Chairman's Report
2026 Annual Report

2026 was another busy year for the Association, with significant activity across our programmes and projects, alongside considerable work to review and update our constitution to ensure compliance with the Incorporated Societies Act 2022.

With Auckland Council and Aktive – Auckland Sport and Recreation identifying a shortage of indoor court space as a significant issue across the Auckland region, the Association's two major facility development projects remain key priorities for the future of our sport.

While progress on both the Lloyd Elsmore Community Hub (LECH) and Gillies Avenue Sports Centre (GASC) projects has been slower than we would have liked, we are beginning to see encouraging developments, particularly with LECH. The project has secured significant funding support from Auckland Council's Sport and Recreation Facilities Investment Fund – Targeted Process and NZ Community Trust, bringing it closer to the construction phase. This represents an exciting milestone and a significant step towards realising our long-term vision. Although the completion of a new dedicated table tennis facility is still several years away, each year brings us closer to providing much-needed additional capacity to accommodate the growing number of table tennis players across the Auckland region.

The Association has continued working closely with its site partners, Auckland Badminton Association and Olympic Weightlifting Auckland, to reduce the overall cost of the Gillies Avenue Sports Centre (GASC) project and explore opportunities for staged development. This approach aims to improve the project's financial feasibility and support its progression, while maintaining the key objective of doubling the size of the existing table tennis playing area to accommodate anticipated future demand.

In the meantime, the Association recognises the importance of maintaining and improving our existing facility. During the year, the interior and parts of the exterior of the Auckland Table Tennis Stadium were repainted, alongside several infrastructure upgrades, including improvements to the Hello Club stadium management system, toilets and final exits. Looking ahead, the Association is investigating further improvements, including upgrading the LED lighting in the playing area, installing ITTF-approved sports flooring and introducing humidity control measures. These initiatives aim to enhance playing conditions and provide a better overall experience for everyone who uses the Stadium.

The online table booking system, introduced through Hello Club in September 2024, has been a significant success, providing members of the community with greater flexibility to book and access tables at the Stadium. The convenience and accessibility of the system have contributed to a substantial increase in casual member registrations, helping to broaden participation and encourage more people to enjoy table tennis.

Growing participation in table tennis, particularly at the grassroots level, continues to be a major focus for the Association. During the year, several new After-School Clubs were established, alongside the continued development of our Future Squad programme for players aged under 11. The Association has also expanded its range of activities, including weekly Ping Pong Parkinson's sessions on Tuesday mornings, providing further opportunities for people of all ages and abilities to participate in the sport.

The Tables in Communities project remains a key focus for the Association, providing opportunities to introduce more people to table tennis and encourage greater participation in the

sport. We are fortunate to have a team of qualified and experienced coaches, including Eberhard Kleiser, Patrick Low and Dinyar Irani, who deliver table tennis activations and coaching sessions at schools and community venues across Central and East Auckland.

The Association made a significant investment in player development and high-performance programmes during 2026. While not all initiatives achieved the outcomes we had hoped for, Auckland players continued to deliver outstanding performances on both the national and international stages, reflecting the talent and dedication of our athletes and their ongoing commitment to development.

The Association entered 27 teams and two draft players in the 2026 New Zealand Open Championships, held in Christchurch, with Auckland representative teams achieving outstanding success across multiple age groups and grades. Auckland secured 10 team titles, winning the U13 Boys' A and B Grades, U13 Girls' Grade, U15 Boys' A and B Grades, U19 Boys' A and B Grades, and Open Men's A, B and C Grades. These results reflect the strength and depth of Auckland table tennis across both junior and senior levels.

Auckland players also achieved outstanding success in the individual events. At just 15 years of age, August Xiao claimed the Open Men's Singles title and followed this achievement by winning the U19 Boys' Singles title. Hannah Li won the Open Women's Singles title, while Matome Mongalo secured both the Men's B Grade and C Grade Singles titles. Nicole Yin claimed the Women's C Grade Singles title, Lucas Alexandre won both the U15 Boys' and U13 Boys' Singles titles, and Bessie Li secured the U13 Girls' Singles title. In addition, several Auckland players claimed national titles in the Doubles and Mixed Doubles events.

These exceptional performances saw the Association awarded two prestigious trophies at the 2026 New Zealand Open Championships: the Bill Hurrey Cup, presented to the Association whose players win the most individual titles at the New Zealand Junior Open Championships, and the Arthur Meachen Trophy, awarded to the Association whose players win the most individual titles at the New Zealand Senior Open Championships. These achievements highlight the strength and depth of Auckland table tennis across both junior and senior competition.

Once again, a number of Auckland players had the honour of representing New Zealand on the international stage. Male representatives included Dean Shu, August Xiao, Eli Ho, Payas Jajal, Oscar Du, Tushan Engineer, Lucas Alexandre and Jayden Lu, while female representatives included Jocelyn Lam, Karen Looi and Katie Chen. A particular highlight was the success of the New Zealand U15 Boys' team, comprising August Xiao, Eli Ho and Lucas Alexandre, who won the ITTF-Oceania U15 Boys' Team event, securing qualification for the 2026 ITTF World Youth Championships in Istanbul. Equally impressive was their dominance in the U15 Boys' Singles event, where the three Auckland players claimed all three medals, with August winning gold, Eli silver and Lucas bronze.

Perhaps the most impressive international performances of 2026 came from August Xiao and Lucas Alexandre. August built on his outstanding 2025 season by winning the ITTF-Oceania U15 Boys' Singles title for the third consecutive year and securing qualification for the 2026 Youth Olympic Games. Lucas also enjoyed remarkable international success in 2026, building on his third-place finish at the ITTF World Hopes Week & Challenge in late 2025. Among his many achievements, Lucas was selected for the ITTF World Hopes Team for the 2026 season and won the 2026 European Mini Championships. These outstanding performances highlight the exceptional talent emerging through Auckland's junior ranks and provide great optimism for the future of our sport.

The Association successfully delivered its full calendar of Auckland tournaments during the year. The Auckland Table Tennis Stadium also hosted several major national and international events, including the 2025 New Zealand Open Table Tennis Championships, 2026 New Zealand Veterans Table Tennis Championships, 2026 North Island Team Championships, 2026 North Island Table Tennis Championships and 2026 ITTF-Oceania Hopes Week & Challenge. These events reinforced the Stadium's importance as a venue for major table tennis competitions and provided valuable opportunities for players to compete at a high level. We extend our sincere appreciation to ITTF-Oceania and Table Tennis New Zealand for their partnership and support in the successful delivery of these events.

We are deeply grateful to the Association's network of sponsors for their continued generosity and support. Our sponsors for the 2026 season included Butterfly New Zealand, Commute Transportation Consultants, Jennifer Alexandre, Lexus of Auckland City, Penberthy Insurance, The Gateau House, Tian Lan Chinese Medical Center and VIPHire. We also gratefully acknowledge the product sponsorship provided by Anran International (NZ) Limited, Coca-Cola Europacific Partners and Rialto Cinemas. Their contributions play an important role in supporting the Association's activities and the ongoing development of table tennis across Auckland.

We also gratefully acknowledge the vital financial support provided by our funding partners, whose generosity enables the Association to deliver its programmes, maintain and improve its facilities, and support the continued growth of table tennis across Auckland. Our funding partners during the year included the Albert-Eden Local Board, Auckland Council Regional Sport and Recreation Fund, Blue Sky Community Trust, Bobby Foundation, Community Organisation Grants Scheme, Dragon Community Trust, Foundation North, Four Winds Foundation, Grassroots Trust, Howick Local Board, Māngere-Ōtāhuhu Local Board, Milestone Foundation, NZ Community Trust, Pub Charity Limited, Rano Community Trust, Table Tennis New Zealand, The Lion Foundation, The Trusts Community Foundation, Tū Manawa Active Aotearoa, Waitematā Local Board and Whau Local Board.

Special recognition is once again extended to our funding specialist, Cliff Freeman, whose expertise, dedication and ongoing efforts have been instrumental in securing numerous grants that support the Association's programmes, projects and development initiatives.

We also extend our special thanks to TTNZ Partnership Manager, Shane Laugesen, for his valuable guidance and support throughout the season. His constructive approach and willingness to assist have helped foster a positive working relationship and strengthen cooperation and understanding between our Association and TTNZ.

I extend my sincere thanks to the Executive Committee and wider Management Committee for their dedication, commitment and hard work throughout the year. In particular, I wish to acknowledge our CEO, Shane Warbrooke, who continues to be the backbone of our organisation.

Finally, I wish to acknowledge with sadness the passing of Harry Dye, a long-standing stalwart of Auckland table tennis and Vice-President of the Association.

To our fellow Regional Associations throughout New Zealand, I extend my best wishes for the festive season and wish you all continued success in the year ahead.

Chairman

2025-2026 Auckland Interclub competition

The Auckland Interclub competition continued to offer teams the flexibility to field either two or three players on any given night. For two-player teams, each player contested two singles matches and one doubles match. In three-player teams, one player played two singles matches, while the remaining two players each contested one singles and one doubles match. The format also allowed two-player teams to compete directly against three-player teams.

The 2025–2026 Auckland Summer Interclub competition attracted 66 teams, an increase from 60 teams in the previous season. Teams were divided into eleven grades of six teams, with each grade contesting a five-week round robin. The top five grades played on Thursday nights, the next five on Wednesday nights, and the lowest grade on Tuesday nights. Promotion and relegation operated between all grades. The competition comprised two grading rounds followed by a final championship round, providing 15 weeks of competition.

The 2026 Auckland Winter Interclub competition attracted 84 teams, compared with 78 teams in 2025. The teams were divided into fourteen grades of six, with each grade contesting a five-week round robin. The top six grades played on Thursday nights, the next five on Wednesday nights, and the lowest three on Tuesday nights. Promotion and relegation continued between all grades. The competition comprised three grading rounds followed by a championship round, providing a total of 20 weeks of play.

The Interclub Player of the Year Awards continued to recognise individual performance throughout the season, with recipients determined by the total number of singles and doubles victories achieved, regardless of grade.

The Dick Rassie Memorial Trophy, awarded to the 2025–2026 Auckland Summer Interclub Player of the Year, was presented to Robert Jackson-Mee.

The Bill Burns Memorial Trophy, awarded to the 2026 Auckland Winter Interclub Player of the Year, was presented to Lucas Hoang.

Prizes were also awarded to the teams finishing first in each grade following the final championship round.

Participation in Winter Interclub remained an important component of Auckland representative selection. All junior and senior players seeking selection for Auckland teams competing at the 2026 New Zealand Open Table Tennis Championships were required to participate in at least 50% of their team's contests during the 2026 Auckland Winter Interclub competition.

Funding support was received from the Auckland Council Regional Sport & Recreation Fund and Four Winds Foundation towards the contract fees of David Jackson (Competitions Manager), whose responsibilities included the coordination and delivery of the Auckland Interclub competitions.

2026 Auckland Interschools table tennis competition

College Sport continued to manage entries for the Auckland Interschools Table Tennis Competition during Term Two (Winter) and Term Three (Early Spring) in 2026. Schools submitted their entries through the Smarty system, with the final entries forwarded to the Auckland Table Tennis Association following the respective closing dates. The Auckland Table Tennis Association continued to manage the entry process directly for the Term One (Pre-season) competition, including the collection and processing of entries.

Venues and Sessions
One venue hosted the single session of the Term One competition:
a) Central Auckland venue: Auckland table tennis stadium; Fridays 3.45p.m. – 6.00p.m.

Two venues hosted three sessions of the Term Two and Term Three competitions:
a) Central Auckland venue: Auckland table tennis stadium; Fridays 3.45p.m. – 6.00p.m. and 6.00p.m. – 8.15p.m.
b) East Auckland venue: St. Kentigern College sports hall, Friday 3.45p.m. – 5.35p.m.

The Friday 3.45 p.m. – 6.00 p.m. session at the Auckland Table Tennis Stadium remained the most popular, with 25 tables utilized in Term Two and 23 in Term Three to accommodate demand. At St Kentigern College, 19 tables were used in Term Two and 15 in Term Three, leaving capacity for further growth.

The later Friday session at the Auckland Table Tennis Stadium (6.00 p.m. – 8.15 p.m.) continued to offer some capacity for further growth, with 24 tables utilised during Term Two and 22 tables during Term Three.

Participation
Team entries for the Auckland Interschools Table Tennis Competition increased in Term One, and decreased Terms Two and Three, compared with the 2025 season. Entry numbers were as follows:
Term One (Pre-season): 43 teams (up from 27 in 2025)
Term Two (Winter): 141 teams (down from 147 in 2025)
Term Three (Early Spring): 117 teams (down from 130 in 2025)

Funding and Development
Funding support was received to facilitate the delivery of junior table tennis development programmes and expand opportunities for youth participation. This support included the promotion, coordination and delivery of the Auckland Interschools Table Tennis Competition.

Funding was received for Dinyar Irani's (Tables in Communities Project Manager/Development Coach) role from Auckland Council Regional Sport & Recreation Fund, Dragon Community Trust, Foundation North, Four Winds Foundation, NZ Community Trust, The Lion Foundation, Tu Manawa Active o Aotearoa, Waitemata Local Board, and Whau Local Board.

Funding was received for Eberhard Kleiser's (Development Coach) role from Auckland Council Regional Sport & Recreation Fund, Dragon Community Trust, Foundation North, Four Winds Foundation, NZ Community Trust, The Lion Foundation, Tu Manawa Active o Aotearoa, and Waitemata Local Board.

Funding was received for Shane Warbrooke's (CEO / Development Officer) role from Auckland Council Regional Sport & Recreation Fund, Dragon Community Trust, Foundation North, Four Winds Foundation, NZ Community Trust, and The Lion Foundation.

Funding was received for Hongbing Wu's (Stadium Manager) role from Blue Sky Community Trust, Dragon Community Trust, Foundation North, and Milestone Foundation.

2026 Auckland Primary & Intermediate Interschools table tennis team competition

The Auckland Primary and Intermediate Interschools Table Tennis Team Competition continued to provide competitive opportunities primarily for students in Years 5 to 8. The competition was held across two venues – the Auckland Table Tennis Stadium in Central Auckland and Pakuranga Community Hall in East Auckland – helping to minimise travel requirements, reduce transport barriers and improve accessibility for participating schools.

Participation and Delivery
Team entries in Term Two of the 2026 season remained similar to the corresponding period in 2025, with eight weeks of competition completed. Figurines and certificates were presented to participants. However, Term Three experienced a decline in team entries compared with 2025, particularly at the East Auckland venue. A further eight weeks of competition were completed during Term Three, with figurines and certificates again awarded to participants.

Funding Support
Funding was received for Eberhard Kleiser's (Development Coach) role from Auckland Council Regional Sport & Recreation Fund, Dragon Community Trust, Foundation North, Four Winds Foundation, NZ Community Trust, The Lion Foundation, Tu Manawa Active o Aotearoa, and Waitemata Local Board.

Funding was received for Shane Warbrooke's (CEO / Development Officer) role from Auckland Council Regional Sport & Recreation Fund, Dragon Community Trust, Foundation North, Four Winds Foundation, NZ Community Trust, and The Lion Foundation.

2025 Primary School Table Tennis Tournament

13th November 2025, Auckland

The twelfth annual Primary School Table Tennis Tournament was hosted by the Auckland Table Tennis Association on Thursday 13th November, 2025.

Round robin groups of eight players were contested in the first stage of the tournament (where possible). The top two players from each round robin group progressed to the knockout round. Players not in the top two at the conclusion of their group had no further matches following the round robin stage. All matches in the round robin stage were played as one advantage game to 11 points. All matches in the knockout stage were played as the best of three games to 11 points.

An entry of two hundred and forty-two entries (152 boys, 90 girls) was received from 24 primary schools. Numbers decreased slightly from the 247 entries received from 30 primary schools in the 2024 season.

Schools that competed at the event were as follows:
Albany Primary School, Alfriston School, Balmoral School, Bayfield School, Churchill Park School, Cockle Bay School, Cornwall Park District School, Epsom Normal Primary School, Ficino School, Freemans Bay School, Kadimah School, Kohia Terrace School, Meadowbank School, Mellons Bay School, Mt. Eden Normal Primary School, Owairaka District School, Owairoa Primary School, Point View School, Remuera Primary School, Scott Point School, St. Thomas' School, Sunnyhills School, Victoria Avenue School, and Wakaaranga School

2025 Primary School Table Tennis Tournament Results Summary

Girls' singles medallists
Winner: Alissa Shu (Kohia Terrace School)
Runner-up: Ahana Gupta (Point View School)
Semi-finalists: Deanne Samarakkody (Remuera Primary School)
Teresa Shu (Kohia Terrace School)

Top School Awards were presented. A separate Top School Award was presented for each of boys and girls. Up to seven players from each school/gender accrued points based upon their individual results, with the school(s) accumulating the most points being declared the winner.

In 2025 the Top School Awards were presented to:
Top Auckland Boys Primary School: Mt. Eden Normal Primary School
Top Auckland Girls Primary School: Point View School

2025 Auckland Spring Open

16th November 2025, Auckland

The fifth annual Auckland Spring Open was hosted by the Auckland Table Tennis Association on Sunday 16th November 2025.

The 2025 Auckland Spring Open received a record entry from 206 competitors participating in various categories ranging from Junior Novice to Open events (184 entries were received in 2024).

The most entries were received in the D Grade singles event (100 individual player entries). All events were held. However, the entry was so large that the Association had to abandon group play and no consolation events were held.

The Open Men's singles final was won by Leo Wei (North Shore) who defeated Oscar Du (Auckland) in the final 4-2 and the Open Women's singles final was won by Ayumi Moriyama-Picard (Auckland) who defeated Jane Kim (Auckland) in the final 4-2.

2026 Auckland Junior Open

14th June 2026, Auckland

The 2026 Auckland Junior Open attracted 135 participants across junior categories ranging from Under 9 to Under 19 events, representing a decrease from the 151 entries received in 2025.

To accommodate all age groups, singles events with more than five entrants were played on a knockout basis, with a consolation event held for first-match losers. Knockout matches were contested as the best of five games to 11 points, while consolation matches were played as the best of three games to 11 points.

Entries from female competitors were lower than those from male competitors overall however, there was encouraging participation in the Under 17, Under 15, Under 13, and Under 11 age groups.

In the Under 19 Boys' Singles final, Oscar Du (Auckland) overcame Tushan Engineer (Auckland) 3–2, while in the Under 19 Girls' Singles final, Jocelyn Lam (Auckland) defeated Josephine Chong (Auckland) 3–0 to claim the title.

2026 Auckland Max-Play Tournament

26th July 2026, Auckland

The Auckland Max-Play Tournament was hosted by the Auckland Table Tennis Association on Sunday 26th July, 2026. The tournament was played using a system developed in Estonia and popularized at the Finnish Open. The concept was max-play for all participants.

All players:

a) had a second life in regards to gaining medals
b) played at least as many matches as the eventual winner
c) ended up with a unique finishing position

The first stage draw was a simple knockout, and all players started in this draw. The gold and silver medals were awarded to the finalists in the simple knockout draw. All players who lost in the simple knockout draw were entered into the second life draw. The winner of the second life draw was placed third and received the bronze medal.

All players who lost in the second life draw, prior to the bronze medal match, played off for final positions in a progressive knockout with other players who lost at the same stage.

Spot prize draws were held on the day.

The event was mixed gender i.e. boys and girls were combined in the same draw and entries were only be accepted from players with 400 or less rating points on the Auckland Table Tennis Association rating list at the entry closing date.

Sixty-four entries were received for the event arising from Auckland, Counties-Manukau, North Shore, Northland, and Waitemata.

2026 Auckland Open

14th (evening), 15th – 16th August 2026, Auckland

The 2026 Auckland Open, the premier event on the Association's tournament calendar, was held from 14 to 16 August 2026, attracting 247 entries compared with 274 in 2025. Participants represented ten New Zealand associations: Auckland, Canterbury, Counties Manukau, Manawatu, Nelson, Northland, North Shore, Taranaki, Waikato and Waitemata. The tournament also attracted international entries from Great Britain, Japan and Taiwan.

The event was promoted through a range of channels, including email, the Association's website, Facebook, Instagram, LinkedIn, printed flyers and word of mouth.

The Open Finals session was held on the evening of Saturday 15 August 2026, attracting 328 spectators, compared with 397 in 2025. Complimentary tickets were issued, with spectators eligible to participate in spot prize draws throughout the evening.

The Association received generous support from several businesses. The Gateau House contributed five $100 cake vouchers and ten $20 gift vouchers, while Tianlan Chinese Medical Centre donated organic rice and stationery sets. Coca-Cola NZ supplied merchandise and beverages. Spectators also enjoyed complimentary Tip Top ice cream, baked goods, drinks and confectionery, contributing to an enjoyable and welcoming atmosphere.

All Singles events returned to a format of sectional play followed by a simple knockout, while Doubles events were contested on a simple knockout basis. To accommodate the tournament schedule and manage the substantial number of matches, several rounds of the A Grade and D Grade Open Singles and Doubles events were played on Friday 14 August, commencing at 5.30 p.m. This arrangement assisted with the overall scheduling of the tournament, allowing the Open Finals session to commence largely on time.

The Finals session provided a showcase for high-level table tennis, with matches contested on a single centre-court table to create a dedicated spectator experience. The programme featured the Open Men's Doubles final, followed by the Open Women's Singles final, before concluding with the Open Men's Singles final. Dinyar Irani served as Master of Ceremonies, guiding spectators through the evening's proceedings.

The Auckland Open continued to provide an important opportunity for players from across New Zealand and overseas to compete, while bringing together players, supporters and the wider table tennis community for the Association's flagship event.

Winners of the spot prize draw for The Gateau House gift vouchers at the 2026 Auckland Open Finals session

All current Auckland table tennis stadium keyholders were eligible to enter a draw to win a complimentary extension equal to the term of their existing keyholder membership. The draw was won by Jialin Shang.

Errol Cheal Memorial Trophy for Auckland Player of the Year

In 2007 the family of Errol Cheal donated a trophy to be presented to the Auckland Table Tennis Association Player of the Year. The trophy is presented in memory of Errol Cheal (1907 – 2005).

Errol started playing table tennis as an 11 year old on the kitchen table and kept competing until failing eyesight forced him to stop at the age of 88. Errol was a table tennis player, administrator, coach, and mentor, and achieved a number of milestones throughout his lifetime:

- 1934: First New Zealand Open Men's singles champion
- 1935: Secretary of the Auckland Table Tennis Association
- 1943 – 1959: Chairman of the Auckland Table Tennis Association
- 1949 – 1959: President of the Auckland Table Tennis Association
- 1951 – 1952: President of Table Tennis New Zealand
- 1954: Gold medal for winning the Over 45 Men's singles title at the New Zealand Veteran Table Tennis Championships
- 1970: Served the first ball at the opening of the Auckland table tennis stadium to Sir Dove Meyer Robinson
- 1987: Gold medal for winning the Over 70 Men's singles title at the New Zealand Veteran Table Tennis Championships
- 1990: First New Zealand table tennis player to become a World Champion in winning the Over 80 Men's doubles at the World Veteran Table Tennis Championships in Baltimore, USA. Placed third in the Over 80 Men's singles at the same Championships

Errol was a life member of the Auckland Table Tennis Association and Table Tennis New Zealand, and a member of the International Swaythling Table Tennis Club.

In 2026 the Errol Cheal Memorial Trophy was awarded to August Xiao. August achieved outstanding results throughout the 2026 season. At the WTT Youth Contender Bangkok in Thailand, August won silver in the Under 15 Boys' Singles, defeating opponents from Qatar, India, and Japan before losing to China's Liang Wenjie in the final. In August, he won the Auckland Open Men's Singles title before representing New Zealand at the ITTF-Oceania Senior Championships in Ballarat, where he claimed silver in the Men's Team event and bronze medals in the Men's Singles and Men's Doubles. He also won the Under 15 Boys' Singles title at the ITTF-Oceania Youth Championships for the third consecutive year. In September, August delivered an exceptional performance at the 2026 New Zealand Open Table Tennis Championships, winning all eight events he entered. His eight gold medals included the Open Men's Singles, Open Men's Doubles, Open Mixed Doubles, Open Men's Team (Kean Shield), Under 19 Boys' Singles, Under 19 Mixed Doubles, Under 15 Mixed Doubles, and Under 15 Boys' Team titles. August's remarkable season was further recognised with his selection to represent New Zealand at the Youth Olympic Games in Senegal.

August Xiao won the Under 15 Boys' singles, Eli Ho was runner-up, and Lucas Alexandre was a semi-finalist at the ITTF-Oceania Youth Championships 2026

Club activities external to the Auckland table tennis stadium

East Auckland Table Tennis Club:

Geoff Taylor took over coordination of the East Auckland Table Tennis Club from Development Coach Eberhard Kleiser for the 2026 season. The Club operated at Pakuranga Community Hall on Tuesday evenings from January 2026.

The Association supported the Club through regular promotion on Neighbourly and Eventfinda, while Geoff undertook additional community advertising. Despite these efforts, attendance averaged nine participants per session, representing a decline in participation compared with previous years.

In September 2026, Auckland Council advised that Pakuranga Community Hall would be unavailable from 30 September 2026 until further notice due to maintenance work, with no confirmed reopening date.

Given the declining participation and ongoing uncertainty surrounding venue availability, the decision was made to discontinue the East Auckland Table Tennis Club.

Eastern Table Tennis Club:

Bob Inns continued to coordinate the Eastern Table Tennis Club, which operated on Monday evenings at St. Thomas' School Hall from March to November. The Club maintained its commitment to accessibility by offering free membership to all participants, including students and seniors, encouraging community participation.

The Club was promoted through Neighbourly listings and the Association's school development coaching network. With six tables available each evening, attendance averaged 24 players per session throughout the season. The Club also maintained a competitive presence, with one team regularly participating in the Auckland Interclub competition.

Development Coach Eberhard Kleiser continued to deliver free lunchtime coaching sessions at St. Thomas' School on Mondays, attracting an average of 16 students per session.

The Club maintained a mutually beneficial partnership with St. Thomas' School, whereby students received free access to the Eastern Table Tennis Club, while the school provided complimentary hall hire. This arrangement supported the Club's ongoing sustainability and provided an accessible pathway for students to participate in table tennis beyond school hours.

Tune Table Tennis Club:

Dinyar Irani (Tables in Communities Project Manager / Development Coach) continued to lead the Tune Table Tennis Club on Saturday afternoons at the Pakuranga College Gym throughout the 2026 season. The club operated on 43 occasions during the year, an increase from 41 sessions in 2025. A total of 102 players participated in 2026, an increase from 96 players in 2025.

The average attendance per player dropped in 2026. Taking a closer look, this is a positive sign. More players have improved and become more competitive, and they now take part in weekend tournaments, including all the Auckland tournaments the club has been regularly promoting. As these tournaments grow, many now run across Saturday and Sunday instead of Sunday only. With their improved level, players are choosing to compete when they can rather than train, reflecting the rising standard of players at the club.

The club offered two group coaching sessions each Saturday. The first, the Tune Table Tennis B Squad (2.00 p.m. to 4.00 p.m.), catered to developing players and was supported by volunteer training partners Eric Sum, Seger Chad, and Dennis Xu. The second, the Tune Table Tennis A Squad (4.00 p.m. to 6.30 p.m.), focused on players aspiring to reach competitive club or Auckland representative levels.

With consistent access to the Pakuranga College Gym during the 2026 season, the club continued to benefit from a high-quality facility offering greater space and better conditions for

training. This stability contributed to good player retention and a continued rise in playing standards, as reflected by the growing number of Tune Table Tennis Club members taking part in Auckland Interschools competitions and regional tournaments.

Club activities based at the Auckland table tennis stadium

Central Club: The Central Club operated on Monday evenings from 7.00 p.m. to 10.00 p.m. throughout the 2026 season, coordinated by Eberhard Kleiser. The club followed a ladder-based competition format, with matches consisting of a single game to 11 points. Players moved their name tags up or down the ladder boards at each table according to match results, creating a dynamic and engaging environment that encouraged friendly competition and regular match play. The club continued to attract strong participation throughout 2026, averaging 52 players per evening.

Day Club: The New Zealand Chinese Table Tennis Association (NZCTTA) operated the Day Club throughout 2026, with regular sessions held on Mondays, Wednesdays, Saturdays and Sundays from 9.30 a.m. to 12.30 p.m. In addition to these sessions, the NZCTTA organised two well-supported community events: the Junior Individual Tournament in August and the Open Team Tournament in September 2026.

The Auckland Table Tennis Association and NZCTTA continued to maintain a strong partnership throughout the year. In recognition of their ongoing contributions to table tennis and the operation of the stadium, the Association provided complimentary stadium keyholder memberships to ten NZCTTA volunteers.

Korean Club: Jane (Minjeong) Kim coordinated the Korean Club, which operated on Saturdays from 6.00 p.m. to 10.00 p.m. throughout 2026. Open to players of all backgrounds and abilities, the club provided a welcoming and inclusive environment that encouraged participation and skill development. With financial support from the Association, Jane provided free coaching to attendees, helping to strengthen engagement and support the growth of the local Korean table tennis community.

Ping Pong Parkinson's: Judy and Ron Peacock continued to coordinate Auckland's Ping Pong Parkinson's programme, which was established in 2025. The programme operates from January to December with weekly sessions held on Tuesdays during school terms and Patrick Low volunteering as coach. A total of 33 participants attended throughout the year, with an average attendance of 16 per session. The programme provided opportunities for people living with Parkinson's disease to remain physically active, develop skills and build social connections in a supportive environment.

University of Auckland Table Tennis Club: Elisa Yang (Semester One) and Richie Yang (Semester Two) served as Presidents of the University of Auckland Table Tennis Club during 2026. The club operated from March to October, holding weekly sessions on Sunday evenings from 6.30 p.m. to 9.30 p.m. With a regular booking of five tables, the club catered primarily to university students, providing opportunities for recreational play, skill development and social interaction.

Stadium keyholders & Table hire

As at 31 August 2026, the Association had 347 financial stadium keyholders, compared with 346 at the same date in 2025. The trend towards weekly payments through Debit Success continued, with 220 keyholders (63%) choosing this option, while 127 (37%) opted for lump-sum payments. There were no keyholders with paused memberships as at 31 August 2026.

Stadium keyholders were entitled to free participation in a range of programmes and activities, including Central Club, Day Club, Young Explorers, Day Club U19 Training, Girls' Coaching, Junior Club, Interclub (excluding team entry fees), Korean Club, and the Huashan Team Competition. Keyholders also received a 15% discount on Auckland regional tournament entry

fees and were eligible for a draw at the 2026 Auckland Open to receive a free extension of their stadium keyholder membership.

From 1 September 2024, the Association removed table hire as a stadium keyholder entitlement and introduced a user-pays system for stadium usage. An online booking platform through Hello Club was implemented, enabling keyholders and casual players to book and pay for tables in advance, either online or through an on-site kiosk.

Two years after implementation, the system continued to deliver positive results. As at 31 August 2026, the Association had recorded 965 casual member registrations, compared with 501 in the previous financial year. Casual table hire revenue also increased by 8% year-on-year, reflecting growing utilisation of the Auckland Table Tennis Stadium by the wider community.

Table hire revenue was generated through coach table fees, casual table hire, visitor fees, and venue hire. The stadium continued to attract a diverse range of organisations, including the Aotearoa Māori Table Tennis Association, Auckland Badminton Association, Auckland Chinese Table Tennis Association, Bank of China, China Construction Bank, Evangelical Formosan Church of Central Auckland, Fonterra, Getinge, Hawkins Watts, Hillsborough Education Trust, New Zealand Chinese Table Tennis Association, Pathways Health, Synergy Community Trust, and Table Tennis New Zealand.

The stadium also hosted numerous regional, national, and international events, including the 2025 New Zealand Open Table Tennis Championships, 2026 New Zealand Veteran Table Tennis Championships, 2026 North Island Team Championships, 2026 North Island Individual and Para Championships, TTNZ National and Northern Region Training Camps, 2026 ITTF-Oceania Hopes Week & Challenge, 2026 NZCTTA Junior Individual Tournament, and 2026 NZCTTA Open Team Tournament.

School groups hiring tables included Dilworth School, Ficino School, St Kentigern School, St Peter’s College, and Wentworth Computer Science College.

Registered coaches were charged $13 per hour on weekdays and $26 per hour on weekends, with bookings prepaid using Hello Club account credit. A total of 19 coaches were registered during 2026, although some took periods away from coaching for personal reasons, particularly during the December–January holiday period.

Revenue from coach table fees was 73% of the previous year's total.

Stadium keyholders continued to organise independent practice sessions outside structured clubs and coaching programmes. Strong participation across keyholder activities, development coaching, competitions, events, and casual play placed ongoing pressure on table availability.

To accommodate demand, the Association installed additional tables during peak periods, including Central Club, the HITT special needs programme, Junior Club, Girls’ Coaching, School Holiday Coaching programmes, and Auckland Interschools competitions.

Despite these measures, the shortage of available table tennis playing space remains a significant long-term challenge. Increasing demand from members, schools, community programmes, and casual players reinforces the importance of strategic investment in additional table tennis facilities, including the proposed Lloyd Elsmore Community Hub development.

Stadium hire

Meeting room hire contributed to the Association’s overall facility hire revenue during 2026. Summit Chess Club regularly hired the upstairs lounge at the Auckland Table Tennis Stadium for club sessions on Monday afternoons and Friday evenings during school terms, as well as for school holiday coaching programmes. Table Tennis New Zealand also utilised the Presidents Lounge for team hui and events.

To increase awareness and utilisation of its facilities, the Association partnered with Spacetoco to promote and facilitate bookings for available spaces, including the Results Centre and upstairs lounge.

Facilities Development Projects

a) Facilities Development Project 1: The Association continued working in partnership with Auckland Badminton Association and Olympic Weightlifting Auckland to progress plans for the redevelopment of the existing Gillies Avenue sporting facilities.

During 2026, the project advanced through further investigation and planning, with a preferred redevelopment approach identified. Rather than constructing a fully integrated multi-sport facility, the revised concept provides for three distinct sporting facilities, allowing each organisation to retain its own identity and operational independence while exploring opportunities for shared infrastructure, services and construction efficiencies.

The proposed development includes an expanded two-storey Auckland Table Tennis Stadium with capacity for 40 tables, an extension of the existing badminton facility and refurbishment of the existing Olympic Weightlifting building. Opportunities to retain and utilise existing infrastructure are also being considered to reduce construction costs and improve the project's financial viability.

The project remains in the investigation and feasibility stage, with further technical assessments, design development and cost planning required before the scope and delivery approach can be confirmed. The Association will continue working with its project partners to establish a financially sustainable, staged redevelopment strategy, including potential funding opportunities and partnerships with third parties.

b) Facilities Development Project 2: The Association continued its involvement as a Founding Member of the Lloyd Elsmore Community Hub (LECH), alongside Pakuranga Tennis Club, Pakuranga Bowling Club and Howick Gymnastic Club. The proposed multi-sport development at Lloyd Elsmore Park will provide modern, purpose-built facilities for the four sporting organisations, supporting increased participation and long-term growth.

Significant progress was achieved during 2026, with the project advancing from design and consenting into funding and construction planning. Resource Consent was granted on 31 October 2025, and the project was recognised as a priority project under the Tāmaki Makaurau Sport and Recreation Facility Priority Plan (Edition 3, May 2026), reflecting its strategic importance and readiness for development. The project is also recognised as a priority project in the Howick Local Board plan.

The project has an estimated total cost of approximately $21.78 million and is planned to be delivered in stages over three to four years. Stage 1 will include six new tennis courts, a replacement grass bowling green and essential site infrastructure, including drainage, underground services and utilities. This staged approach will enable construction to commence as funding becomes available while maintaining progress towards the completed four-sport Hub.

A major funding milestone was achieved with Auckland Council approving $1.8 million through its Sport and Recreation Facilities Investment Fund (SRFIF) Targeted Process for 2026/27, providing significant support towards Stage 1 of the development. NZ Community Trust also approved a grant of $250,000 towards the project. An application was submitted to the Lottery Community Facilities Planning Fund to support Building Consent costs for the entire development, with a decision expected in November 2026. A further application was submitted to Foundation North to support Stage 1 construction costs, with a decision expected in March 2027.

Further progress was made in project governance, financial planning, risk management and operational planning. Engagement continued with Auckland Council, Local Boards, Sport

Auckland, Aktive, Founding Members and potential funding partners to secure the investment required to deliver the development.

The Association remains committed to progressing the Lloyd Elsmore Community Hub alongside the proposed Gillies Avenue redevelopment, recognising the strategic importance of both projects in addressing Auckland's shortage of indoor sporting facilities and providing sustainable, long-term infrastructure for table tennis and the wider sporting community.

Tables in Communities project

The 2026 season marked the eighth year of the Association's Tables in Communities project, led by Dinyar Irani in his role as Tables in Communities Project Manager and Development Coach. The project continued to increase junior and community participation by providing table tennis facilities in indoor and outdoor community spaces, supporting local programmes and developing a network of playing communities across Auckland.

The free Seekapong app played an important role in connecting players with public table tennis facilities and other members of their communities. As at 31 August 2026, Seekapong had 4,313 registered users, with 86 table locations listed across Auckland.

The Association continued to maintain indoor and outdoor tables at community locations, many of which provided unrestricted access. By making tables, bats and balls available free of charge or at minimal cost, the project reduced financial barriers to participation. The geographic distribution of facilities also helped address transport barriers, improving access for communities across Auckland, including those in high-deprivation areas.

Partnerships remained central to the project's success. The Association collaborated with community organisations, clubs, marae, recreation centres, schools, libraries, Local Boards and Auckland Council to strengthen community connections and expand opportunities for participation.

The Tables in Communities project continued to work towards three key goals:
a) 15,000 players registered on the Seekapong app (in progress, 4,313 player registrations)
b) 100 table tennis tables distributed in the community (achieved, 119 tables distributed)
c) 40 MOUs signed with Local Boards and facilities (achieved, 86 MOUs signed)

During 2026, the Association implemented a revised Seekapong Ambassador Programme to support the ongoing maintenance and sustainability of community table tennis facilities. Volunteer ambassadors visited Tables in Communities sites across Auckland to inspect equipment, monitor table conditions and report maintenance requirements. Their involvement helped ensure that community facilities remained accessible, safe and available for public use.

Throughout the 2026 season, the Association delivered a range of Tables in Communities activations in public parks, schools, shopping centres, libraries and other community venues. These activities introduced table tennis to new participants, strengthened relationships with community partners and encouraged ongoing participation. Key activities included:
a) Community activations at Disabled Citizens Society, Epsom Library, Grand Central Serviced Apartments, Kāhui Tū Kaha, Mt Roskill Library, Onehunga Chinese Association, Onehunga Community Centre and Te Tuhi Youth Zone
b) Development sessions for Refugee Education for Adults and Families (REAF), providing opportunities for participants to experience table tennis in a welcoming and inclusive environment
c) School demonstrations at Auckland Normal Intermediate, Ormiston Senior College, Ponsonby Intermediate, Remuera Intermediate and Wesley Intermediate, introducing students to table tennis and promoting further playing opportunities
d) Seekapong Shootout Tournaments at Gribblehirst Community Hub, Harbour Grounds Plaza, Highland Park Library, Panmure Library and Pt Chevalier Library, encouraging friendly competition and greater use of community table tennis facilities

Social media continued to play an important role in promoting the Tables in Communities project, encouraging Seekapong registrations and increasing awareness of table tennis opportunities across Auckland, nationally and internationally. As at 31 August 2026, the Association's digital platforms had achieved the following:
a) Facebook: 6,012 followers
b) Instagram: 1,285 followers
c) YouTube: 2,589 subscribers

The Association continued to develop and share engaging digital content throughout the season, showcasing community activities, promoting participation opportunities and strengthening connections with a wider audience.

Rialto Cinemas Newmarket continued its support of the Tables in Communities project through product sponsorship. This contribution supported an incentives and giveaways programme designed to encourage Seekapong registrations, increase app engagement and reward community participation.

The Association gratefully acknowledges the organisations that provided funding towards the delivery of the Tables in Communities project during 2026.

Funding towards Dinyar Irani's role as Tables in Communities Project Manager and Development Coach was received from Auckland Council Regional Sport & Recreation Fund, Dragon Community Trust, Foundation North, Four Winds Foundation, NZ Community Trust, The Lion Foundation, Tu Manawa Active o Aotearoa, Waitemata Local Board, and Whau Local Board.

Funding towards the purchase and distribution of community table tennis tables, bats and balls was received from Auckland Council Regional Sport & Recreation Fund, Howick Local Board, Milestone Foundation, The Trusts Community Foundation, Tu Manawa Active o Aotearoa, and Whau Local Board.

The Association sincerely thanks all funders, community partners, volunteers and supporters whose contributions have enabled the Tables in Communities project to continue expanding access to table tennis throughout Auckland.

Hosting Inclusive Table Tennis (HITT) programme

The 2026 season marked the 24th year of the Hosting Inclusive Table Tennis (HITT) programme, run by the Association. This no-cost coaching programme supports special needs players and was held on Tuesday mornings throughout the school year.

During the 2026 season, 149 students from nine schools participated in the programme. Eberhard Kleiser served as Convenor, Coordinator, and Head Coach, supported by over 20 dedicated volunteers who assisted students during coaching sessions.

The programme will culminate in End-of-Year Ribbon Days, scheduled for November 2026, celebrating the achievements and progress of all participants.

Drawn Doubles

The Association hosted a Drawn Doubles evening on 27 November 2025, incorporating the 2024–25 Summer Interclub and 2025 Winter Interclub prizegivings. Serving as the Association's end-of-year social function, the event attracted a full complement of 64 entries, reflecting strong participation and providing an opportunity for players to come together in a relaxed and enjoyable environment.

The Association intends to continue this tradition in November 2026, combining the Drawn Doubles evening with the 2025–26 Summer Interclub and 2026 Winter Interclub prizegivings.

Governance – Incorporated Societies Act 2022

The Auckland Table Tennis Association successfully completed its re-registration under the Incorporated Societies Act 2022 during the 2026 season.

At a Special General Meeting held on 8 March 2026, members adopted a new Constitution to comply with the requirements of the Act. The updated Constitution introduced clearer provisions relating to membership, officer duties, conflicts of interest, dispute resolution, financial reporting and record-keeping, while preserving the Association's existing governance structure and objectives.

On 9 March 2026, the Association was formally re-registered under the Incorporated Societies Act 2022, marking an important governance milestone in its history. Originally incorporated on 19 June 1934, the Association continues its longstanding commitment to fostering and promoting table tennis throughout Auckland.

Administration, Competitions Manager & Funding Officer

Hongbing (Peter) Wu continued as Stadium Manager, overseeing the day-to-day operation and maintenance of the stadium, with funding support from Blue Sky Community Trust, Dragon Community Trust and Foundation North.

Ying Ma continued to provide administrative support on Saturdays and Sundays, assisting with the smooth operation of the stadium and its activities.

David Jackson continued as Competitions Manager, responsible for the organisation and delivery of the Association’s tournaments and Interclub competitions, with funding support from Four Winds Foundation.

Cliff Freeman continued to provide contracted funding services, assisting the Association with grant applications, funding administration and reporting requirements.

Stadium maintenance

The Auckland table tennis stadium continued to benefit from strong support for maintenance and facility upgrades during the 2026 season. Auckland Council maintained the Pascoe Quarry Reserve grounds and carpark. St. Peter’s College Rowing assisted with a clean-up of the gardens on the edge of the stadium carpark on 18 April 2026.

Volunteers Nick Ning and Michael Wang provided invaluable assistance with general stadium maintenance, including repairing barriers, replacing broken floorboards, completing minor building and plumbing tasks, and addressing other facility needs, helping ensure the stadium remained in excellent condition.

Funding from Milestone Foundation enabled the replacement of five Butterfly Centrefold Rollaway table tennis tables on the stadium floor, in addition to big nets and ball holders. This allowed the Association to continue to provide quality programmes to the community and to host important events.

The Association continued to contract Safety Online for Health & Safety Management Software, meeting regulatory requirements by logging meeting minutes, site checks, accident reports, and staff training.

Ongoing investment in Hello Club hardware and software supported stadium member management and access control. During the year, a new NUC (mini PC-based controller) was installed to replace the Chromebox.

Top Caliber Cleaning provided daily cleaning services, supported by funding from Blue Sky Community Trust.

Major infrastructure work included painting of the interior and exterior of the Auckland table tennis stadium, funded by Four Winds Foundation, Grassroots Trust, Milestone Foundation, Pub

Charity Limited, and Rano Community Trust. Five toilets in the Auckland table tennis stadium's downstairs bathrooms were replaced, with funding from Milestone Foundation.

Additional funding was received from the Community Organisation Grants Scheme, Howick Local Board, Mangere-Otahuhu Local Board, Milestone Foundation, Waitemata Local Board, and Whau Local Board to support Table Tennis New Zealand affiliation fees, and from the Albert-Eden Local Board and Milestone Foundation for stadium insurance.

Sponsorship

Commute Transportation Consultants continued their support of the Commute ATTA Elite Player Scholarships during the 2026 season, marking the seventh year of their sponsorship. The scholarships assist elite players with costs associated with attending international table tennis events. Recipients are selected based on their commitment to developing their game and their potential as future prospects for Auckland and New Zealand table tennis.
In 2026, scholarships were awarded to:

- Lucas Alexandre
- Eli Ho
- August Xiao

The Association also gratefully acknowledges the support of its 2026 season sponsors, whose contributions helped fund development and promotional activities, as well as general stadium maintenance:

- Butterfly New Zealand
- Jennifer Alexandre
- Lexus of Auckland City
- Penberthy Insurance
- The Gateau House
- Tianlan Chinese Medical Centre
- VIPHire

The Auckland Table Tennis Association thanks our family of sponsors for their generous support of the Association

Player Development Pathway

The Association's Player Development Pathway provides a structured progression from introductory table tennis through to Auckland representative level and national and international competition. The pathway includes:

a) Community Engagement and School Programmes

- community events, demonstrations, school coaching programmes and after-school clubs introduce new participants to table tennis, increasing awareness and participation across Auckland

b) Foundational Clubs and Training Sessions

- Young Explorers, Junior Club, Day Club U19 Training, Girls' Coaching and School Holiday Coaching develop fundamental skills in a fun, supportive and inclusive environment

c i) Future Squad

- provides structured coaching for young players entering the programme at Under 9 level, focusing on technical development and preparation for representative-level training. Players may remain until they are no longer eligible for the Under 11 age category

c ii) Junior Club Small Group

- bridges introductory programmes and representative-level training through focused coaching that develops technique, consistency and confidence

d) Auckland Intermediate B Squad

- develops identified junior players through structured technical and tactical training, preparing them for progression to Intermediate A

e) Auckland Intermediate A Squad

- provides advanced coaching focused on technical refinement, tactical development and competitive performance, preparing players for representative competition and progression to the Elite Squad.

f) Auckland Elite Squad

- provides a high-performance training environment for Auckland's leading junior and senior players, supporting their development and preparation for national and international competition.

Shane Warbrooke oversaw and administered the player development pathway. Funding was received for Shane Warbrooke's (CEO / Development Officer) role from Auckland Council Regional Sport & Recreation Fund, Dragon Community Trust, Foundation North, Four Winds Foundation, NZ Community Trust, and The Lion Foundation.

Funding was received for Dinyar Irani's (Tables in Communities Project Manager/Development Coach) role from Auckland Council Regional Sport & Recreation Fund, Dragon Community Trust, Foundation North, Four Winds Foundation, NZ Community Trust, The Lion Foundation, Tu Manawa Active o Aotearoa, Waitemata Local Board, and Whau Local Board.

Funding was received for Eberhard Kleiser's (Development Coach) role from Auckland Council Regional Sport & Recreation Fund, Dragon Community Trust, Foundation North, Four Winds Foundation, NZ Community Trust, The Lion Foundation, Tu Manawa Active o Aotearoa, and Waitemata Local Board.

Funding was received for Aleksey Yefremov's (Head Coach) role from Dragon Community Trust, Four Winds Foundation, NZ Community Trust, The Trusts Community Foundation, and Tu Manawa Active o Aotearoa.

Funding was received for Josh Alexandre (Coach) role from Dragon Community Trust.

Funding was received for Tony Chang's (Coach) role from Dragon Community Trust.

Funding was received for Wei Zhong Jiang's (Coach) role from Albert-Eden Local Board.

Funding was received for Kai Peng's (Coach) role from Dragon Community Trust.

Funding was received for Haikun Wang's (Coach) role from Dragon Community Trust and The Lion Foundation.

Junior Coaching delivered at the Auckland table tennis stadium

Young Explorers: delivered by Teng Teng Liu and Aleksey Yefremov on Monday afternoons (3.45 p.m. – 4.45 p.m.) during school terms, the programme introduced children aged 4 to 8 years to table tennis through fun and engaging activities designed to develop coordination, fundamental movement and basic racquet skills. The programme attracted an average of six participants per session, providing a supportive environment for young children to build confidence and develop an early interest in the sport

Day Club Under 19 training: delivered by Yumin Lin and Aleksey Yefremov on Saturday afternoons (12.30 p.m. – 2.00 p.m.), the programme introduced students to table tennis and provided opportunities to develop fundamental playing skills in a structured and supportive environment. The New Zealand Chinese Table Tennis Association managed the programme, including fee collection. Sessions attracted an average of 19 participants

Junior Club: delivered by Eberhard Kleiser and Teng Teng Liu on Thursday evenings (5.00 p.m. – 6.30 p.m.), the programme introduced players to table tennis and focused on developing fundamental technical skills in a structured and supportive environment. Operating alongside the Girls' Coaching programme, Junior Club also provided a pathway for girls to transition into mixed-group training when ready. Participation continued to grow, with attendance increasing to an average of 48 players per session

To support player development and progression, Junior Club Qualification Tournaments were held in October 2025 and February, April and August 2026. At each tournament, promotion opportunities to the Junior Club Small Group were available for one boy and one girl in each of the Under 13 and Under 15 age categories, providing a structured pathway for players demonstrating the skills and readiness to progress to more advanced coaching

Junior Club Small Group: delivered by Dinyar Irani on Thursday evenings (5.00 p.m. – 6.30 p.m.), the programme provided advanced foundational coaching for players preparing to progress into Auckland's representative development squads. In February, April and August 2026, play-off matches were organised between Under 13 Junior Club Small Group qualifiers and the top-ranked Future Squad players to determine promotion to the Auckland Intermediate B2 Squad. During the same qualification periods, Under 15 Junior Club Small Group qualifiers were promoted to the Auckland Intermediate B2 Squad. Promotion was direct due to there being spaces available

Girls' Coaching: delivered by Yanlin Li and Kai Peng on Thursday evenings (5.00 p.m. – 6.30 p.m.), the programme provided a supportive and encouraging environment for girls to develop fundamental table tennis skills, build confidence and form social connections. As their skills progressed, participants were encouraged to transition into the Junior Club mixed training group, providing a pathway for continued development. The programme attracted an average of 12 participants per session throughout the 2026 season

Future Squad

The Future Squad programme was delivered by Tony Chang and Haikun Wang, with Aleksey Yefremov providing coaching oversight, session planning and additional coaching support on Wednesdays. Training sessions were held three times per week: Wednesdays (5.30 p.m. – 7.00 p.m.), Saturdays (3.30 p.m. – 5.30 p.m.) and Sundays (3.30 p.m. – 5.30 p.m.).

Several initiatives were introduced during the 2026 season to strengthen coaching delivery, improve communication and provide a more structured approach to player development.

Written session plans were published on the Association's website ahead of each training session, providing greater transparency around coaching objectives and activities. A Squad Coaching Calendar was also introduced, enabling players and parents to identify scheduled training dates and cancellations. The coaching team conducted pre- and post-session meetings to review training objectives, evaluate delivery and identify areas for improvement.

A comprehensive Future Squad Handbook was developed and published on the Association's website, establishing clear and consistent guidelines for players, parents and coaches. The Handbook outlined the player development pathway, eligibility criteria, fees, expectations and programme requirements. A dedicated WhatsApp group was also established to improve communication between the coaching team, players and parents.

In July 2026, individual consultations were conducted with all Future Squad players, leading to the development of Individual Performance Plans (IPPs). These plans identified each player's strengths, areas for improvement and individual performance goals, enabling coaches to tailor training activities and provide targeted feedback. The IPPs also established a framework for monitoring progress and supporting long-term performance improvement.

Throughout the year, prospective players were invited to be assessed for the Future Squad. By the end of the 2025–26 financial year, the programme had 11 enrolled players.

The Future Squad Objective Skills Assessment was introduced for the first time in 2026. It established a structured, transparent and consistent process for selecting players into the Squad. Players were evaluated across six fundamental skill areas: ball control and coordination, forehand and backhand consistency, movement and balance, rally control, push control and reaction ability. Each player completed standardised tasks assessed against a fixed scoring system. Successful candidates were invited to undertake a one-month trial before their place in the squad was confirmed. The assessment focused on determining players’ readiness for structured coaching rather than comparing players against one another, supporting long-term development and enjoyment of the sport. Assessments were held in February, April and August 2026, with a further assessment scheduled for October.

To support player progression, the Association conducted three Qualification Tournaments in February, April and August 2026. Each tournament commenced with a round-robin competition among Future Squad members, followed by a second-stage round robin involving the top-ranked boy and girl from the Future Squad and the leading Under 13 boy and girl from the Junior Club Small Group. These matches determined promotion to the Auckland Intermediate B2 Squad, providing a structured pathway into representative squad coaching.

The Association also continued its commitment to developing coaching talent by engaging local players as training partners for the Future Squad. During the year, training partners included Marcus Albert, Lucas Alexandre, Jocelyn Lam, Chi-An Liu, Karen Looi, Yilin Lu, John Wu, Haoran Xing, Honggang Zhang, Mark Zhang and Allen Zhu. Their involvement provided valuable support to the coaching team while offering opportunities to develop coaching, communication and leadership skills.

Auckland representative squads

The Auckland representative squad coaching programme continued to provide a structured pathway for developing and supporting Auckland’s leading junior and senior table tennis players. The Auckland Elite Squad was led by Aleksey Yefremov and Wei Zhong Jiang, while the Auckland Intermediate A and B Squads were coached by Aleksey Yefremov, Wei Zhong Jiang and Dinyar Irani.

Several initiatives were introduced during the 2026 season to strengthen coaching delivery, improve communication and provide a more systematic approach to player development.

Written session plans for the Intermediate and Elite Squads were published on the Association's website ahead of each training session, providing greater transparency around coaching objectives and activities. A Squad Coaching Calendar was also introduced, enabling players and parents to identify scheduled training dates and cancellations. The coaching team conducted pre- and post-session meetings to review training objectives, evaluate delivery and identify areas for improvement.

An Auckland Representative Squad Handbook was developed and published on the Association's website, establishing clear and consistent guidelines for players, parents and coaches. The Handbook outlined the player development pathway, selection processes, eligibility requirements, fees and expectations.

Two additional player development pathways were introduced for the first time in 2026:
a) the Overseas-Based Player Pathway established a structured framework for Auckland representative players residing and training overseas for extended periods while maintaining their commitment to represent Auckland at the New Zealand Open. Eligible players were required to demonstrate ongoing involvement in overseas training or competition and provide monthly progress updates. Specific provisions for Qualification Tournaments and representative team selection ensured fairness for locally based squad members while allowing overseas-based players to remain connected to Auckland's representative programme.
b) the Under 17 Development Pathway provided an additional opportunity for eligible players to progress into the Auckland Intermediate or Elite Squads when vacancies arose in the Under 19 age category. Players from the Junior Club Small Group or other Regional Associations could qualify through a structured selection tournament, provided they demonstrated the required playing standard. The pathway supported player progression and maintained squad strength without increasing overall squad capacity.

Dedicated WhatsApp groups were also established for Intermediate and Elite Squad players and parents, improving communication and enabling the timely distribution of training notices, programme updates and other relevant information.

In July 2026, individual consultations were conducted with all Intermediate and Elite Squad players, leading to the development of Individual Performance Plans (IPPs). These plans identified each player's strengths, areas for improvement and individual performance goals, enabling coaches to tailor training activities and provide targeted feedback. The IPPs also established a framework for monitoring progress, evaluating improvements and supporting long-term performance improvement.

The Association established a relationship with the School of Exercise, Sport and Rehabilitation Sciences at the University of Auckland to undertake a pilot physical testing programme for Elite Squad members. The initiative introduced a series of table tennis-specific physical fitness assessments designed to evaluate attributes relevant to competitive performance. Initial testing was conducted in March 2026 to establish baseline measurements, with each player receiving an individual report comparing their results against normative data from the general population. Players were also provided with recommended exercises to improve their physical capabilities. Follow-up testing was scheduled for October 2026 to evaluate progress and identify areas for further development.

The Auckland Intermediate A and B Squads continued to train three times per week, with Monday and Sunday sessions extended to 2.5 hours to provide additional coaching and practice opportunities. Training sessions were held on Mondays (4.30 p.m. – 7.00 p.m.), Tuesdays (5.00 p.m. – 7.00 p.m.) and Sundays (12.45 p.m. – 3.15 p.m.).

The Auckland Elite Squad increased its training frequency to three sessions per week, providing additional opportunities for high-performance coaching and development. Sessions were held on

Tuesdays (7.15 p.m. – 9.15 p.m.), Saturdays (3.30 p.m. – 6.00 p.m.) and Sundays (3.30 p.m. – 6.00 p.m.).

To ensure players trained regularly alongside others of comparable ability, the squads were organised into six levels: Elite 1, Elite 2, Intermediate A1, Intermediate A2, Intermediate B1 and Intermediate B2. This structure supported more targeted coaching, improved training quality and facilitated the effective administration of Qualification Tournaments.

Three internal Qualification Tournaments were conducted during the 2026 season, in February, April and August. Each tournament involved round-robin matches within the respective squad levels, followed by play-offs between qualifying players from adjacent levels to determine promotion and relegation. Where vacancies existed, eligible players from lower squads could be promoted directly. Results from the third Qualification Tournament also informed Auckland representative team selections for the 2026 New Zealand Open Table Tennis Championships.

The Association maintained clear eligibility requirements for players seeking selection to represent Auckland at the New Zealand Open. These included a minimum attendance of 50% at squad training sessions, participation in designated Auckland tournaments and involvement in Auckland Winter Interclub, with players required to compete in at least 50% of scheduled Interclub fixtures. Special dispensation provisions applied in approved circumstances.

By the end of the 2025–26 financial year, squad enrolments were as follows:
• Auckland Elite Squad: 18 players, with 4 players on the Overseas Pathway
• Auckland Intermediate A Squad: 16 players, with 1 player on the Overseas Pathway
• Auckland Intermediate B Squad: 15 players, with 1 player on the Overseas Pathway

Players aged over 18 years, as determined by the Association’s squad fee eligibility criteria, continued to be exempt from squad coaching fees.

The Association also continued to develop future coaching talent by engaging emerging players as training partners within the Auckland Intermediate Squad. During the year, Lucas Alexandre, Oscar Du, Rayan Engineer, Tushan Engineer, Carrie Guo, Arush Gupta, Payas Jajal, Oscar Jiang, Kevin Kuo, Victor Li, Chi-An Liu, Gina Liu, Jayden Lu, Joshua Lu, Ayumi Moriyama-Picard, John Wu, Toby Xu and Jacob Yuan supported training sessions. Their involvement provided valuable assistance to the coaching team while offering opportunities to develop coaching, communication and leadership skills.

Head Coach role

The Association appointed Aleksey Yefremov as Head Coach in September 2025. Following a review of the Association’s coaching structure, the Head Coach position was disestablished in August 2026.

School and Community Development Coaching

The Association continued to expand its school and community development coaching programmes throughout Auckland during the 2026 season, introducing table tennis to new participants, developing fundamental playing skills and creating pathways for students to progress into regular coaching programmes, clubs and competitions.

Eberhard Kleiser continued in his role as Development Coach, contributing significantly to the promotion and growth of table tennis across Central and East Auckland. His responsibilities encompassed school development coaching, community engagement, club coordination, tournament promotion and the delivery of structured player development programmes.

Between September 2025 and August 2026, Eberhard delivered 154 school development sessions, reaching approximately 5,475 students. These sessions introduced students to table tennis, developed fundamental skills and encouraged continued participation through the Association's clubs, coaching programmes and competitions.

Eberhard’s key responsibilities included:
a) delivering school development coaching, demonstrations and promotional activities across Central and East Auckland
b) providing coaching at the Auckland table tennis stadium through the Junior Club and School Holiday Coaching programmes, supporting the Association's Player Development Pathway
c) coordinating the Central Club, encouraging regular participation and providing opportunities for recreational and competitive play
d) coordinating four After-School Clubs across Auckland Normal Intermediate, Ponsonby Intermediate and Remuera Intermediate (two clubs), supporting the expansion of school-based table tennis opportunities
e) coordinating and delivering the Hosting Inclusive Table Tennis (HITT) programme, providing inclusive coaching opportunities for students with additional learning and support needs
f) promoting and managing the Central Auckland Primary & Intermediate Table Tennis Team Competition during Terms 2 and 3, encouraging students to gain competitive experience in a supportive environment
g) assisting with the promotion and delivery of the Auckland Interschools Table Tennis Competition across Central and East Auckland during Terms 1, 2 and 3
h) supporting the promotion and delivery of regional school tournaments, including the November 2025 Primary School Tournament, 2026 Central Zone Intermediate School Tournament and 2026 South-Eastern Zone School Tournament
i) delivering community activations through the Tables in Communities project at the Auckland table tennis stadium and community venues, introducing the sport to new audiences

A particular focus of Eberhard's development work was encouraging students who participated in school coaching sessions to continue their involvement through organised competitions. This included promoting the 2026 Central Auckland Primary & Intermediate Table Tennis Team Competition, providing students with opportunities to apply their developing skills in a fun and competitive environment.

Dinyar Irani continued to deliver development coaching at Pakuranga College, providing students with opportunities to develop fundamental table tennis skills, improve their playing ability and build a sustained interest in the sport.

Yumin Lin delivered regular in-school coaching at ACG Parnell College, Edgewater College and Selwyn College. These sessions provided students with structured opportunities to develop their technical skills, improve consistency and participate regularly in table tennis within their school environments.

Patrick Low continued to play an important role in the Association's East Auckland development programmes, delivering school coaching and development sessions at Bucklands Beach Intermediate, Farm Cove Intermediate, Somerville Intermediate and St. Kentigern Boys' School.

Patrick also coordinated and delivered two school-based after-school coaching groups, operating at Farm Cove Intermediate on Thursdays during Terms 1 and 2, and Somerville Intermediate on Fridays throughout Terms 1 to 4. These programmes provided students with opportunities to develop their skills and participate in regular table tennis activities beyond school hours.

In addition, Patrick coordinated the 2026 East Auckland Primary & Intermediate Table Tennis Team Competition during Terms 2 and 3, providing students with opportunities to represent their schools, gain competitive experience and develop their confidence through organised match play.

School Holiday Coaching division

The Auckland Table Tennis Association continued to deliver its popular School Holiday Coaching programmes during each school holiday period, with programmes successfully held in October 2025, January 2026, April 2026 and July 2026. Each programme operated for one week, Monday to Friday, from 9.00 a.m. to 4.00 p.m.

The programmes catered to students aged 8 to 16 years, providing opportunities to develop fundamental table tennis skills in a structured, supportive and enjoyable environment. Flexible registration options allowed participants to attend individual days, multiple days or the full week.

Programmes were promoted through school demonstrations, promotional visits and development coaching sessions conducted by Dinyar Irani and Eberhard Kleiser. The Association also maintained a dedicated contact list to communicate directly with previous participants and encourage continued involvement.

Coaching was delivered by a team of up to five coaches, subject to availability, drawn from Dinyar Irani, Jane Kim, Eberhard Kleiser, Yanlin Li, Teng Teng Liu, Kai Peng, Sukitha Samarakkody, Jonathan Wong and Aleksey Yefremov.

To maintain a safe and effective coaching environment, daily attendance was capped at 75 students, with five coaches engaged to support programme delivery. A total of 30 tables were set up on the stadium playing floor, providing ample opportunities for participants to practise, develop their skills and enjoy the sport.

Participation Numbers
The number of students who attended each School Holiday Coaching was as follows:
October 2025 – 95 students (from 100 students in 2024)
January 2026 – 68 students (from 79 students in 2025)

After-School Clubs division

The Auckland Table Tennis Association significantly expanded its After-School Clubs programme during the 2026 season, building on the successful introduction of a school-based club at Ponsonby Intermediate in 2025. The programme provides structured, accessible and enjoyable table tennis opportunities for intermediate-aged students, encouraging regular participation, skill development and continued involvement in the sport.

During the year, the Association operated four After-School Clubs across three schools: Ponsonby Intermediate, Auckland Normal Intermediate and Remuera Intermediate. The expansion reflected growing demand for school-based table tennis opportunities and the success of the Association's efforts to introduce the sport to more young people across Auckland.

Ponsonby Intermediate Table Tennis Club: The Association continued to deliver its established After-School Club at Ponsonby Intermediate on Mondays from 3.00 p.m. to 4.30 p.m., operating during Term 4 of 2025 and Terms 1, 2 and 3 of 2026. The club recorded 17 registrations in Term 4 of 2025, followed by 41 in Term 1, 23 in Term 2 and 18 in Term 3 of 2026. Coaching was delivered by Mikram Al-Taiff during Term 4 of 2025 and Term 3 of 2026, while Eberhard Kleiser and Mikram jointly delivered the programme during Terms 1 and 2 of 2026.

Auckland Normal Intermediate Table Tennis Club: a new After-School Club was established in Term 2 of 2026, operating on Tuesdays from 3.10 p.m. to 5.10 p.m. The programme attracted 31 registrations in its inaugural term, followed by 21 registrations in Term 3. Coaching was delivered by Eberhard Kleiser and Mikram Al-Taiff.

Remuera Intermediate Table Tennis Club: following the successful establishment of the club in Term 4 of 2025, the programme experienced significant growth during 2026. Friday sessions, operating from 3.00 p.m. to 5.00 p.m., attracted 42 registrations in Term 1, increasing to 54 in Term 2 and 55 in Term 3. In response to this strong demand, the Association introduced a second weekly club on Mondays from Term 3, attracting a further 55 registrations. Friday sessions were delivered by Eberhard Kleiser and Mikram Al-Taiff, while Monday sessions were coached by Eberhard Kleiser and Yumin Lin.

Across the three schools, the Association recorded 340 term-based registrations during the 2026 reporting period. The growth at Remuera Intermediate was particularly encouraging, with the introduction of a second weekly session demonstrating the increasing popularity of table tennis among students.

The After-School Clubs operated on a user-pays basis, without grant funding towards their direct delivery. However, the Association's wider school and community development initiatives, supported by funding programmes including Tu Manawa Active Aotearoa, played an important role in generating interest and demand. These initiatives included school demonstrations, promotional visits and development coaching sessions designed to introduce students to table tennis and encourage ongoing participation. Grant funding received during the previous financial year also supported the purchase of table tennis tables to establish the clubs at Auckland Normal Intermediate and Remuera Intermediate.

The continued expansion of the After-School Clubs programme represents an important component of the Association's wider participation and community development strategy. By delivering regular coaching directly within schools, the Association is reducing barriers to participation, strengthening relationships with schools and creating opportunities for young people to develop their skills and progress into other table tennis programmes.

The Association remains committed to expanding its network of After-School Clubs across Auckland, building on the success of the existing programmes and providing sustainable opportunities for more young people to participate in table tennis.

Description and Quantification of the Entity's Outputs

The Association continued to deliver Auckland Squad Training. Future Squad training sessions continued to be delivered on different days and times to allow for growth. Auckland Intermediate Squad maintained four groups (A1, A2, B1 and B2), while Auckland Elite Squad maintained two groups (E1 and E2). An Overseas Player Pathway to Auckland representation was introduced. Training fees charged to Auckland Squad members were increased to partially offset the cost of delivering the programme. Auckland Squad Training coaching, table hire and equipment continued to be subsidised by the Association.

The Association delivered development coaching in schools, demonstrations, Young Explorers, Junior Club, Day Club U19 training and Girls' Coaching. School Holiday Coaching programmes were delivered in October 2025, January 2026, April 2026 and July 2026. Each programme ran for five days, contributing to an increase in School Holiday Coaching revenue.

Hireage revenue comprised coach table fees, casual table hire, school table hire, corporate table hire, visitor fees, venue hire and meeting room hire. Coach table fee revenue decreased significantly compared with the previous financial year. Venue hire included the 2025 New Zealand Open Table Tennis Championships, 2026 New Zealand Veteran Table Tennis Championships, 2026 North Island Team Championships, 2026 North Island Table Tennis Championships, TTNZ National Training Camp, TTNZ Northern Region Training Camp, 2026 ITTF-Oceania Hopes Week & Challenge, 2026 NZCTTA Junior Individual Tournament and 2026 NZCTTA Open Team Tournament. Regular hirers of meeting room space included Table Tennis New Zealand and Summit Chess Club.

The Auckland Interschools table tennis competition catered for 43 teams from four schools during Term 1 of the 2026 season (compared with 27 teams from three schools in 2025), 133 teams from 26 schools during Term 2 (compared with 147 teams from 29 schools in 2025), and 117 teams from 24 schools during Term 3 (compared with 130 teams from 23 schools in 2025).

The Auckland Primary & Intermediate table tennis team competition catered for 41 teams from 15 schools during Term 2 of the 2026 season (compared with 45 teams from 17 schools in 2025), and 36 teams from 22 schools during Term 3 of the 2026 season (compared with 44 teams from 20 schools in 2025).

The Association had 347 financial stadium keyholders at 31 August 2026, an increase of one financial stadium keyholder compared with 31 August 2025.

The Association delivered six regional tournaments, one Interschools tournament, two Intermediate Zone tournaments and one Primary School tournament during the financial year ended 31 August 2026. Tournaments continued to attract strong participation, including a record entry for the 2025 Auckland Spring Open. Overall tournament participation decreased compared with the record participation achieved during the previous season.

Central Club and Korean Club revenue and participation remained consistent with the previous season. Pakuranga Club revenue decreased by 33% due to lower participation, and the Club subsequently closed because of the unavailability of Pakuranga Community Hall. University of Auckland Table Tennis Club revenue decreased significantly due to session cancellations arising from venue bookings and lower participation. Ping Pong Parkinson's revenue increased significantly, with the 2026 season representing the first full season of the programme following its establishment in May 2025.

After-School Club delivery expanded significantly during the year. The Association continued its after-school club at Ponsonby Intermediate and established new clubs at Auckland Normal Intermediate and Remuera Intermediate, with Remuera Intermediate operating two days per week. All after-school clubs operated during Terms 1, 2 and 3 of the 2026 season.

The 2025–2026 Summer Interclub competition catered for 66 teams, compared with 60 teams in 2024–2025. The 2026 Winter Interclub competition catered for 84 teams, compared with 78 teams in 2025.

Additional Output Measures

The Association continued to deliver its Tables in Communities programme, providing free access to table tennis through permanent outdoor tables located across the Auckland region. At 31 August 2026, the programme had 86 Tables in Communities sites, with 4,313 registered Seekapong users. The programme supports the Association's objective of increasing participation by providing accessible opportunities for people of all ages and abilities to play table tennis in community settings.

Additional Information

Painting and repair works were completed throughout the Auckland Table Tennis Stadium during the financial year. A number of toilets were also replaced as part of ongoing improvements to the Stadium's facilities.

Statement of Accounting Policies

Auckland Table Tennis Association Inc
For the year ended 31 August 2026

'How did we do our accounting?'

Basis of Preparation

The entity is permitted by law to apply the Tier 3 (NFP) Standard issued by the External Reporting Board (XRB) and has elected to do so. A PBE may apply the standard if it does not have public accountability and has total annual expenses less than or equal to $5,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Income Tax

Auckland Table Tennis Association Inc is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

Solvency Reserve

The Auckland Table Tennis Association shall endeavour to maintain a solvency reserve of cash equivalent balances equal to at least nine months of expenses less revenue from non-government services delivery grants/contracts, based on the audited accounts at the previous balance date.

The Auckland Table Tennis Association ("ATTA") will make a cash contribution of $100,000 toward capital development of the LECH facility, in collaboration with Howick Gymnastic Club, Pakuranga Bowling Club, and Pakuranga Tennis Club, subject to the following conditions:

1. Staged Commitment: ATTA's cash contribution would be contingent upon the confirmation and commencement of Stage 2, which includes the construction of the Table Tennis section of the facility. No funds would be committed or disbursed prior to a detailed timeline, budget, and design approval for Stage 2 being agreed upon by all partners.
2. Contribution: The amount of ATTA's contribution would be determined based on the final scope, cost, and benefit to table tennis within the facility.
3. Funding Availability: The pledge is subject to availability of funds at the time of Stage 2's implementation, particularly if the project suffers substantial delays.
4. Project Viability: ATTA reserves the right to review its participation should there be significant delays, changes in project scope, or failure to proceed with Stage 2 as planned.

(Last year - nil).

10. Ability to Continue Operating

The entity will continue to operate for the foreseeable future.

INDEPENDENT AUDITOR'S REPORT

To the Members of Auckland Table Tennis Association Inc

Opinion

We have audited the accompanying Performance Report of Auckland Table Tennis Association Inc on pages 3 to 23, which comprises the Entity Information, the Statement of Service Performance, the Statement of Financial Performance and Statement of Cash Flows for the year ended 31 August 2026, the Statement of Financial Position as at 31 August 2026, a Statement of Accounting Policies and Notes to the Performance Report including material accounting policy information and other explanatory information.

In our opinion, the accompanying Performance Report presents fairly, in all material respects:

- the entity information for the year ended 31 August 2026;
- the service performance for the year ended 31 August 2026, in that the service performance information is appropriate and meaningful and prepared in accordance with the entity's measurement bases or evaluation methods;
- the financial position of Auckland Table Tennis Association Inc as at 31 August 2026, and its financial performance, and cash flows for the year then ended,

in accordance with the Tier 3 (NFP) Standard issued by the New Zealand Accounting Standards Board of the External Reporting Board (XRB).

Basis for Opinion

We conducted our audit of the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows, Statement of Accounting Policies and Notes to the Performance Report in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)), and the audit of the Entity Information and Statement of Service Performance in accordance with New Zealand Auditing Standard 1 (Revised) 'The Audit of Service Performance Information' (NZ AS1 (Revised)). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Performance Report section of our report. We are independent of Auckland Table Tennis Association Inc in accordance with Professional and Ethical Standard 1 'International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, Auckland Table Tennis Association Inc.

Restriction on Responsibility

This report is made solely to the Members, as a body, in accordance with section 42F of the Charities Act 2005. Our audit work has been undertaken so that we might state to the Members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Members as a body, for our audit work, for this report, or for the opinions we have formed.

Management Committee' Responsibility for the Performance Report

The Management Committee are responsible on behalf of the entity for:

a) the selection of elements/aspects of service performance, performance measures and/or descriptions and measurement bases or evaluation methods that present service performance information that is appropriate and meaningful in accordance with the Tier 3 (NFP) Standard;

b) the preparation and fair presentation of the Performance Report which comprises:
   - the Entity Information;
   - the Statement of Service Performance; and
   - the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows, Statement of Accounting Policies and Notes to the Performance Report in accordance with the Tier 3 (NFP) Standard, and

c) for such internal control as the Management Committee determine is necessary to enable the preparation of a Performance Report that is free from material misstatement, whether due to fraud or error.

In preparing the Performance Report, the Management Committee are responsible on behalf of the entity for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Performance Report

Our objectives are to obtain reasonable assurance about whether the Performance Report is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.
Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance ISAs and NZ AS1 (Revised) will always detect a material misstatement when it exists.
Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of this Performance Report.

As part of an audit in accordance with ISAs (NZ) and NZ AS1 (Revised), we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Performance Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Obtain an understanding of the process applied by the entity to select its elements/aspects of service performance, performance measures and/or descriptions and the measurement bases or evaluation methods.

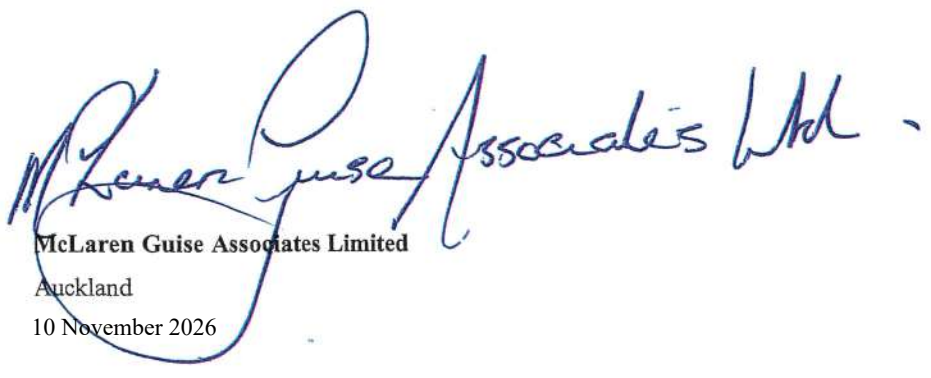

- Evaluate whether the selection of elements/aspects of service performance, performance measures and/ or descriptions and measurement bases or evaluation methods present an appropriate and meaningful assessment of the entity's service performance in accordance with the applicable financial reporting framework.

- Evaluate whether the service performance information is prepared in accordance with the entity's measurement bases or evaluation methods, in accordance with the applicable financial reporting framework.

- Conclude on the appropriateness of the use of the going concern basis of accounting by the Management Committee and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Performance Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Performance Report, including the disclosures, and whether the Performance Report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
