The doubles may be played best of 5 games to 11 points if both teams agree. Teams can opt to play with either 2 players or 3 players. In the instance that teams play with 3 players then 1 player will play 2 singles matches, and the other 2 players will play 1 singles match and 1 doubles match together – the playing order as specified on the result sheet must be respected. It is possible for a 2 player team to compete against a 3 player team.
