men's singles title by walk-over when Auckland's own Nathan Xu withdrew due to severe cramping prior to the final. Shurui Li (China) defeated Lucy (Guiting) Lu (Auckland, based in Hong Kong) in the final of the Open Women's singles.

Auckland sent a large contingent of 66 players, coaches, and managers to the 2023 New Zealand Open Table Tennis Championships in Invercargill. Although the logistics of transporting and managing such a large team had its challenges, the trip was hugely successful both from a results and fun perspective. Auckland representative teams won the Under 13 Girls' team event, Under 15 Boys' team event, Under 19 Boys' team event, Under 19 Girls' team event, Open Men's C Grade team event, Open Mens' B Grade team event, and Open Women's team event. There were also some outstanding individual achievements by players who won national titles. Special mention goes to Dean Shu and Hannah (Cheuk Tung) Li who won their first Open Men's and Open Women's singles titles respectively.

On the international scene, Hannah (Cheuk Tung) Li finished runner-up in the Open Women's singles, and won the Under 21 Women's singles, Under 19 Girls' singles, and Under 17 Girls' singles at the Table Tennis Australia 2023 National Championships. Eight Auckland players were selected to represent New Zealand at the 2023 ITTF-Oceania Championships held in Townsville, Australia. Joanna Yang won her first Oceania titles taking out both the Under 21 Women's singles and the Under 19 Girls' singles, and in so doing qualified for the 2023 World Youth Championships to be held in Slovenia. Several Auckland players were invited to Tahiti to compete in the 2023 International Tournament of Polynesia where Roger Wang won the Open Men's singles title and Lisa Gear partnered with Max Henderson (North Shore) to win the Open Mixed doubles title.

The 2023 Commute ATTA Elite Player Scholarships were awarded to Ayumi Moriyama-Picard, Joanna Yang, Hannah (Cheuk Tung) Li, and Lisa Gear. The Errol Cheal Memorial Trophy for Auckland Player of the Year went to Hannah (Cheuk Tung) Li. Alex Liu Cao was awarded the 2023 Auckland Junior Player of the Year (Boy) and Hannah (Cheuk Tung) Li was awarded the 2023 Auckland Junior Player of the Year (Girl).

The Association's representative squad coaching programme continued to grow and develop with the addition of an Auckland Intermediate C squad. The Auckland representative squad coaching team consisted of Wei Zhong Jiang (Head Coach), Kai Peng, Dinyar Irani, Josh Alexandre, and Roger Wang.

At grass roots development level, Dinyar Irani and Eberhard Kleiser, with assistance from Josh Alexandre, Kai Peng, Kim (Jin) Wang, Patrick Low, and Teng Teng Liu, continue to deliver on what is a real success story for the Association. A particular highlight are the School Holiday Coaching programmes which continue to be oversubscribed – the Association maintains a waiting list once maximum numbers have been reached. The Association's numerous development coaching activities couldn't be run without its development staff and contracted coaches who do an outstanding job.

The Association is grateful as always to our family of sponsors and funders for their major contributions. For the 2023 season these include JFR International Development, Commute

Transportation Consultants, Drift Academy, Penberthy Insurance, Ray White Real Estate, Anran International (NZ) Limited, PRIZM Group, The Gateau House, and product sponsorship received from Rialto Cinemas, Domino's Pizza, and Coca-Cola Euro-Pacific Partners.

In addition, the Association is grateful for continued support from Gaming Societies, Community Trusts, and Local Boards. Special mention to Cliff Freeman for his assistance with grant funding applications. We are deeply grateful to Air Rescue and Community Services, Albert-Eden Local Board, Auckland Council Regional Sport & Recreation Fund, Blue Sky Community Trust, Blue Waters Community Trust, Dragon Community Trust, Foundation North, Four Winds Foundation, Grassroots Trust, Howick Local Board, The Lion Foundation, Maungakiekie-Tamaki Local Board, Milestone Foundation, NZCT, Orakei Local Board, Pub Charity Limited, Rano Community Trust, The Trusts Community Foundation, Waitemata Local Board, and Tu Manawa Active Aotearoa funding (administered by Sport Auckland). Without this support the Association would not be where it is today. That said, the Association does not wish to become overly reliant on funding from outside agencies to continue with its programmes and activities.

This year saw the Association, with the assistance of Sport Auckland, start work on documenting a new strategic plan. The Association is appreciative of those stadium keyholders, players, parents, teachers, and coaches who took part in the stakeholder consultation and provided constructive feedback.

To our dedicated and loyal Management Committee it's been another fantastic year working together for the betterment of table tennis within our community.

To all District Associations and Table Tennis New Zealand, it has been great to see some progress in our sport after several challenging years due to COVID-19. I wish you all the best for the festive season.

Go well.

## **2022-2023 Auckland Interclub competition**

The Auckland Interclub competition continued to offer the option for teams to play with either two players or three players in a team on any one given night. Players in two-player teams contested two singles matches and one doubles match each. In three-player teams one player contested two singles matches, and two players each contested one singles match and one doubles match. Two-player teams could compete against three player teams.

The 2022-2023 Auckland Summer Interclub competition attracted entries from 66 teams that were placed into eleven grades (no prior year comparison because the 2021-2022 Summer Interclub season was cancelled due to COVID-19 lockdown). Grades were comprised of six teams and contested a full round robin over the course of a five-week round. The top six grades competed on Thursday nights and the five lowest grades competed on Wednesday nights. A promotion / relegation system was employed between all grades. The Summer Interclub teams contested two “grading” rounds before the third and final “Championship” round equating to 15 weeks of play.

The 2023 Auckland Winter Interclub competition attracted entries from 80 teams that were placed into twelve grades (76 teams entered during the 2022 season). The top six grades competed on Thursday nights, the next five grades competed on Wednesday nights, and the lowest grade competed on Sunday nights. The preference was for grades to be comprised of six teams and to contest a full round robin over the course of each five-week round. However, in order to cater for all teams the Association also created four eight team grades (A2 Grade, B2 Grade, C3 Grade, and D2 Grade). The eight team grades were split into two pools of four teams that played in two groups with play-offs for final positions for promotion / relegation purposes. A promotion / relegation system was employed between all grades. The Winter Interclub teams contested three “grading” rounds before the fourth and final “Championship” round equating to 20 weeks of play.

The Interclub Player of the Year Awards were decided by determining the player who accumulated the most singles and doubles wins irrespective of grade. Awards were presented for the 2022-2023 Auckland Summer Interclub competition and the 2023 Auckland Winter Interclub competition respectively. Bruce Kaihe-Sayers was the winner of the Dick Rassie Memorial Trophy for 2022-2023 Auckland Summer Interclub Player of the Year. Tushan Engineer was the winner of the Bill Burns Memorial Trophy for 2023 Auckland Winter Interclub Player of the Year. Prizes were also awarded to the first placed teams in each grade after the final round of competition.

All Auckland junior and senior representative players vying for selection in Auckland teams to compete at the 2023 New Zealand Open Table Tennis Championships were required to compete in at least 50% of 2023 Auckland Winter Interclub team contests.

Funding was received from Air Rescue and Community Services Trust and NZCT as a contribution towards the contract fees of David Jackson (Competitions Manager), which included delivery of the Auckland Interclub competition.

## **2023 Auckland Interschools table tennis competition**

College Sport continued to collect and process entries for the Auckland Interschools table tennis competition for the Term Two (Winter) and Term Three (Early Spring) competitions. Entries were collected via the EnterNow system and then forwarded to the Auckland Table Tennis Association following the close of entries. The Auckland Table Tennis Association was responsible for collection and processing of entries for the Term One (Pre-season) competition.

One venue hosted the one session of the 2023 Auckland Interschools table tennis competition in Term One:

a) Central Auckland venue: Auckland table tennis stadium; Friday 3.45p.m. – 6.00p.m.

Two venues hosted the three sessions of the 2023 Auckland Interschools table tennis competition in Term Two and Term Three:

a) Central Auckland venue: Auckland table tennis stadium; Friday 3.45p.m. – 6.00p.m., Friday 6.00p.m. – 8.15p.m.

b) East Auckland venue: St. Kentigern College sports hall, Friday 3.45p.m. – 5.35p.m.

The Thursday 3.45p.m. – 6.00p.m. session at the Central Auckland venue was cancelled in the 2023 season due to historical low demand and overlap with Junior Club and Girls' Coaching that run on Thursday evenings from 5.00p.m. – 6.30p.m.

The Friday 3.45p.m. – 6.00p.m. session continued to be the most popular playing session. 29 tables were utilized in the main hall of the Auckland table tennis stadium in order to cater for demand on Fridays during Term Two, and 26 tables were erected during Term Three. 15 tables were erected at St. Kentigern College sports hall during Term Two, and 14 tables were erected during Term Three.

There is room for growth in the Friday 3.45p.m. – 5.45p.m. session at the St. Kentigern College sports hall, and the Friday 6.00p.m. – 8.15p.m. session at the Central Auckland venue.

The number of teams that entered the Auckland Interschools table tennis competition stayed relatively constant as compared with the 2022 season. Entry numbers were as follows:  
2023 Pre-season Auckland Interschools competition (Term One): 27 teams (from 28 in 2022)  
2023 Winter Auckland Interschools competition (Term Two): 127 teams (from 132 in 2022)  
2023 Early Spring Auckland Interschools competition (Term Three): 112 teams (from 109 in 2022)

Funding was received to deliver junior table tennis development programmes, and offer increased opportunities for juniors to participate in table tennis, which included promotion, support, and delivery of the Auckland Interschools table tennis competition.

Funding was received for Dinyar Irani's (Tables in Communities Project Manager/Development Coach) role from Blue Waters Community Trust, Four Winds Foundation, Maungakiekie-Tamaki Local Board, NZCT, and The Lion Foundation.

Funding was received for Eberhard Kleiser's (Development Coach) role from Albert-Eden Local Board, Blue Waters Community Trust, Four Winds Foundation, Milestone Foundation, NZCT, Orakei Local Board, The Lion Foundation, and Waitemata Local Board.

Funding was received for Shane Warbrooke's (CEO/Development Officer) role from Air Rescue Services, Blue Sky Community Trust, Four Winds Foundation, Rano Community Trust, The Trusts Community Foundation, and The Lion Foundation.

Funding was received for Hongbing Wu's (Stadium Manager) role from Milestone Foundation and Rano Community Trust.

## **Club activities external to the Auckland table tennis stadium**

### **East Auckland Table Tennis Club:**

Eberhard Kleiser (Development Coach) delivered the East Auckland Table Tennis Club at the Pakuranga Community Hall on Tuesday nights from January – December. The Association continued to promote the Club through the Eastern Courier listings on Neighbourly and via school development coaching. An average of 15 players attended each session during the 2023 season.

### **Eastern Table Tennis Club:**

Bob Inns coordinated the Eastern Table Tennis Club which ran on Monday nights in the St. Thomas' School Hall on Monday nights from March – November. The Club continued to offer free membership for all participants (students and seniors). The Association continued to promote the Club through the East & Bays Courier listings on Neighbourly and via school development coaching. 6 tables operated each night. An average of 22 players attended each session during the 2023 season. One team from the Eastern Table Tennis Club regularly competed in the Auckland Interclub competition.

Eberhard Kleiser delivered free development coaching to students at St. Thomas' School on Monday lunchtimes from March – September. An average of 23 students attended each session during the 2023 season. St. Thomas' School students received free entry into the Eastern Table Tennis Club. In return, the Eastern Table Tennis Club received free hall hire from St. Thomas' School.

### **French Bay Table Tennis Club:**

Bryce Kay delivered the French Bay Table Tennis Club in the St. John Vianney Catholic Church Hall in Hillsborough on Tuesday nights from April – December 2023. The Association assisted in promoting the Club through the Central Leader listings on Neighbourly. An average of 7 players attended each club night, which was an increase in attendance as compared with the previous year.

### **Tune Table Tennis Club:**

Dinyar Irani (Tables in Communities Project Manager / Development Coach) continued to deliver Tune Table Tennis Club on Saturday afternoons which was first established in the 2019 season. The Club was based in the Pakuranga College School Gym in Pakuranga. Tune Table Tennis Club ran on 37 occasions during the 2023 season (increase from 29 occasions during the 2022 season).

A total of 98 players attended the Club during the 2023 season (111 players attended in the 2022 season). However, the average number of Club sessions that each player attended continued to increase.

Tune Table Tennis ran two group coaching sessions on Saturday afternoons. The first group coaching session (Tune Table Tennis B Squad) ran from 2.00p.m. - 4.00p.m. and targeted younger children and beginners. Ayumi Moriyama-Picard, Fraser Burns, and Eric Chen assisted as volunteer training partners for the Tune Table Tennis B Squad. The second group coaching session (Tune Table Tennis A Squad) ran from 4.00p.m. - 6.30p.m. and targeted players aiming to become competitive club level players or Auckland representative players.

Tune Table Tennis Club had the opportunity to deliver out of the Pakuranga College Gym regularly in the 2023 season. Therefore, the Club was able to offer regular training opportunities at a better facility with more space for players. The Club has seen increased player retention due to more regular training opportunities and the overall player level continued to increase. This can be measured by the increased number of Tune Table Tennis Club players participating in the Auckland Interschools table tennis competition and Auckland regional tournaments.

## **Club activities based at the Auckland table tennis stadium**

**Central Club:** Central Club ran on Monday evenings from 7.00p.m. – 10.00p.m. Eberhard Kleiser delivered the Central Club from January – December. Central Club was run on a ladder system. An average of 48 players attended each Central Club night during the 2023 season.

**Day Club:** the New Zealand Chinese Table Tennis Association (NZCTTA) delivered the Day Club on Mondays, Wednesdays, Saturdays, and Sundays from 9.30a.m. – 12.30p.m. The Day Club ran from January – December. **Korean Club:** Hea Youn Choi and Jane (Min) Jeong delivered the Korean Club on Saturdays from 6.00p.m. – 10.00p.m. The Korean Club ran from March – December. The Club was open to all players. Hea Youn Choi and Jane (Min) Jeong delivered free coaching to attendees at the Club. The coaching was funded by the Association.

## **Stadium keyholders & Table hire**

The Association had 384 financial stadium keyholders as at 31<sup>st</sup> August 2023 (compared with 382 financial stadium keyholders as at 31<sup>st</sup> August 2022).

The majority of stadium keyholders pay a lump sum membership fee in advance (251 members). The balance of stadium keyholders pay a weekly membership fee via Debit Success (133 members). The ratio of stadium keyholders paying by lump sum membership fee to those that pay a weekly membership fee is the same as in the previous financial year. In addition, approximately 18 stadium keyholders have their membership suspended at any one time.

Stadium keyholders were entitled to free attendance at Central Club, Day Club (including the Day Club administration fee), Young Explorers, Day Club U19 training, Girls Coaching, Junior Club, Interclub (excepting the team entry fee), and Korean Club. In addition, stadium keyholders received a 15% reduction in entry fees when they entered Auckland regional tournaments and were eligible to enter a draw to win a free extension equal to their current stadium keyholder term at The JFR 2023 Auckland Open.

The Auckland table tennis stadium was open for a full year as compared with the 109 days lost due to COVID-19 Alert Level 3 and Alert Level 4 lockdown in the previous year. As a result, revenue from stadium keyholderships increased significantly year on year. In addition, revenue from hireage (stadium and table hire) increased markedly. Hireage was comprised of coach table fees, casual table hire, visitor fees, venue hire, and meeting room hire.

The Auckland table tennis stadium was booked by organisations such as the Auckland Chinese Community Centre, Auckland Cricket Association, Barfoot & Thompson, New Zealand Chinese Table Tennis Association, North Shore Table Tennis Association, Table Tennis New Zealand, and Pathways Health. Venue hire included the 2022 NZCTTA Team Tournament, 2022 NZ Open Table Tennis Championships, 2023 Barfoot & Thompson Table Tennis Championships, 2023 TTNZ Hopes Event, 2023 North Island Team Championships, 2023 North Shore Open, 2023 NZCTTA Open & Junior Individual Tournaments, 2023 Auckland Chinese Community Centre Team Tournament, National Training Camps, and the Northern Region Training Camp.

Tables were hired for coaching by school groups such as Dilworth School, Glendowie College, One School Global, St. Kentigern School, and St. Peter's College.

A significant contributor to increased revenue from stadium and table hire was Coach Table Fees. Association registered coaches were charged a table fee of \$10.00 per hour while delivering coaching from Monday – Friday. Association registered coaches were charged a table fee of \$20.00 per hour while delivering coaching from Saturday – Sunday. Association registered coaches were invoiced for table fees on a fortnightly basis with 7-day payment terms. The Association registered seventeen coaches during the 2023 season.

Stadium keyholders continued to actively arrange their own practice independent of Clubs and other organised play opportunities. A group of 50 stadium keyholders arranged a team competition on Tuesday evenings (Huashan Team Competition).

Strong stadium keyholdership in conjunction with high participation in Association development coaching, competitions, events, and casual play continued to put pressure on table availability. The Association worked to address the issue by erecting additional tables at strategic times (for example, during Central Club, Junior Club, and Girls' Coaching) and maintained a coach booking system. However, long-term there is a shortage of table tennis courts which must be addressed.

### **Stadium hire**

Summit Chess Club hired the upstairs lounge at the Auckland table tennis stadium to run a club night on Friday evenings during the school term.

Table Tennis New Zealand hired the Presidents Lounge at the Auckland table tennis stadium.

The Association partnered with Spacetoco to list and promote spaces for hire (Results Centre and the upstairs lounge). Several groups and individuals hired space over the course of the year.

### **Strategic Plan**

The Association is exploring opportunities to expand into external playing venues, maximize usage of the Auckland table tennis stadium, and maximize the use of people resource. The Association Management Committee began the Strategic Planning process. Two stakeholder consultation Strategic Planning Meetings were held in September 2023. The meetings were run by independents from Sport Auckland.

### **Facilities Development Projects**

a) Facilities Development Project 1: Auckland Council has acknowledged that there is a shortage of indoor court space in the greater Auckland region. The Association partnered with Auckland Badminton Association and Olympic Weightlifting Auckland to pursue redevelopment of the existing Gillies Avenue site. Doug Cole (Sport & Recreation Consultant) has been appointed as Project Manager. There was an initial information gathering period. A design brief was drafted. CPRW architects have been engaged on a design services contract. Preliminary design meetings have been held.

b) Facilities Development Project 2: the Association is a founding member of the Lloyd Elsmore Community Hub. The purpose of the Hub is to construct a multi-club and code facility at Lloyd Elsmore Park to accommodate the four Founding Members (Auckland Table Tennis Association, Howick Gymnastics Club, Pakuranga Bowling Club, and Pakuranga Tennis Club). The Hub appointed Doug Cole (Sport & Recreation Consultant) to drive the project. The Hub entered into a design services contract with CPRW architects. The Association engaged in the design process. Preliminary design is now frozen. The Hub is in a position to prepare resource consent documentation. Environmental effect reports are to be prepared. The Hub intends to submit a resource consent application to Auckland Council in November 2023.

## **Tables in Communities project**

The 2023 season was the fifth year that the Association delivered the Tables in Communities project. Dinyar Irani continued to drive the project in his role as Tables in Communities Project Manager / Development Coach. The project grew junior and community participation by putting table tennis tables into community indoor and outdoor spaces, supporting those tables with localised programmes, and building a new network of playing communities at multiple sites across Auckland.

The project linked players with table tennis tables in public spaces and places, and with fellow members of the table tennis community, through the free Seekapong app. Table sites were listed on the free Seekapong app. The Seekapong app had 2,902 user registrations as at 31<sup>st</sup> August 2023.

Table tennis tables were placed at indoor and outdoor table sites to allow access at all times of day. New table sites were established, and partnerships formed with existing table sites. There were 69 table sites listed on the free Seekapong app as at 31<sup>st</sup> August 2023. The number of table sites spread throughout the community reduced transport as a barrier to participation.

The Association engaged with community groups, Clubs, Marae, recreation centres, schools, libraries, corporates, Local Boards, and Auckland Council.

The goals for the Tables in Communities project were as follows:

- a) 15,000 players registered on the Seekapong app (2,902 player registrations)
- b) 100 table tennis tables distributed in the community (87 tables distributed)
- c) 40 MOUs signed with Local Boards and facilities (75 MOUs signed)

Strong progress was made towards the goals for table tennis tables distributed in the community and MOUs signed with Local Boards and facilities. The Association is pursuing new strategies for registering players on the Seekapong app which will bear fruit in the 2024 season.

Funding was received for Dinyar Irani's (Tables in Communities Project Manager/Development Coach) role from Air Rescue and Community Services, Blue Waters Community Trust, Foundation North, Four Winds Foundation, Maungakiekie-Tamaki Local Board, NZCT, and The Lion Foundation.

Funding was received for Tables in Communities project table tennis tables, bats, and balls from Albert-Eden Local Board, Foundation North Grassroots Trust, Howick Local Board, Maungakiekie-Tamaki Local Board, Orakei Local Board, The Lion Foundation, and Waitemata Local Board.

During the 2023 season the Association delivered Tables in Communities project activations in schools, clubs, shopping centres, libraries, and other venues in the community. Popular events continued to be the Seekapong Shootout Tournaments held at Epsom Library and the Pakuranga Plaza shopping centre.

The Association continued to create content and build a social media following during the 2023 season. Social media is an important avenue to promote registration on Seekapong and to create further interest in table tennis throughout the Auckland region, nationally, and internationally. As at 31<sup>st</sup> August 2023 the Association had:

- a) Facebook account – 4,963 friends
- b) Facebook page – 3,281 followers
- c) Instagram – 924 followers
- d) WeChat Official page – promotes Association activities and Seekapong
- e) You Tube channel – 271 subscribers

Rialto Cinemas Newmarket and Dominos Newmarket (pizza) continued to support the Tables in Communities project with product sponsorship. However, Dominos Newmarket ceased trading during the 2023 season. The Association is pursuing product sponsorship from Dominos Mt. Eden. The product sponsorships form the basis of an incentives and giveaways programme to promote registrations on Seekapong and increased usage of the app.

## **Treasurer's Report**

### **Year Ending 31<sup>st</sup> August 2023**

It is my pleasure to present this Financial Report as Treasurer of the Auckland Table Tennis Association (Inc).

You are referred to the Accounts enclosed in this Annual Report.

The Association had an excess of Income over Expenditure for the year of \$155,885. This result is primarily due to the impact of income of \$301,297 from Trusts and Grants-being 32.8% of the Association's total income. The Management Committee is well aware that to rely on Grant and Trust monies to fund the Association is an unsustainable model. For this reason the Management Committee is investigating alternative funding models, particularly "user-pay" models, to ensure the future sustainability of the Association. The other major impact was that the stadium was open for the full year as compared with the 109 days "lost" through compulsory closure in the previous year.

The Balance Sheet shows that the Association remains in a healthy financial state with significant reserves to meet the cost structures of the immediate future and to assist the financing of the exciting capital developments that the Association is currently engaged in.

Regards,

**Bob Inns**  
Honorary Treasurer

## **AUDITOR'S REPORT TO THE MEMBERS OF THE AUCKLAND TABLE TENNIS ASSOCIATION (Inc.)**

I have audited the accompanying Consolidated Annual Accounts which show an excess of income over expenditure for the year of \$155,885. Pages 1to7 of these Accounts have not been audited.

The Financial Statements provide information about the past financial performance and position of Auckland Table Tennis Association (Inc.) as at 31 August 2023. This information is stated in accordance with the statement of accounting policies detailed in the financial statements.

### **Responsibilities of the Management Committee**

The Management Committee is responsible for the preparation of Financial Statements, which fairly reflects the financial position of the Association as at 31 August 2023 and of the results of their operations for the year ended on that date.

### **Auditor's responsibilities**

It is my responsibility to express an independent opinion on the Financial Statements presented by the Management Committee and report my opinion to you. As I am not a member of the Management Committee nor am I involved in the day-to-day activities of the Association I believe that I am able to give an independent opinion.

### **Basis of Opinion**

An audit includes examining on a test basis, evidence relevant to the amounts and disclosures in the Financial Statements. It also includes assessing:

- The significant estimates and judgements made by the elected officers in the preparation of the Financial Statements, and
- Whether the accounting policies are appropriate to the Association's circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted New Zealand auditing standards, except that my work was limited as explained below. I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the Financial Statements are free from material misstatements, whether caused by fraud or error. In forming my opinion I have also evaluated the overall adequacy of the presentation of information in the Financial Statements.

### **Qualified Opinion**

In common with organizations of a similar nature, a portion of the Association's recorded income is from cash sources and there is limited control over this income prior to its being recorded. There are no practical audit procedures to determine the effect of this limited control.

In my opinion, subject to the possible effect of the limited control referred to in the preceding paragraph, the accompanying Financial Statements reflect the financial position of the Association as at 31 August 2023 and the results of its operations for the year ended on that date.

My audit report was completed on 27<sup>th</sup> October 2023 and my qualified opinion is expressed as at that date.

J.R.Hally CA (Hon. Retired)

There were 2,902 user registrations, and 70 table sites listed, on the free Seekapong app as at 31st August 2023.

### **Additional Information**

The Auckland table tennis stadium was required to shut due to the COVID-19 pandemic and the Auckland Alert Level 3 and Alert Level 4 lockdown that began on 17th August 2021. The financial statements for the year ended 2023 have been prepared in accordance with SPFR for FPE which is not New Zealand Generally Accepted Accounting Practice (NZ GAAP).

#### Historical Cost

These financial statements have been prepared on a historical cost basis. The financial statements are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

#### Changes in Accounting Policies

The Association transitioned in the 2023 financial year from preparation using the general principles as recommended by the Institute of Chartered Accountants of New Zealand for the measurement and reporting of results and Financial Position under the historical cost method to special purpose financial reporting in accordance with SPFR for FPE's. The transition had minimal impact on the accounting policies of the Association.

#### Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services, excluding goods and services tax rebates and discounts, to the extent it is probable that the economic benefits will flow to the entity and revenue can be reliably measured.

Sales of services are recognised in the period by reference to the stage of completion of the transaction at the end of the reporting period.

Lease income is recognised on a straight line basis over the life of the lease.

Dividends received are recognised on receipt, net of non-refundable tax credits.

Government grants requiring specified future conditions to be met are recognised as a liability on receipt. The grants are recognised as income over the period that the specified conditions are complete and the associated costs are recognised.

#### Inventories

Inventories are stated at the lower of cost, determined on a first-in first-out basis, and net realisable value.

#### Fixed Assets

Fixed Assets are stated at historical cost less any accumulated depreciation and impairment losses. Historical cost includes expenditure directly attributable to the acquisition of assets, and includes the cost of replacements that are eligible for capitalisation when these are incurred.

An item of fixed asset is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

Upon derecognition, the asset revaluation reserve relating to the asset disposed shall be transferred to retained earnings.

### Insurance

The association has the following insurance policies in place

- Material Damage Policy on Stadium and Contents
- Business Interruption Policy
- General and Statutory Liability Policy

### Income Tax

Auckland Table Tennis Association Inc is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

### Goods and Services Tax

All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

The "Coaching, Squads and Development Division" and "Holidays Coaching Program Division" divisions have been approved by the IRD as being excluded from the GST regime and therefore these accounts are showing as GST Inclusive in the annual report.
