Chairman's Report 2024 Annual Report

2024 was a big year for the association being the centenary of the Auckland Table Tennis Association. The celebrations started with the renamed Auckland Centenary Open which saw a large number of entries with participants hailing from both the North and South islands. The number of entries meant there were almost 1,000 matches played over the course of the tournament which provided a challenge for the competition organisers – but one they were able to manage. The Open was followed by the Association Centenary Dinner which was held at Cypress Restaurant and included speeches from Guest of Honour Deputy Prime Minister David Seymour, and Association stalwart Alan Tomlinson. The 265 guests in attendance were entertained with great food and a jovial atmosphere. Each person present received a booklet outlining the Association History 1924-2024 and a commemorative table tennis ball to keep as mementos of the occasion.

The Association completed a number of planned maintenance projects during the year including re-carpeting the upstairs lounge, laying new vinyl in the bathrooms and walkways, and re-surfacing the playing floor. This was quite an undertaking, and the Association was grateful for funding assistance received in order to complete these necessary projects. Special thanks to Grassroots Trust for providing funding support towards re-carpeting the upstairs lounge, Dragon Community Trust and Pub Charity for providing funding support towards laying new vinyl in the bathrooms and walkways, and Milestone Foundation and NZ Community Trust for providing funding support towards re-surfacing the playing floor.

The Association is already planning refurbishments to the facility for the year ahead to enhance the experience of those coming to play at the Auckland table tennis stadium. Special thanks for funding support from the Table Tennis New Zealand Association Investment Fund, Four Winds Foundation, and Grassroots Trust which will enable the Association to upgrade Hello Club hardware, add new lighting, and re-align existing lighting in the year ahead.

In addition, the Association continues its work on two major Facility Development projects – the Gillies Avenue redevelopment project and the Lloyd Elsmore Community Hub. We are through the concept design phase for the Gillies Avenue redevelopment project and are conducting a cost-benefit analysis on the expansion approach options. The Lloyd Elsmore Community Hub is carrying out consultation prior to submitting resource consent. While we would love to be further along with both of these Facility Development projects, experience tells us that everything of this nature takes longer than expected.

The Tables in Communities project continues to deliver for the Association with the number of venues within the Auckland region where members of the community can play table tennis continuing to grow. There are now 75 table sites on the Seekapong network that serve to accommodate demand for table tennis in the community. Likewise, the new online booking system for table hire in the Auckland table tennis stadium, implemented on 1st September 2024, has provided certainty of booking for up to one week in advance and has resulted in an increase in new people accessing the Auckland table tennis stadium.

Grassroots development programmes continue to be a focus for the Association. Dinyar Irani and Eberhard Kleiser, with assistance from Patrick Low, have continued their great work in schools and community venues delivering what is a real success story for the Association. School Holiday Coaching programmes were well attended throughout the season, and the Auckland Interschools table tennis competition achieved an all-time high in terms of participation numbers.

The Association ran its standard number of Auckland tournaments, and the Auckland table tennis stadium was also the venue for several regional and national events including the Northern Region training camp, 2024 TTNZ Hopes Event, and 2024 North Island Team Championships. A special thanks to Table Tennis New Zealand for their support in making this happen.

Auckland sent a large contingent of players, coaches, and managers to the 2024 New Zealand Open Table Tennis Championships in Nelson. There were several standout results for Auckland, particularly in the junior team events, where Auckland representative teams won the Under 13 Boys' A Grade, Under 15 Girls', Under 15 Boys' B Grade, Under 15 Boys' A Grade, and Under 19 Boys' A Grade team events. Likewise, there were some outstanding individual performances, in particular Eli Ho winning both the Under 13 Boys' singles and the Under 15 Boys' singles, and John Wu winning the Under 19 Boys' singles.

A number of Auckland players represented New Zealand on the international stage including Lucas Alexandre, Karen Looi, Katie Chen, Hannah Cheuk-Tung Li, Josephine Chong, Oscar Du, Lisa Gear, Eli Ho, Jocelyn Lam, Alex Liu Cao, Grace Looi, Karen Looi, Ayumi Moriyama-Picard, Roger Wang, Joanna Yang, and Sebastian Ye.

The 2024 Commute ATTA Elite Player Scholarships were awarded to Lucas Alexandre, Josephine Chong, Lisa Gear, Eli Ho, Jocelyn Lam, and Ayumi Moriyama-Picard. The Errol Cheal Memorial Trophy for 2024 Auckland Player of the Year went to Dean Shu. John Wu was awarded the 2024 Auckland Junior Player of the Year (Boy) and Ayumi Moriyama-Picard was awarded the 2024 Auckland Junior Player of the Year (Girl). The Association's representative squad coaching programme continues to develop with a new Futures Squad added this year (under 9 years).

As always, the Association is grateful to our family of sponsors for their generous contributions. For the 2024 season these included Commute Transportation Consultants, Penberthy Insurance, Butterfly New Zealand, Drift Academy, Jennifer Alexandre, Lexus of Auckland City, Ray White Real Estate, and The Gateau House. Product sponsorship was received from Anran International (NZ) Limited, Coca-Cola Euro-Pacific Partners, and Rialto Cinemas.

In addition, the Association is grateful for continued support from Gaming Societies, Community Trusts, and Local Boards. We are deeply grateful to Albert-Eden Local Board, Auckland Council Regional Sport & Recreation Fund, Blue Sky Community Trust, Community Organisation Grants Scheme, Dragon Community Trust, Four Winds Foundation, Grassroots Trust, Maungakiekie-Tamaki Local Board, Milestone Foundation, NZ Community Trust, Pub Charity Limited, Rano Community Trust, TAB NZ, The Lion Foundation, The Trusts Community Foundation, Trillian Trust, Tu Manawa Active o Aotearoa, Waitemata Local Board, and Whau Local Board.

With the new Incorporated Societies Act 2022 requiring re-registration by April 2026, the Association has begun reviewing its constitution and strategic plan. Special thanks to Sport Auckland who have provided helpful guidance and feedback with this project which is ongoing.

I am personally grateful to the Management Committee who have worked together tirelessly to make the Association's Centennial year a very special one. I look forward to more great things to come for the Association in 2025. To all other district associations throughout New Zealand – go well, all the best for the festive season, and see you all in 2025.

Chairman

2023-2024 Auckland Interclub competition

The Auckland Interclub competition continued to offer the option for teams to play with either two players, or three players, in a team on any one given night. Players in two-player teams contested two singles matches and one doubles match each. In three-player teams one player contested two singles matches, and two players each contested one singles match and one doubles match. Two-player teams could compete against three player teams.

The 2023-2024 Auckland Summer Interclub competition attracted entries from 72 teams that were placed into twelve grades (66 teams entered during the 2022-2023 season). Grades were comprised of six teams and contested a full round robin over the course of a five-week round. The top five grades competed on Thursday nights, the next five grades competed on Wednesday nights, and the lowest two grades competed on Tuesday nights. A promotion / relegation system was employed between all grades. The Summer Interclub teams contested two “grading” rounds before the third and final “Championship” round equating to 15 weeks of play.

The 2024 Auckland Winter Interclub competition attracted entries from 82 teams that were placed into fourteen grades (80 teams entered during the 2023 season). Grades were comprised of six teams and contested a full round robin over the course of a five-week round. The top six grades competed on Thursday nights, the next six grades competed on Wednesday nights, and the lowest two grades competed on Tuesday nights. A promotion / relegation system was employed between all grades. The Winter Interclub teams contested three “grading” rounds before the fourth and final “Championship” round equating to 20 weeks of play.

The Interclub Player of the Year Awards were decided by determining the player who accumulated the most singles and doubles wins irrespective of grade. Awards were presented for the 2023-2024 Auckland Summer Interclub competition and the 2024 Auckland Winter Interclub competition respectively. Thomas Kohlenbach was the winner of the Dick Rassie Memorial Trophy for 2023-2024 Auckland Summer Interclub Player of the Year. Victor Li was the winner of the Bill Burns Memorial Trophy for 2024 Auckland Winter Interclub Player of the Year. Prizes were also awarded to the first placed teams in each grade after the final round of competition.

All Auckland junior and senior representative players vying for selection in Auckland teams to compete at the 2024 New Zealand Open Table Tennis Championships were required to compete in at least 50% of 2024 Auckland Winter Interclub team contests.

Funding was received from NZCT as a contribution towards the contract fees of David Jackson (Competitions Manager), which included delivery of the Auckland Interclub competition.

2024 Auckland Centenary Open

23rd – 25th August 2024, Auckland

The Auckland Open was re-named the Auckland Centenary Open for the 2024 season to commemorate the one-hundredth anniversary of the Auckland Table Tennis Association. The Open was the premier event on the Association tournament calendar.

The Open received 257 entries (compared with 263 entries in the 2023 season). New Zealand based entries were received from players affiliated to Auckland, Canterbury, Counties-Manukau, Northland, North Shore, Otago, Waikato, and Waitemata. In addition, one player entered from Australia and one player from Vietnam.

Advertising was conducted via e-mail, the Association website, Facebook, Instagram, LinkedIn, Google My Business, printed flyers, and word of mouth. The Open Finals session was held on the evening of Saturday 24th August, 2024. Free tickets were issued to 359 spectators to enter the spot prize draws held during the Open Finals session. The number of spectators increased compared to the 335 spectators who attended the Open Finals session in the 2023 season.

The Open event sponsors were Penberthy Insurance and Ray White Real Estate. Drift Academy donated a free Drift 101 Course valued at \$599 a free Drift Taxi ride valued at \$129. Coca-Cola donated Powerade drink bottles and Powerade Mountain Blast powder. Tip Top ice cream, baked goods, drinks, and confectionery were distributed to spectators during the Open Finals session. Spectators sang Happy Birthday to the Association and received birthday cake that was kindly donated by The Gateau House.

Almost 1,000 matches were played over the course of the tournament. Several rounds of the A Grade Open Singles and Doubles, and D Grade Open Singles and Doubles, were played on the evening of Friday 23rd August in order to reduce the number of matches to be played on Saturday 24th August. However, the Open Finals session started half an hour later than advertised (7.30p.m.) due to the number of matches that needed to be completed. The Open Finals session began with the Open Men's doubles final, followed by the Open Women's singles final, and concluded with the Open Men's singles final. A centre court atmosphere was created around a single table, with one final played at a time. Dinyar Irani acted as MC of the Open Finals session.

Club activities external to the Auckland table tennis stadium

East Auckland Table Tennis Club:

Development Coach Eberhard Kleiser ran the East Auckland Table Tennis Club at the Pakuranga Community Hall on Tuesday nights from January to December. The Association promoted the club through Eastern Courier listings on Neighbourly and through school development coaching. Each session during the 2024 season saw an average attendance of 17 players.

Eastern Table Tennis Club:

Bob Inns coordinated the Eastern Table Tennis Club, held on Monday nights at the St. Thomas' School Hall from March to November. The club maintained its free membership for all participants, including students and seniors. The Association promoted the club through Neighbourly and school development coaching. With 6 tables in use each night, the club averaged 24 players per session during the 2024 season, and one team from the Eastern Table Tennis Club regularly competed in the Auckland Interclub competition.

Eberhard Kleiser provided free development coaching to St. Thomas' School students on Monday lunchtimes from May – August, with an average of 25 students attending each session during the 2024 season. St. Thomas' School students were granted free entry to the Eastern Table Tennis Club, while the club benefited from free hall hire from St. Thomas' School in return.

French Bay Table Tennis Club:

Bryce Kay ran the French Bay Table Tennis Club at the St. John Vianney Catholic Church Hall in Hillsborough on Tuesday nights from April to December 2024. The Association supported the club's promotion through Neighbourly. Attendance averaged 6 players per session.

Tune Table Tennis Club:

Dinyar Irani (Tables in Communities Project Manager / Development Coach) continued to deliver Tune Table Tennis Club on Saturday afternoons. The Club was based in the Pakuranga College School Gym in Pakuranga. Tune Table Tennis Club ran on 39 occasions during the 2024 season (increase from the 37 occasions during the 2023 season).

A total of 108 players attended the Club during the 2024 season (increase from the 98 players that attended in the 2023 season). The average number of Club sessions that each player attended continued to increase.

Tune Table Tennis has welcomed Jonathan Wong and Rayan Engineer to the coaching team, equipping them with the skills to assist with group coaching sessions as needed throughout the year. Tune Table Tennis ran two group coaching sessions on Saturday afternoons. The first group coaching session (Tune Table Tennis B Squad) ran from 2.00p.m. - 4.00p.m. and targeted younger children and beginners. Tushan Engineer, and Eric Sum assisted as volunteer training partners for the Tune Table Tennis B Squad. The second group coaching session (Tune Table Tennis A Squad) ran from 4.00p.m. - 6.30p.m. and targeted players aiming to become competitive club level players or Auckland representative players.

Tune Table Tennis Club had the opportunity to deliver out of the Pakuranga College Gym regularly in the 2024 season. Therefore, the Club was able to offer regular training opportunities at a better facility with more space for players. The Club has seen increased player retention due to more regular training opportunities and the overall player level continued to increase. This can be measured by the increased number of Tune Table Tennis Club players participating in the Auckland Interschools table tennis competition and Auckland regional tournaments.

Club activities based at the Auckland table tennis stadium

Central Club: Central Club operated on Monday evenings from 7.00p.m. – 10.00p.m., facilitated by Eberhard Kleiser from January to December. The club followed a ladder system, where matches were played as a single game to 11 points. Players managed their positions by moving their name tags up or down on boards at each table based on match outcomes. During the 2024 season, the club averaged 44 players per night.

Day Club: The New Zealand Chinese Table Tennis Association (NZCTTA) ran the Day Club on Mondays, Wednesdays, Saturdays, and Sundays from 9.30a.m. – 12.30p.m., operating year-round from January to December. The NZCTTA also organized an Open Team Tournament in September 2024 and a Junior Individual Tournament in November 2024. The Association and NZCTTA continued their partnership, with the Association covering the annual Day Club administration fee for stadium keyholders for the 2024 season.

Korean Club: Jane (Minjeong) Kim ran the Korean Club on Saturdays from 6.00p.m. – 10.00p.m. throughout the year, from January to December. The club was open to all players, with Jane (Minjeong) Kim providing free coaching to attendees, funded by the Association.

University of Auckland Table Tennis Club: Scott (Jun) Zhu served as President of the University of Auckland Table Tennis Club for the 2024 season. The club operated from March – November 2024 on Sunday nights from 6.30p.m. – 9.30p.m., using eight tables and catering to University students, stadium keyholders, and casual players.

Stadium keyholders & Table hire

As of 31st August 2024, the Association had 370 financial stadium keyholders, compared to 384 on the same date in 2023.

Most stadium keyholders pay a lump sum fee in advance, with 193 members opting for this payment method. The remaining 177 keyholders pay a weekly fee through Debit Success. The number of keyholders choosing the weekly payment option saw a significant increase compared to the previous financial year. Additionally, around 30 stadium keyholders have their membership suspended at any given time.

Stadium keyholders were entitled to free access to Central Club, Day Club (including the Day Club administration fee), Young Explorers, Day Club U19 training, Girls Coaching, Junior Club, Interclub (excluding the team entry fee), Korean Club, and the University of Auckland Table Tennis Club. Additionally, keyholders received a 15% discount on entry fees for Auckland regional tournaments and were eligible to enter a draw for a free extension of their current stadium keyholder term at the 2024 Auckland Centenary Open.

Table hire was comprised of coach table fees, casual table hire, visitor fees, and venue hire. The Auckland table tennis stadium was booked by organisations such as the Age Concern, ASB Bank Asian Banking Commercial, Bersatu Games, Context Architects, Emerge Aotearoa, New Zealand Chinese Table Tennis Association, New Zealand International Education Academy, Synergy Community Trust, Table Tennis New Zealand, Torque IT Solutions, and Pathways Health. Venue hire included the 2023 NZCTTA Team Tournament, 2024 TTNZ Hopes Event, 2024 North Island Team Championships, 2024 Bersatu Games, a National Training Camp, and the Northern Region Training Camp.

Tables were hired for coaching by school groups such as Dilworth School, Glendowie College, St. Kentigern School, and St. Peter's College.

Association registered coaches were charged a table fee of \$12.50 per hour for coaching sessions held from Monday – Friday, and \$25.00 per hour for sessions held on Saturdays and Sundays. Coaches were invoiced for table fees on a fortnightly basis, with payment due within 7 days. The Association registered a total of fourteen coaches during the 2024 season.

Stadium keyholders continued to independently organize their own practice sessions outside of Clubs and other structured play opportunities. A group of 30 keyholders arranged a team competition on Sunday evenings, known as the Huashan Team Competition.

Strong stadium keyholder numbers, combined with high participation in the Association's development coaching, competitions, events, and casual play, continued to strain table availability. The Association took steps to address this by setting up additional tables during key times, such as Central Club, Junior Club, and Girls' Coaching, and maintained a coach booking system. However, the long-term shortage of table tennis courts remains a critical issue that must be addressed.

Stadium hire

Meeting room hire contributed to Hireage. Summit Chess Club rented the upstairs lounge at the Auckland Table Tennis Stadium to host a club night on Friday evenings during the school term. Table Tennis New Zealand hired the Presidents Lounge at the Auckland table tennis stadium.

The Association partnered with Spacetoco to list and promote rental spaces, including the Results Centre and the upstairs lounge. Throughout the year, several groups and individuals hired these spaces.

Strategic Plan

The Association is exploring opportunities to expand into external playing venues, optimize the use of the Auckland table tennis Stadium, and make the most of available human resources. The Association Management Committee continued its Strategic Planning process during the 2024 season, with facilitation provided by independent experts from Sport Auckland.

Facilities Development Projects

a) Facilities Development Project 1: Auckland Council has acknowledged that there is a shortage of indoor court space in the greater Auckland region. The Association continued its partnership with Auckland Badminton Association and Olympic Weightlifting Auckland to pursue redevelopment of the existing Gillies Avenue site. The project is at Phase 1: Investigation & Analysis. Current state analysis was carried out. Sport requirements were determined. Specialist services were procured (architect and quantity surveyor). A design brief was agreed and bulk and location completed. Specialist design input fed into expansion approach options. A cost/benefit analysis is being undertaken.

b) Facilities Development Project 2: the Association is a founding member of the Lloyd Elsmore Community Hub. The purpose of the Hub is to construct a multi-club and code facility at Lloyd Elsmore Park to accommodate the four Founding Members (Auckland Table Tennis Association, Howick Gymnastics Club, Pakuranga Bowling Club, and Pakuranga Tennis Club). The project is at Phase 2: Design & Consent. Preliminary design is frozen. Specialist reports have been completed. The Lloyd Elsmore Community Hub Board is currently carrying out consultation. Resource consent is due to be submitted to Auckland Council by early 2025.

Tables in Communities project

The 2024 season marked the sixth year of the Association's Tables in Communities project, led by Dinyar Irani in his role as Project Manager and Development Coach. The project expanded junior and community engagement by placing table tennis tables in community indoor and outdoor spaces, supporting them with localized programs, and creating a new network of playing communities at various sites across Auckland.

The project connected players with public table tennis tables and other community members through the free Seekapong app, which listed table locations. As of 31st August 2024, the Seekapong app had 3,361 registered users.

Indoor and outdoor table tennis tables were installed at various locations to provide access at all hours. New sites were established, and partnerships were formed with existing ones, resulting in

75 table locations listed on the free Seekapong app as of 31st August 2024. The widespread availability of tables throughout the community helped reduce transportation barriers to participation. Table sites provide table tennis tables, bats, and balls free of charge, or at very low cost, thereby removing cost as a barrier to participation. The removal of transport and cost as barriers to participation ensures equity of access to participate in table tennis for all people, including those from high deprivation areas.

The Association collaborated with a wide range of groups, including community organizations, clubs, marae, recreation centres, schools, libraries, corporations, Local Boards, and Auckland Council.

The goals for the Tables in Communities project are as follows:

- a) 15,000 players registered on the Seekapong app (in progress, 2,902 player registrations)
- b) 100 table tennis tables distributed in the community (achieved, 113 tables distributed)
- c) 40 MOUs signed with Local Boards and facilities (achieved, 82 MOUs signed)

The Association is continuing to trial new strategies to encourage player registration on the Seekapong app.

Funding was received for Dinyar Irani's (Tables in Communities Project Manager/Development Coach) role from Auckland Council Regional Sport & Recreation Fund, Community Organisation Grants Scheme, Four Winds Foundation, NZ Community Trust, The Lion Foundation, Tu Manawa Active o Aotearoa, and Whau Local Board

Funding was received for Tables in Communities project table tennis tables, bats, and balls from Auckland Council Regional Sport & Recreation Fund, Community Organisation Grants Scheme, Maungakiekie-Tamaki Local Board, Trillian Trust, Tu Manawa Active o Aotearoa, and Whau Local Board.

During the 2024 season the Association delivered Tables in Communities project activations in schools, clubs, shopping centres, libraries, and other venues in the community. Popular events included the Seekapong Shootout Tournament held at the Pakuranga Plaza shopping centre, Table Tennis Beginner Workshops at Epsom Library, and the World of Cultures Table Tennis competition at Onehunga Community Centre.

Throughout the 2024 season, the Association continued to create content and grow its social media following. Social media serves as a key platform for promoting registration on Seekapong and generating interest in table tennis across Auckland, as well as nationally and internationally. As of 31st August 2024, the Association had:

- a) Facebook account – 4,991 friends
- b) Facebook page – 3,400 followers
- c) Instagram – 968 followers
- d) WeChat Official page – promotes Association activities and Seekapong
- e) You Tube channel – 294 subscribers

Rialto Cinemas Newmarket continued to support the Tables in Communities project through product sponsorship, which serves as the foundation of an incentives and giveaways program aimed at promoting Seekapong registrations and encouraging greater app usage.

Hosting Inclusive Table Tennis (HITT) programme

The 2024 season marked the 23rd year of the Hosting Inclusive Table Tennis (HITT) programme, run by the Association. This no-cost coaching programme for special needs players took place on Tuesday mornings throughout the school year. Over 110 special needs students from nine schools participated during the 2024 season. Eberhard Kleiser served as the convenor, coordinator, and Head Coach of the HITT programme for the 2024 season. A total of 22 volunteers dedicated their time to assist the students during the coaching sessions.

End of year Ribbon Days are scheduled to be held in November 2024.

Drawn Doubles

The Association hosted a Drawn Doubles evening as part of the 2023 Winter Interclub prizegiving. This event, which served as the Association's end-of-year social function, took place on 30th November 2023 and attracted 60 entries.

The Association plans to host a Drawn Doubles evening in November 2024, to be held in conjunction with the 2023-24 Summer Interclub prizegiving and the 2024 Winter Interclub prizegiving.

Administration, Competitions Manager & Funding Officer

Ying Ma continued to provide administrative support to the Association on Saturdays and Sundays.

David Jackson continued in his role as Competitions Manager for the Association, overseeing Tournaments and Interclub. Funding towards his position was provided by NZ Community Trust.

Cliff Freeman continued to be contracted to provide funding services for the Association.

Stadium maintenance

Auckland Council continued to maintain the Pascoe Quarry Reserve grounds and carpark, while Virginia Waters managed the gardening and landscaping in the garden area in front of the Auckland table tennis stadium.

Nick Ning and Michael Wang volunteered their time to the Association for general stadium maintenance, helping to ensure the Auckland table tennis stadium was well-maintained. Their work included replacing broken floorboards, repairing toilets, performing minor plumbing tasks, and addressing other maintenance needs.

Funding was received from Blue Sky Community Trust to replace four Butterfly Centrefold Rollaway table tennis tables on the Auckland table tennis stadium floor.

The Association continued to contract Safety Online for Health & Safety Management Software, helping meet Health & Safety requirements. The Association logged meeting minutes, site checks, accident reports, and staff training in the Safety Online portal.

The Association maintained an annual subscription for the Premium Plan and hardware integration with Hello Club for stadium member management and access control. An additional light bay will be installed, and lighting will be realigned, in December 2024. The Association also plans to upgrade the Hello Club hardware in January 2025. Funding for the project has been received from Four Winds Foundation, Grassroots Trust, and Table Tennis New Zealand.

Top Caliber Cleaning provided cleaning services for the Auckland Table Tennis Stadium seven days a week. Funding for the stadium's cleaning was received from Blue Sky Community Trust.

Grassroots Trust provided funding for the Association to replace carpet in the Auckland table tennis stadium in January 2024.

Grassroots Trust, Milestone Foundation, and NZ Community Trust provided funding for the resurfacing of the playing floor at the Auckland table tennis stadium, which required the facility to be closed from 22nd January – 4th February 2024. As a result, stadium keyholder terms were extended to cover the duration of the shutdown.

The Management Committee organized a working bee in February 2024 to carry out weeding around the perimeter of the Auckland table tennis stadium and the carpark.

Dragon Community Trust and Pub Charity Limited provided funding for the Association to replace the vinyl flooring in both the upstairs and downstairs areas of the Auckland table tennis stadium. During the process of lifting the old vinyl, it was discovered that part of the floor in the men's showers and changing room was rotten and required replacement. The floor in the men's showers was re-shaped to prevent a recurrence of the issue, and the foundations and plumbing fixtures below the showers were inspected and rectified. The project began in June 2024 and was completed in October 2024.

Funding was received towards insurance for the stadium from Four Winds Foundation and Milestone Foundation.

Treasurer's Report
Year Ending 31st August 2024

It is my pleasure to present this Financial Report as Treasurer of the Auckland Table Tennis Association (Inc).

You are referred to the Accounts enclosed in this Annual Report.

The Association had an excess of Income over Expenditure for the year of \$55,636. This result is primarily due to the impact of income of \$356,349 from Trusts and Grants-being 36.9% of the Association's total income. Other Income items were much in-line with the previous year. On the expenditure side Stadium Expenses were up \$115,785 on the previous year-a direct result of resurfacing the stadium floor; upstairs carpet replacement and the replacement of the vinyl flooring.

The Balance Sheet shows that the Association remains in a healthy financial state although there will be some impact on this position as a result of the recently introduced changes to the table-hireage regime and its effects on keyholder income.

Regards,

Bob Inns
Honorary Treasurer

Description and Quantification of the Entity's Outputs

The Association expanded Auckland Squad Training adding Auckland Futures Squad to the existing Auckland Intermediate Squad and Auckland Elite Squad. Auckland Squad Training fees increased from January 2024. Auckland Squad Training activities were subsidised by the Association.

The Association delivered development coaching in schools, demonstrations, Young Explorers, Junior Club, Day Club U19 training, and Girls' Coaching. Fees for Coaching and Development activities increased from September 2023. School Holiday Coaching ran in October 2023, January 2024, April 2024, and July 2024 and all four programmes were fully subscribed. School Holiday Coaching fees increased from January 2024.

Hireage was comprised of coach table fees, casual table hire, visitor fees, venue hire, and meeting room hire. Venue hire included the 2024 TTNZ Hopes Event, 2024 North Island Team Championships, 2024 Bersatu Games, and the Northern Region Training Camp. The Association instituted a new method of charging for venue hire based on a charge per court hour booked that came into effect in January 2024. The Association did not host the New Zealand Open Table Tennis Championships, Barfoot & Thompson Table Tennis Championships, NZCTTA Open & Junior Individual Tournaments, or National Training Camps during the 2024 financial year. Regular hirers of meeting room space included Table Tennis New Zealand and Summit Chess Club.

The Auckland Interschools table tennis competition catered for 37 teams from 3 schools during Term 1 of the 2024 season (increased from 27 teams from 4 schools in 2023), 155 teams from 25 schools during Term 2 of the 2024 season (increased from 127 teams from 24 schools in 2023), and 130 teams from 21 schools during Term 3 of the 2024 season (increased from 112 teams from 22 schools in 2023). The Association had 370 financial stadium keyholders at 31st August 2024, a decrease of 14 financial stadium keyholders compared with the previous financial year. Stadium keyholder fees increased from September 2023.

The Association delivered six regional tournaments, one Interschools tournament, two Intermediate Zone tournaments, and one Primary School tournament during the financial year ended 31st August 2024. Tournament entry fees increased from January 2024.

Additional Output Measures

The Tables in Communities project is growing junior and community participation by putting table tennis tables into community indoor and outdoor spaces, supporting those tables with localised programmes, and building a new network of playing communities at multiple sites across Auckland. The free Seekapong app links players with table tennis tables in public spaces and places, and with fellow members of the table tennis community who share an interest in table tennis. There were 3,361 user registrations, and 75 table sites listed, on the free Seekapong app as at 31st August 2024.

Additional Information

The Auckland table tennis stadium was closed from 22nd January - 4th February 2024 for the stadium floor to be resurfaced. Stadium keyholder memberships were extended by the period of the shut-down.

Notes to the Financial Statements

Auckland Table Tennis Association Inc For the year ended 31 August 2024

1. Reporting Entity

Auckland Table Tennis Association Inc is a registered incorporated society since 19 June 1934

2. Statement of Accounting Policies

Basis of Preparation

As the Association is not a Registered Charity, the Management Committee has elected not to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting -Accrual (Not-For-Profit) to these accounts.

For the 2024 financial year, Auckland Table Tennis Association Inc prepared its financial statements in accordance with approved Financial Reporting Standards (FRSs) and Statements of Standards Accounting Practice (SSAPs) as appropriate for entities that qualified and applied for New Zealand differential reporting concessions. The financial statements for the year ended 2024 have been prepared in accordance with SPFR for FPE which is not New Zealand Generally Accepted Accounting Practice (NZ GAAP).

Historical Cost

These financial statements have been prepared on a historical cost basis. The financial statements are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

Changes in Accounting Policies

The Association transitioned in the 2023 financial year from preparation using the general principles as recommended by the Institute of Chartered Accountants of New Zealand for the measurement and reporting of results and Financial Position under the historical cost method to special purpose financial reporting in accordance with SPFR for FPE's. The transition had minimal impact on the accounting policies of the Association.

Changes to Insurance - The way insurance has been treated has changed this financial year due to audit requirements. Previously, insurance was fully recognised when paid, however due to the new requirements, any balance paid over \$15,000 must be treated as a prepayment and expensed monthly for the period it relates to.

Insurance Paid = \$28,272.13

Amount expensed in 2024 = \$4,712.

Balance remaining to be recognised in 2025 = \$23,560

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services, excluding goods and services tax rebates and discounts, to the extent it is probable that the economic benefits will flow to the entity and revenue can be reliably measured.

Sales of services are recognised in the period by reference to the stage of completion of the transaction at the end of the reporting period.

Lease income is recognised on a straight line basis over the life of the lease.

Dividends received are recognised on receipt, net of non-refundable tax credits.

Government grants requiring specified future conditions to be met are recognised as a liability on receipt. The grants are recognised as income over the period that the specified conditions are complete and the associated costs are recognised.

Fixed Assets

Fixed Assets are stated at historical cost less any accumulated depreciation and impairment losses. Historical cost includes expenditure directly attributable to the acquisition of assets, and includes the cost of replacements that are eligible for capitalisation when these are incurred.

An item of fixed asset is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

Upon derecognition, the asset revaluation reserve relating to the asset disposed shall be transferred to retained earnings.

Insurance

The association has the following insurance policies in place

- Material Damage Policy on Stadium and Contents
- Business Interruption Policy
- General and Statutory Liability Policy

Income Tax

Auckland Table Tennis Association Inc is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Goods and Services Tax

All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

The "Coaching, Squads and Development Division" and "Holidays Coaching Program Division" divisions have been approved by the IRD as being excluded from the GST regime and therefore these accounts are showing as GST Inclusive in the annual report.

INDEPENDENT AUDITOR'S REPORT

To the Members of Auckland Table Tennis Association Inc

Opinion

We have audited the financial statements of Auckland Table Tennis Association Inc on pages 4 to 20, which comprise the balance sheet as at 31 August 2024, and the statements of profit or loss and changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Auckland Table Tennis Association Inc in accordance with Professional and Ethical Standard 1 'International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)' issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, Auckland Table Tennis Association Inc.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements have been prepared for the members and funders. As a result, the financial statements may not be suitable for another purpose.

Restriction on Responsibility

This report is made solely to the Members, as a body, in accordance with specify source of audit duty, e.g. constitution of Auckland Table Tennis Association Inc. Our audit work has been undertaken so that we might state to the Members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Members as a body, for our audit work, for this report, or for the opinions we have formed.

Management Committee' Responsibility for the Financial Statements

The Management Committee are responsible on behalf of the entity for determining that the Special Purpose framework adopted is acceptable in Auckland Table Tennis Association Inc's circumstances, the preparation of financial statements, and for such internal control as the Management Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee are responsible on behalf of the entity for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or

error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (NZ), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- conclude on the appropriateness of the use of the going concern basis of accounting by the Management Committee and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management. We communicate with the Management Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
